FOREWORD

The 2019 County Annual Development Plan (CADP) is prepared in accordance with the provisions of the Public Financial Management Act, 2012 (Section 126(1-4)) and Article 220(2) of the Constitution of Kenya.

The objective of the 2019 County Annual Development Plan is to establish the basis upon which the County Government's budgeting process for FY 2020/2021 is built. This document provides details of the County Government's priority programmes to be implemented in FY 2020/2021.

The priorities expounded in this document have been drawn from the County Intergrated Development (CIDP 2018-2022) and aligned to the objectives of the Kenya Vision 2030 and the Third Medium Term Plan (MTP III). The Governor's manifesto has also informed the proposed strategies and programmes.

The broad priorities outlined in this document include:

1. Increasing access to clean, quality, affordable and potable water for all households, schools and health facilities. **(WATER)**
2. Ensuring quality education through development of ECDE and Library services, equipping of schools and enhanced bursaries allocation **(EDUCATION)**
3. Provision of quality infrastructure including improved roads network, ICT, quality housing, Land management and adoption of alternative sources of energy. **(INFRASTRUCTURE)**
4. Investing sufficiently in quality, accessible and affordable health care services including provision of prerequisite equipment, drugs and health personnel. **(HEALTH)**
5. Improved Food and Nutrition Security and community resilience through provision of adequate extension services, farm inputs, water for irrigation and livestock throughout the County. **(FOOD SECURITY)**
6. Empowerment of Youth, women, and vulnerable members of the community through establishment of small scale cooperatives, talents identification and nurturing and improved access to cheap and affordable credit. **(COMMUNITY EMPOWERMENT)**

This Plan is divided into two chapters as follows:

Chapter One: This provides a brief background of the County in terms of its area, administrative divisions, main physical features, and settlement patterns.

Chapter Two: The chapter sets out departmental priorities, Flagship projects and projects proposed during participatory budgeting exercise for the FY 2020/2021.

HON. DAVIS MWANGOMA
COUNTY EXECUTIVE COMMITTEE MEMBER, FINANCE AND ECONOMIC
PLANNING

ACKNOWLEDGEMENT

The development of the 2020/2021 Taita Taveta County Annual Development Plan (CADP) benefited from invaluable inputs from county departments, feed back during public consultative forums in more than 92 venues spread across the County and contributions from various key stakeholders.

Our Special appreciation and gratitude goes to H.E The Governor, Granton Graham Samboja and H.E Deputy Governor, Majala Mlaghui under whose visionary leadership the CADP 2020/2021 was prepared.

I wish to register special recognition to all County Executive Committee (CEC) members and the County Secretary for their dedication and the technical expertise that went into this plan. The County Chief Officers and the departmental technical officers are also appreciated for their close collaboration and engagement in the realization of this plan.

We would like to express our gratitude to all stakeholders in the public and private sectors, community organizations and professionals for their valuable input in the preparation of Taita Taveta County Annual Development Plan (2020-2021).

Much appreciation goes to the CECM Finance and Economic Planning Mr. Davis Mwashao Mwangoma for coordinating the preparation of this document. Special gratitude is directed to the Planning team comprising of: Mr. Benjamin Odago- Economist & team leader and other staff from the Planning and budgeting directorate, Mr.Mathew Njoroge- Special Programmes, Mr.Francis Rongaine- Civic education and Public participation, among other county staff who actively participated in the development of this document. Their coordination of the various teams who were collecting views and proposals from the public resulted to the successful consolidation of all projects proposals from all corners of our great County, Taita Taveta.

My special appreciation also goes to the World Bank Technical team, led by Mr. Johnstone Kotut and Miss. Rose Wanjiru who facilitated a valuable and successful One (1) week training on **Participatory Budgeting (PB)** to the County staff who later took part in the public participation on the Cuntly Annual Development Plan (CADP) 2020/202. The training led to the development of a Taita Taveta County Model of Participatory Budgeting that guide in every stage of public engagements during the development of this important document, CADP. Accolades should finally go to the great people of Taita Taveta who aired their aspirations through public consultations and written submissions and also participated in selecting three (3) priority projects in each sub- location in the County.

CHAPTER 1: COUNTY BACKGROUND

1.1 Introduction

This chapter provides background information of Taita Taveta County. It further highlights the county's planning scenario and framework for financial year 2020/2021. The chapter further outlines the linkages between the County Annual Development Plan (CADP) and other planning documents.

1.2 Rationale for the preparation of County Annual Development Plan

Taita Taveta County like many other counties is faced by a number of developmental challenges. High levels of unemployment amongst the productive population, low agricultural productivity, high illiteracy levels and human-wildlife continue to adversely affect the levels of development. Further, inadequate infrastructure in terms of roads network and energy continue to impede development. The scenario is further compounded by the burden and challenges in the health sector ranging from inadequate capacity in personnel and equipment and inadequate drugs in our Hospital and Health facilities. With these challenges notwithstanding, the development agenda is further handicapped by the below par own source revenue generation.

It is against this backdrop that the County Annual Development Plan is prepared to ensure socio-economic advancement of the County by addressing the felt needs of the citizens. The plan outlines the priority programmes/projects to be implemented in the FY 2020/21 to spur development through employment and wealth creation.

1.3 Legal Framework for preparation of the ADP

The 2020/21 Taita Taveta County Annual Development Plan has been prepared pursuant to the provisions of the Public Financial Management Act 2012, section 126, County Government Act, 2012, Section 104 and in accordance with the Constitution of Kenya, Article 220(2). It is provided that a county government shall prepare an annual development plan for submission to the County assembly by 1st of September every year.

It is further stipulated that, in the Plan, the county shall outline among others:

- a) Strategic priorities for the medium term
- b) Description of how the county is responding to the prevailing economic and financial environment

- c) Programmes to be delivered (Services/goods to be provided, measurable indicators of performance and budgetary allocation)
- d) Description of significant capital projects.

1.4 Geographic Location and Size

Taita Taveta County is one of the six counties located in the coastal region and is approximately 200km North West of the coastal city of Mombasa and 360km South East of Nairobi the capital City of Kenya. The county covers an area of 17,084.1Km² with 10,649.9 Km² (62.3 per cent) being within Tsavo East and Tsavo West National Parks. The county borders Kitui, Makueni and Tana River Counties to the north; Kilifi and Kwale Counties to the east; Kajiado County to the north-west and the Republic of Tanzania to the South. The county lies between longitude 37⁰36' east and 30⁰14' east and latitude 2⁰46' s/south and 4⁰ 10' south.

1.5 Physiographic and Natural Conditions

1.5.1 Physical and Topographic Features

Taita Taveta County is classified into three major topographical zones, namely:

- (i) Upper zone – which comprises Mwambirwa, Taita and Sagalla hills regions with altitudes ranging from 304 meters to 2, 208 meters above sea level. The zone is suitable for horticultural farming.
- (ii) Lower zone – which includes plains where the national parks, mines and ranches are found.
- (iii) Volcanic foothills zone – which covers the Taveta region with underground water and springs emanating from Mt. Kilimanjaro.

1.5.2 Ecological Conditions

Ecological zones in Taita Taveta County are based on climatic conditions and relief. Taita Hills which form the highlands cover approximately 1,000 Km² and rise to a maximum elevation of 2,208 meters above sea level (Vuria Peak). Various flora and fauna are found in the indigenous cloud forests within these hills.

The vast rangeland covering Tsavo National Park (Tsavo East and Tsavo West) is located in the lowlands and transitional zone and occupies about 62% of the entire county area. This forms the Tsavo Ecosystem which is constituted of plains, wildlife, springs, rivers and vegetation. The park is an open savannah and bush woodland supporting the famed 'big five' quintet of lions, elephants, buffaloes, rhinos and leopards as well as antelopes, giraffes, zebras and a host of bird life.

1.5.3 Climatic Conditions

The County experiences two rainy seasons - the long rains between the months of March and May; and the short rains between October and December. Rainfall distribution is uneven, with the highlands receiving higher rainfall than the lowland areas. During long rains, on average the highlands record 265 mm while the lowlands record 157 mm whereas during short rains, annual rainfall is 1,200 mm and 341 mm for highlands and lowlands respectively. The annual mean rainfall is 650 mm. The average temperature in the County is 23⁰C, with temperatures getting as low as 18.2⁰C in the hilly areas (Taita, Mwambirwa and Sagalla), while on lower zones, temperatures rise to about 25⁰C.

1.5.4 Administrative and Political Units

Taita Taveta County is divided into various administrative and political units crucial for management of the County and also service delivery to the public.

In terms of political units, the County has four constituencies namely, Wundanyi, Mwatate, Voi and Taveta. These are further divided into 20 electoral wards, otherwise referred to as County assembly areas.

The size of each of the four sub-County units, the number of electoral wards in each of these units, the respective number of sub-locations is shown below (Independent Electoral and Boundaries Commission, 2012 - 2013).

Table 1: Administrative and Political Subdivision of the County

Constituency	No. of Wards	Approx. Area in Km ²	Name of Electoral Ward
Taveta	5	626.2	Challa
			Mahoo
			Bomani
			Mboghoni
			Mata
	Tsavo West National Park	6,543.8	-

			Marungu
			Kasigau
	Tsavo East National Park	4,106.1	-
TOTAL	20	17,084.1	20

1.5.5 Demographic Features: Population Size and Composition

The projected total county population for the year 2020 is 408,492, comprising of 207,180 males and 201,312 females with a sex ratio of 100:104. The county population intercensal growth rate is 1.6 percent which is below the national growth of 3 percent.

1.5 Overview of the Prevailing County's Financial and Economic Environment

Since the promulgation of the Constitution of Kenya in 2010 and the inception of devolution in FY 2012/13, County Government of Taita Taveta has invested a lot in development and service delivery for the benefit of all citizens despite the little resources it receives from the exchequer as County Allocation.

1.5.1 County Developmental Challenges and mitigations

The key development challenges that continue to face the county include:

1. High levels of unemployment especially among the youthful and productive population that accounts for 70% of the total population. The unemployment is due to lack of technical and business skills, insufficient capital to venture into business, stringent conditions to accessing commercial credit, and lack of an entrepreneurial culture

due to lack of information. To address these challenges, the CGTT is investing a lot in Vocational and Training Centres by equipping them with the necessary tools and equipments and human capital geared towards transferring of knowledge and skills to the County Youth that will enable them engage in self employment in the informal sector. Additionally, the County government has been setting aside some tenders for the Youth, Women and Persons Living with Disabilities and quaranteeing some of them with loans in the local SACCOs and Youth Enterprise Development Fund.

2. Low agricultural and livestock productivity due to low adoption of improved crop and livestock husbandry. To mitigate these challenges in the Agricultural Sector, the County has been putting in efforts to distribute manures, quality seeds e.g for macadamia, strengthening of Artificial Insemination services and livestock vaccinations all geared towards improving productivity and resilience to the prevailing climatic conditions.

3. High levels of illiteracy levels compounded by the high levels of poverty faced by the community members continue to impede development. This requires additional funding for bursaries and scholarships. In the Annual Development Plan for the year 2020/2021 the County plans to set aside a whopping Kshs.300 Million towards bursaries to ensure that all Schools, Colleges and University going students attends to their sessions without any interruption. This will in the long run improve the literacy levels in the County.

4. Drought occasioned by Climate change has continued to place a heavy strain on the county's economy. Frequent failure of rains have affected food security situation in the county. An estimated 70,000 members of the community across the county continue to be supported through relief programmes. In this front the County has investing in constructing water pans and desilting the existing water canals and dams to increase water available for irrigation purposes that will ensure that the County is food secure.

5. Human-wildlife conflict is another challenge that is on the increase due to wildlife invading the farming areas in search of water and the effect are crop destruction and predation of livestock. There is also low awareness on the benefits that can accrue from the Tsavo ecosystem.

6. Poor road networks have increased the cost of doing business and therefore negatively impacted the competitiveness of local products. The poor roads have also made it very expense for the County Government to provide goods and services such as health, livestock and agriculture extension, and water services. Over the years the County government has putting in place strategic measures towards improvement of the road networks within the County. In the new CADP the County plans to purchase a consortium of Road construction and maintenance equipments and machinery that will be stationed in all the sub county headquarters and will be deployed to road maintenance works through out the year.

7. The health sector has been characterized by inadequate capacity in terms of staffing levels, inadequate health equipment, insufficient medical commodities, and a host of conditions such as the upsurge of Non-

Communicable Diseases (NCDs), HIV/AIDS and alcohol and substance abuse. As a result; people incur high costs seeking health services in private hospitals in and outside the county and country.

To mitigate against this challenge the County has entered into agreements with KEMSA and MEDS to be supplying the county with drugs on quarterly basis. The County Treasury is also striving to ensure that payments for drugs supply are done in time to avoid any stock outages due to stoppage of deliveries by the contracted suppliers.

CHAPTER 2: COUNTY PRIORITIES, PROGRAMMES AND PROJECTS

2.1 Introduction

The 2019 Taita Taveta County Annual Development Plan (CADP), is prepared in accordance with the provisions of the Public Financial Management Act, 2012(Section 126(1-4)) and Article 220(2) of the Constitution of Kenya.

2.2 County Resource Mobilization

There are a number of funding streams that will finance the implementation of this CADP as envisaged in the County Intergrated Development Plan (2018-2022). These include: Own Source Revenue, Equitable share from the National Government, the equalization fund managed by the National Government, Public Private Partnership investments, Public Community Partnership investments, contributions from non-state actors and development partner funding. Over the 5-year CIDP duration the estimated revenue from regular sources which include local revenue receipts, share of the National government revenue, equalization fund and inter-governmental transfers is estimated at 26.9 Billion.

Table 1: Revenue Projections

Type of Revenue	2018/2019	2019/2020	2020/2021	2021/2022	2022/2023	Total
Own Source Revenue	315,000,000	346,500,000	381,150,000	419,265,000	461,191,500	1,923,106,500
Equitable share	4,011,871,626	4,210,110,124	4,420,220,340	4,670,220,340	4,920,220,340	22,232,642,770
Conditional grants	290,500,000	300,000,000	305,000,000	320,000,000	325,000,000	1,540,500,000
Development partners	469,389,189	520,000,000	570,000,000	590,000,000	610,000,000	2,759,389,189
Total	5,086,760,815	5,376,610,124	5,676,370,340	5,999,485,340	6,316,411,840	28,455,638,459

2.3 County Fiscal Performance For Fy 2018/2019

During the FY 2018/2019, the total county resource envelop was Kshs 5.98 Billion. This comprised of Kshs 4.05 Billion as equitable share from the national government, Kshs 236.5 Million as conditional grants from the national government, Kshs 1.04 Billion conditional grants from development partners and Own Source Revenue(OSR) of Kshs 300 Million. In terms of actual revenue realization, the county received 100% of its equitable share from the national government, 80% of national government's conditional grants and 60 % of grants from the development partners. There was a remarkable improvement in OSR where the County

surpassed its target by 11% collecting a total of Kshs 333 million. The total OSR for FY 2018/2019 exceeded the FY 2017/2018 collection by 60% where only Kshs 203 Million was realized.

Over the same period under review, the total absorption rate for the county was 79% with the total Recurrent absorption rate being 95% of the recurrent budget and development absorption rate recording an average of 65% of the total development budget.

It is worthy to note that there was a significant improvement in the utilisation of the development budget in FY 2018/2019; The county recorded a development funds absorption rate of 65% against an absorption rate of 14% in FY 2017/2018. The utilization of development funds in the FY 2018/2019 was affected by some of unrealized grants from development partners.

2.4 PROPOSED PROGRAMMES/PROJECTS

2.4.1 GOVERNOR’S AND DEPUTY GOVERNOR’S OFFICE

This office consists of the Governor, Deputy Governor and secretariat of the County Executive Committee headed by County Secretary. The office further has several units namely: County legal services, Information Communication and Technology, Communication and Strategy Unit and Special Programmes Unit. The office is charged with the task of providing leadership in service delivery and overall coordination of county affairs.

Vision

“A prosperous County that supports modern quality life for her people”

Mission

“To promote an integrated approach to development, sustainable management of the environment and exploitation of natural resources for the sole purpose of driving cultural, political, social and economic development through appropriate technology for the benefit of the citizens.

STRATEGIC PRIORITIES AND PROPOSED PROGRAMMES/PROJECTS FOR FY 2020/2021								
Strategic Objective 1: To improve service delivery								
Programme 1: Infrastructural development								
Sub-Programme	Location/Ward	Project Name	Description of Activities	Estimated Cost (kshs)	Expected Time Frame	Monitoring Indicators	Target	Source of Funding
Non residential buildings	Mwatate	Completion and equipping of county headquarters at Mwatate	Civil works and equipping	20,000,000	July 2020-June 2021	No of people to be accommodated		CGTT
Residential Buildings	To be decided	Construction and equipping of Governor’s and deputy Governor’s official residential houses	Construction	85,000,000	July 2020-June 2021	No. of houses	2	CGTT
Strategic Objective 2: Efficient service delivery								
Strategic Outcome 3: Effective service delivery								
Sub-Programme	Ward	Project	Description of activities	Estimated cost in Kshs.	Time frame	Monitoring Indicators	Target	Source of Funds
operations and maintenance	headquarters-mwatate	operations and maintenance	salaries operations and maintenance costs	200,000,000	July 2017-June 2018	proper documentation	amount allocated	CGTT

Special Programmes

Project implementation/Progress

Ward	Project name	Description of activities	Amount	Start Date	Implementation status
Wumingu/kishushe	Kishushe water pan	excavation of a water pan	4,600,000.00	2018/19	Complete
Maktau	2 water pans			2018/19	Complete
Mboghoni	River lumi canal			2018/19	mid way done
County wide	Women Sacco empowerment	Sensitization meetings	0	2018/19	On going
County wide	women empowerment	Training garment making	40,000.00	2018/19	on going
County wide	Medical camp	Medical camp	300,000.00	2018/19	On going

Proposed Strategic Programmes/Projects for FY 2020/2021

SUB-PROGRAMME 1:FLOOD AND DROUGHT MITIGATION PROGRAMME

Location/Ward	Project Name	Description of Activities	Estimated Cost	Expected Time Frame	Monitoring Indicators
Wumingu Kishushe	Water pans	Excavation of 2 water pans	2,000,000.00	2020/21	Number of pans
Mwatate	Mwatate dam	Excavation of silt	4,000,000.00	2020/21	Depth of dam excavated.
County wide	Afforestation	Afforestation of water catchments and other areas.	2,000,000.00	2020/21	Number of trees planted.
County wide	Flood control	Identify and construct flood walls, flood gates and reservoirs	7,000,000.00	2020/21	Number of constructions.

PROGRAMME 2: SPECIAL INITIAIVE PROGRAMME

Location/Ward	Project Name	Description of Activities	Estimated Cost	Expected Time Frame	Monitoring Indicators	Target
County Wide	Relief service	Identify and support victims of disaster	10,000,000.00	2020/2021	No of beneficiaries	

County wide	Women empowerment	Equipping of garment making Hub.	7,000,000.00	20/21	Number of equipment bought.	
		Imparting garment making skills to women.	40,000.00	2020/21	Number of women trained.	
County wide	Women empowerment	Sensitization of women/youth/PLWDs on entrepreneurial skills.	2,000,000.00	2020/21	Number of meetings held and number of Sacco's/groups accessing the 30% government tenders.	

Communication and public relations

Location/Ward	Project Name	Description of Activities	Estimated Cost	Expected Time Frame	Monitoring Indicators	Target	Source of Funding
Countywide	Journals and Newsletter Publication	Preparation and dissemination of e-journals and newsletters	2M	July 2019 June 2020	Number of e-journals and newsletters developed and disseminated	Quarterly e-journals Bi-annual newsletters	CGT T
Countywide	Media engagement	All communication with the news media including media releases, advisories, statements, interviews, conferences and briefings, letters to the editor, opinion pieces, technical announcements	2M	July 2019 June 2020	Percentage of population reached via media	50% of the population	CGT T

2.4.5 PUBLIC WORKS AND INFRASTRUCTURE

This department consists of the following functional areas; Roads, Public Works.

Vision “To be recognized as the experts in county government, achieving best practice infrastructure programming, procurement and construction, whilst maximizing the use of the resources of Taita Taveta County”

Mission. “Provide value for money services and deliver quality infrastructure on time and within budget”.

Medium term Priorities (2019/20-2020/21)

1. Make all roads motorable throughout the year
2. Provision of urban infrastructure

Sector/sub-sector Challenges

1. Hiring the right number of staffs with the right expertise for road supervision, projects management and computer aided design.
2. Insufficient vehicles for projects supervision
3. Inadequate Basic office and field infrastructure e.g. furniture, desktop computers, laptops, cameras
4. Management of fuel and fleet of earth moving equipment
5. Under-budgeted projects by departments
6. Too many small projects being executed at the same time

PROPOSED PARTICIPATORY BUDGETING PROJECTS

2.4.6 AGRICULTURE, LIVESTOCK, FISHERIES AND IRRIGATION

The Agricultural Sector is the backbone of Taita Taveta County's economy and is the main means of livelihood for most of the citizens. Sustained agricultural growth remains critical in uplifting the living standards of our people as well as generating rapid economic growth, increase income and employment creation. The sector comprises of Agriculture, Livestock development, Veterinary services, fisheries development and Irrigation.

Vision

A county with sustainable and prosperous agriculture, livestock and fisheries and irrigation sector for increased incomes, employment creation and better standards of living.

Mission

To provide an enabling environment for the sustainable growth of agriculture, livestock and fisheries sector through appropriate policy environment, effective support services, appropriate innovations, linkages and sustainable natural resources management for increased productivity, socio-economic development and industrialization

PROPOSED PARTICIPATORY BUDGETING PROJECTS

AGRICULTURE

Programme 1: Crop Development and Management

Programme Objectives: To improve crops productivity for enhanced food security

2.4.7 WATER AND SANITATION

Vision

Provision of clean, safe and readily available water for all use.

Mission.

To facilitate sustainable management and development of water resources for the county.

Medium term Priorities (2019/20-2020/21)

Water development

- Increasing access to portable water in rural areas and urban centre's.
- Provision of water for livestock.
- Preparation of county water master plan.

Water Harvesting, Storage and Flood mitigation

- Manage storm water and convert it to useful water.

PROPOSED PARTICIPATORY BUDGETING PROJECTS

Programme 1: Water infrastructure and supply development.

Programme Objective: To ensure access to quality and affordable water for domestic and livestock use.

2.4.11 HEALTH SERVICES

Vision

A county with the highest level of quality healthcare for socio-economic productivity

Mission

To provide quality, accessible, affordable and sustainable preventive, curative, promotive and rehabilitative healthcare services in a responsive and accountable manner for the communities of Taita Taveta County.

Mandate

The mandate of this county department is derived from its policy objective, which include but not limited to:

- a. Elimination of communicable conditions,
- b. Halting and reversing the rising burden on non-communicable condition
- c. Reducing burden of violence and injuries
- d. Providing essential health services
- e. Minimizing exposure to health risk factors
- f. Strengthen collaboration with health related sectors.

	system	an employee management system					
HQ	Succession management strategy	Develop a succession management strategy	3 million	One year	Strategy in place	One	County

Sub-Programme 2: Institutionalize performance management

Location/Ward	Project Name	Description of Activities	Estimated Cost	Expected Time Frame	Performance Indicators	Target
HQ	Institutionalization of Performance Contracting in the County Public Service	Identification of performance targets, negotiation and vetting of Performance Contracts, Signing of performance contracts, implementation and cascading of performance contracts	4 million	One year	Performance contract documents signed, quarterly and annual reports documented	All County departments

Programme 2: Devolved Governance Structure

Sub Programme 1: Construction and Establishment of Administrators Offices

Location/Ward	Project Name	Description of Activities	Estimated Cost	Expected Time Frame	Performance Indicators	Target	Source of Funding
	Develop Ward Administrator's offices	Construct and Equip model Ward Administrator's offices	100 million	One year	Completion certificate, occupation certificate equipment installed	20	County Government
Voi	Develop Sub County Offices	Construct Sub County Office	30,000,000	One	Completion certificate, occupation certificate	1	County Government
	Establishment of Village Administration framework	Finalization of the Village Administration Legislation	3,000,000	One year	Passage of the Village Administration Act	1	County Government
	Operationalization of the Village Administration Act	Formation of Village Councils and appointment of Village Administrators, in line with County Village Administration Legislation	45,000,000	1 year	Number of village Councils Established Number of Village Administrators Appointed	101	County Government
	Capacity Building Village Councils and Village Administrators	Induction and training of Village Administrators and Village Councils	50,000,000	1 Year	Village Administrators and Councils trained	101	County Government

Sub-programme 2: Improved Coordination

Location/ Ward	Project Name	Description of Activities	Estimated Cost	Expected Time Frame	Performance Indicators	Target	Source of Funding
All Sub Counties	Operationalize Disaster management committees	Hold Disaster management committee meetings	300,000	1 year	Reports, Minutes of meetings, attendance lists	5	County Government
Voi and Taveta	Operationalization of towns	Appoint town committees in line with Urban Areas Cities Act	10,000,000	1 year	Appointment letters and training of the appointees		County Government
Taveta and Voi	Equip the towns	Procure Boardroom tables and chairs, Computers and Accessories	5,000,000	Quarterly	Reports	4	County Government
Three Sub Counties and Two Towns	Enhanced mobility	Procurement of five motor vehicles	30,000,000	1 year	Delivery notes, Inspection/Accepta nce Reports, Log Books	5	County Government

Programme 3: County Enforcement

Sub Programme 1: Enhance Enforcement and Compliance Activities

Location/Ward	Project Name	Description of Activities	Estimated Cost	Expected Time Frame	Performance Indicators	Target	Source of Funding
HQ	Development of County Inspectorate Legal framework	Follow up on the County Inspectorate Bill	3,000,000	1 year	County Inspectorate Act	1	County Government
HQ	Enhanced Mobility	Procure one procurement Vehicle for Enforcement unit	13,000,000	1 year	Delivery notes , Inspection and Acceptance report	Two	County Government
HQ	Enhanced mobility	Procure two motor cycles for enforcement unit	1,000,000	1 year	Delivery notes , Inspection and Acceptance report Insurance Riding gears	Four	County Government
Sub Counties	Conduct Compliance Inspections	Undertake spot check inspections for compliance purposes at Sub County level	500,000	One year	Inspection reports, charge sheets, bonds	12	County Government
HQ	Capacity Building	Recruitment and induction of Enforcement officers	6,553,600	1 year	Appointment letters, induction report, certificates	20	County Government
HQ	Conduct Training for Inspectorate and Enforcement Officers	Train Enforcement officers	2,000,000	6 months	Training reports, Certificates	10	County Government

Programme 4: Civic Education and Public Participation

Sub-Programme 1: Enhance Civic Education and Public Participation

Location/Ward	Project Name	Description of Activities	Estimated Cost	Expected Time Frame	Performance Indicators	Target	Source of Funding
All Wards	Civic Education forums	Conduct Civic Education forums	4,000,000	Quarterly	Reports attendance lists	80	County Government
All wards	Create a Social Media Platform	Mapping of followers	1,000,000	One year	Report of	200,000	County Government
HQ	Publish State of the County Reports	Develop and Print State of the County reports	2,000,000	Monthly	Printed reports and Newsletters	12	County Government

All Sub County	Conduct stakeholder meetings	Hold stakeholder meetings	1,000,000	Quarterly	Reports, Minutes, Attendance lists	4	County Government
All Wards	Conduct Social Accountability Training	Identify and train PMCs Conducting Social Audits	15,200,000	Monthly	Reports, Certificates, Minutes, Attendance lists, Number of Social Audit activities carried	512	County Government/Development partners
All Sub Counties and Wards	Town hall meetings, Ward Barazas	Conduct Town Hall meetings and ward Barazas	14,840,000	Monthly meeting	Reports, minutes, attendance lists	292	County Government

2.4.14 COUNTY ASSEMBLY

Vision

A transformative, visionary and people centred legislative authority that ensures sustainable development and prosperity of the County

Mission :To efficiently and effectively perform our legislative, oversight and representative mandate to fulfill the aspirations of the people of Taita Taveta

Summary of Achievements, Challenges and Emerging Issues

The County Assembly has been able to pass over 15 bill and motions touching on various developmental aspects within the County. It has also over seen the smooth transition and handing over from one regime to the other after the 2017 general elections. The assembly has however had to deal with delayed disbursement of funds from the National Treasury/ Exchequer and this has undermined the ability to carry out its mandates as inscribed in the Constitution of Kenya 2012 and the County Governments Act. The Assembly has also had to work with limited office space for staff as well as the members of the County Assembly

Projects Implementation/Progress

Ward	Project name	Description of activities	Amount	Start Date	Implementation status	Remarks
Wundanyi Mbale ward	Office Block Construction	Construction of the County Assembly office block	Kshs 65,000,000	2018/2019 Financial year	The project is currently 65% complete	There is need for more funds to finish construction of the one extra floor added to the building, equipping and furnishing of the office block

Proposed Strategic Programmes/Projects for FY 2020/2021

PROGRAMME 1:

General administration and Planning

Location/Ward	Project Name	Description of Activities	Estimated Cost	Expected Time Frame	Monitoring Indicators	Target
Wundanyi Mbale ward	Office Block Construction	Construction and equipping of the County Assembly office block	Kshs 70,000,000	2020/2021 (1 financial year)	Completion certificate, Bill of Quantities	Project to be Complete by December 2020

PROGRAMME 2:**Legislation and Oversight**

Location/Ward	Project Name	Description of Activities	Estimated Cost	Expected Time Frame	Monitoring Indicators	Target
To be determined by availability of land for the construction of the house	Speakers Official Residence	Purchase of land, construction and furnishing of the official speakers house	Kshs 35,000,000	1 financial year(2020 -2021)	C.R.A circular, Bill of quantity, completion certificate	Project to be Complete by June 2021
All 5 wards in Taveta Sub County	MCA ward Offices	Construction and equipping of ward offices for the members of county Assembly	Kshs 2,500,000 X 5 offices Kshs = Kshs 12,500,000	1 financial year(2020 -2021)	C.R.A circular, Bill of quantity, completion certificate	Project to be Complete by June 2022
