

REPUBLIC OF KENYA

**NYERI COUNTY INTEGRATED
DEVELOPMENT PLAN 2018- 2022**

Towards a Competitive and Prosperous County

FEBRUARY, 2018

COUNTY VISION AND MISSION

COUNTY VISION

A wealthy county with happy, healthy and secure people.

COUNTY MISSION

To create and sustain an environment that unlocks potential of the people of Nyeri to achieve progressive socio-economic growth by running an open government.

STRATEGIC OBJECTIVES

- Improve productivity in agriculture and overall food and nutrition security.
- Promote shared economic growth and job creation.
- Enhance good governance and active citizenry.
- Enhance basic infrastructure for effective service delivery.
- Promote sustainable use of natural resources.
- Improve financial sustainability and resilience.
- Provide accessible and quality health care services.
- Scale up institutional development, transformation and innovation.

CORE VALUES

- **Patriotism** - Our devotion to the county and its aspirations will be manifested in what we say and what we do.
- **Innovativeness** – We nurture and support creativity and the development of new ideas, products and processes in delivery of services.
- **Teamwork** We deliberately work together, collaboratively and across sectors to deliver services to the citizens of Nyeri and win their approval.
- **Integrity** - We are open, honest and trustworthy in dealing with all our stakeholders and especially the citizenry at all times.
- **Accountability** – We honor our commitments to our stakeholders by doing what we say we will do.

CHAPTER ONE	20
COUNTY GENERAL INFORMATION.....	20
1.0 INTRODUCTION	21
1.1. COUNTY OVERVIEW.....	21
1.2 POSITION AND SIZE	21
1.3 PHYSIOGRAPHIC AND NATURAL CONDITIONS	22
1.3.1 Physical and Topographic Features	22
1.3.2 Ecological Conditions.....	23
1.3.3 Climatic Conditions	23
1.4 ADMINISTRATIVE UNITS	23
1.4.1 Administrative Subdivisions.....	23
1.5 POLITICAL UNITS.....	25
1.5.1 Eligible and Registered Voters by Constituency.....	25
1.6 DEMOGRAPHIC FEATURES.....	26
1.6.1 Population Size and Composition.....	26
1.6.2 Urban Population	27
1.6.3 Population Density and Distribution	28
1.6.4 Population of persons with disabilities	29
1.6.5 Demographic Dividend.....	29
1.7 HUMAN DEVELOPMENT APPROACH.....	30
1.7.1 Human Development Index.....	30
1.8 INFRASTRUCTURE DEVELOPMENT	31
1.8.1 Road, Rail Network, Airports and Airstrips.....	31
1.8.2 Information Communications and Technology.....	31
1.8.3 Energy access	32
1.8.4 Housing.....	32
1.9 LAND AND LAND USE	32
1.9.1 Land ownership categories/ classifications	32
1.9.2 Mean holding size	32
1.9.3 Percentage of Land with Title Deeds.....	32
1.9.4 Incidences of Landlessness	33
1.9.5 Settlement Patterns	33
1.9.6 Type and Size of Land.....	33
1.10 EMPLOYMENT	33

1.10.1	Wage earners.....	33
1.10.2	Self-employed.....	33
1.10.3	Labour force.....	33
1.10.4	Unemployment levels.....	34
1.11	IRRIGATION INFRASTRUCTURE AND SCHEMES.....	34
1.11.1	Irrigation potential.....	34
1.11.2	Irrigation schemes.....	34
1.12	CROP, LIVESTOCK, FISH PRODUCTION AND VALUE ADDITION.....	34
1.12.1	Main crops produced.....	34
1.12.2	Acreage under food and cash crops.....	34
1.12.3	Average farm sizes.....	35
1.12.4	Main storage facilities.....	35
1.12.5	Agriculture extension, training, research and information services.....	35
1.12.6	Main livestock breeds and facilities.....	35
1.12.7	Main fishing activities, types of fish produced, landing sites.....	36
1.12.8	Apiculture (bee keeping).....	36
1.13	OIL AND OTHER MINERAL RESOURCES.....	36
1.13.1	Mineral potential.....	36
1.13.2	Ongoing mining and extraction activities.....	36
1.14	TOURISM AND WILDLIFE.....	36
1.14.1	Main tourist attractions and activities.....	36
1.14.2	Classified / Major Hotels.....	37

GLOSSARY OF COMMONLY USED TERMS

County Integrated Development Plan (CIDP): The County Government's five-year master plan for the county's economic, social, environmental, legal and spatial development to meet the service and infrastructural needs and its own targets for the benefit of all local communities.

Monitoring, Evaluation and Reporting Framework: The policy and operational context and process of ensuring policy priorities and intentions are delivered and/or are being delivered as intended, as measured against clearly defined performance indicators.

Programme: A grouping of similar projects and/or services performed by a Ministry or Department to achieve a specific objective; The Programmes must be mapped to strategic objectives.

Project: A project is a set of coordinated activities implemented to meet specific objectives within defined time, cost and performance parameters. Projects aimed at achieving a common goal form a programme.

Public Participation/Consultation: is a democratic process of engaging people in thinking, deciding, planning, and playing an active part in the development and operation of services that affect their lives.

Flagship/Transformative Projects: These are projects with high impact in terms of employment creation, increasing county competitiveness, revenue generation among others. They be derived from the Vision 2030 or may be from County Specific Transformative Agenda

Demographic Dividend: The accelerated economic growth that is achieved through a reduction in the population growth rate coupled with strategic investments in the health, education, and economic opportunities for the population.

Output: The products, capital goods and services which results from an organization/ institution/ agency operation

Monitoring: A continuing function that uses the systematic collection of data on specified indicators to inform management and the main stakeholders of an ongoing organization operation of the extent of progress and achievement of results in the use of allocated funds.

Indicator: Quantitative and qualitative factor or variable that provides a simple and reliable means to measure achievement or to reflect the changes connected to an organization's operations.

Evaluation: The systematic and objective assessment of an on-going or completed operation, programme or policy, its design, implementation and results. The main objective is to determine the relevance and fulfillment of objectives, as well as efficiency, effectiveness, impact and sustainability.

Green Economy: The green economy is defined as an economy that aims at reducing environmental risks and ecological scarcities, and that aims for sustainable development without degrading the environment.

Impact: Positive and negative, intended or unintended long-term results produced by an organization operation, either directly or indirectly. Relates to the goal level of the log frame hierarchy.

Stakeholders: Agencies, organizations, groups or individuals who have a direct or indirect interest in the operation, or its evaluation.

Sustainability: The continuation of benefits from an intervention after major assistance has been completed.

Outcome: The medium-term results of an operation's output. Relates to the purpose level of the log frame hierarchy

FOREWORD

Chapter eleven of the Constitution of Kenya, 2010, provides for devolvement of key government functions to the county level. In particular, the fourth Schedule of the constitution, clearly sets out the distribution of functions between the National Government and the County Governments. Article 220 (2) (a) of the constitution places a key responsibility on the National Government in terms of prescription of the structure of the county development plans and budget. Amongst the enabling pieces of legislation contemplated in article 220(2) (a) is the County Government Act, 2012 where in Section 108 envisions a five-year County Integrated Development Plan with clear goals and objectives; an implementation plan with clear outcomes; provisions for monitoring and evaluation; and clear reporting mechanisms. It's against this backdrop that my Government presents the second generation County Integrated development plan for the plan period 2018-2022.

The second Nyeri County Integrated Development Plan (CIDP) 2018-2022, was prepared to guide planning and budgeting at county level. It is also the key component of the County Performance Management Framework (CPMF) that incorporates the development priorities that my Government will pursue in the next 5 years.

The CIDP provides an integrated development planning framework to enhance linkage between policy, planning and budgeting. The CIDP is expected to contribute to the realization of aspirations of Kenya Vision 2030 and its Medium Term Plans and Sustainable Development Goals (SDGs) at the county level. The second CIDP will build on the achievements of the first CIDP which was implemented in the period 2013 to 2017.

This CIDP articulates my government's priorities and outlines the policies, programmes and projects which the county government intends to implement during the five years from 2018 to 2022 in order to improve health care provision, food security, road network and the living standard of the residents of the County as well as job creation, especially for the youth. It has also internalized President Kenyatta's Four Big Agenda of his Government's second term which is anchored on enhancing and accelerating food security, manufacturing, universal health care and affordable housing. The main

objective of CIDP 2018-2018 is to transform lives of the county residents by harnessing the diverse socio-economic opportunities available for exploitation.

The CIDP was prepared through an inclusive and wide consultative process in conformity with the Constitution of Kenya and other guiding legislations. The programmes and projects contained in the CIDP and priorities were set out in consultation with all stakeholders to address the development challenges faced by the community. The Nyeri CIDP, during its preparation was aligned to national plans notably the Kenya Vision 2030, Medium Term Plan III, of Vision, 2030 and the National Spatial Plan. The CIDP has, in addition, been aligned to international commitments and specifically the SDGs.

The implementation of this plan requires the support of all: the political leadership including the County Assembly of Nyeri, the residents of Nyeri County, development partners, the private sector and all stakeholders. Its implementation will improve service delivery and generate economic growth necessary for job creation and the improvement of living standards of our people.

I would like to thank all stakeholders led by the people of Nyeri County for their contribution in the development of this Plan. I particularly commend the Executive and the Honorable Members of the County Assembly of Nyeri County for their continued dedication and commitment to providing quality services to the people.

I call upon all the stakeholders to join hands in the implementation of this Plan and work hard to realise our aspirations as the residents of Nyeri County. Finally, it is my humble appeal to all friends of Nyeri County to support these initiatives to uplift the livelihoods and wellbeing of our people.

Hon. Edward Kahiga Mutahi,
The Governor,
County Government of Nyeri

ACKNOWLEDGEMENT

The development of this plan was realized through concerted efforts and an all-inclusive consultative process bringing on board all stakeholders within and outside the County. Among the players who have shaped this plan are; county government institutions, national government entities, Members of the County Assembly, members of the public from all the thirty electoral wards, development partners working in the county and the business community. The preparation and completion of this plan would not have been realized without support and leadership provided by H.E the Governor Edward Mutahi Kahiga. We enormously benefited from his invaluable input and transformative vision for the county.

The contribution and tireless guidance and insights offered by Executive Committee Members namely; Dr. Kwai Wanjaria (Lands and Physical Planning), Dr. Racheal Kamau (Health), Muthui Kariuki (Roads and Infrastructure), Kendi Tarichia (Trade, Cooperatives and Tourism), Fredrick Kinyua (Water, Sanitation and Environment), Margaret Macharia (Education and ICT), Henry Kinyua (Agriculture and Livestock Development) and Beth Karimi (Public Service Management) is highly appreciated. Special recognition goes to the County Chief Officer for Economic Planning, Budgeting, Monitoring and Evaluation, Francis Kirira, for tirelessly leading the process. I am indebted to the County Secretary, Benjamin Gachichio, Chief of Staff, Paul Wambugu and the Head of Performance management Mr. Samuel Nyingi for their immeasurable support and guidance through-out the process.

I cannot forget the entire staff of my Department of Finance and Economic Planning for their commitment and dedication throughout the entire process. Special thanks goes to the Chief Officer Finance and Accounting, John Ngugi and the technical officers in the Economic Planning Unit, namely Chris Gathogo, Gibson Mwangi and Dennis Kariuki for their technical expertise in socio-economic analysis, coordination and report writing skills which were significant in having a quality plan.

My appreciation, further, goes to the County Chief Officers and technical Directors in various departments for their provision of the information/data required and in development of the county

strategic priorities and in designing programmes and projects for the period 2018-2022. We are also grateful to the State Department of Planning and the Council of Governors (COG) for preparing the guidelines that were instrumental in the preparation of this Plan and the support in final editing. To our development partner namely, United Nations Development Programme (UNDP) your technical and financial support is highly appreciated.

We are thankful for the role played by the Speaker, Hon. John Kaguchia, the Clerk, Mr. Jenard Muiggeh and all the Members of the County Assembly in making the approval and the public participation process a great success. We also thank the people of Nyeri whom without their insatiable desire for quality, efficient and effective service delivery this plan would not have been realized.

Finally, to all those who were involved and have not been mentioned by name, we salute you as we acknowledge that the greater challenge lies in the actual implementation of this Plan. We call on you to continue with the same support as we deliver the programs and projects documented herein, aimed at improving the quality of life for our county residents

Mr. Robert Thuo Mwangi
County Executive Committee Member,
Finance and Economic Planning.

EXECUTIVE SUMMARY

The CIDP 2018-2022 is the second CIDP for Nyeri County, following the successful implementation of the first CIDP (2013-2017). This CIDP incorporates lessons learned during the implementation of the first CIDP. It is also linked to the national and international development agenda. The CIDP is a product of broad-based consultation among diverse stakeholders beginning with national and county government entities, NGOs, the corporate sector, professional bodies, and farmers' groups among others. Stakeholders brought up diverse views and expertise which was an integral in coming-up with priority programmes and projects for the period 2018-2022.

The CIDP 2018-2022 is divided into 6 chapters: - Chapter one gives the background information on the socio-economic and infrastructural information that has a bearing on the development of the county. The chapter provides a description of the county in terms of the location, size, physiographic and natural conditions, demographic profiles as well as the administrative and political units. In addition, it provides information on demographic features, Road network; information and communication technology; energy access; housing; land and land use; employment ;irrigation infrastructure and schemes; crops, livestock, fish production and value addition; mineral potential; tourism and wildlife; industry and trade; main forest products; Financial services; environment and climate change; water and sanitation; Health access and nutrition;, education, skills, literacy and infrastructure museums, heritage and cultural sites; community organizations/non-state actors; corporative societies; security and law and order and social protection.

The County is located in the central region of the country and covers an area of 3,337.2 Km². It is situated between longitudes 36⁰38'' east and 37⁰20'' east and between the equator and latitude 0⁰ 38⁰ south. It borders Laikipia County to the north, Kirinyaga County to the east, Murang'a County to the south, Nyandarua County to the west and Meru County to the northeast.

The County is divided into 6 Constituencies, 8 administrative subcounties and 30 wards. Further, the county has 21 divisions, 69 locations and 256 sub locations constituting the administrative sub-units of the National Government.

The county population during the Kenya Population and Housing Census of 2009 stood at 693,558, but is currently (2018) projected to be 845,863 comprising of 414,329 males and 431,535 female representing a ratio of almost 1:1. The population is projected to increase to 923,819 by 2022.

Majority of the people in Nyeri County are from the Kikuyu Community most of whom are predominantly farmers growing tea and coffee as cash crops alongside food crops such as maize, beans, assorted vegetables and sweet potatoes. Further, the County lies between Mount Kenya and the Aberdare ranges with agriculture as the main economic activity. It is also renowned for horticultural farming. Other agricultural activities which act as a source of income include dairy farming and aquaculture. There are also a number of light industries, tea and coffee factories providing a market and employment to the residents.

Chapter Two Provides the linkage of the CIDP with other development plans and legislations such as the Kenya Vision 2030, the Medium Term Plans, National spatial plan, Sustainable Development Goals (SDGs), the Constitution of Kenya, 2010, Integrated Green Economy implementation programme, African Agenda 2063 among others. The CIDP 2018- 2022 has taken cognizance of vision 2030 and MTP 3 provisions in coming up with proposals, strategies and intervention for accelerated socio-economic development. Further the CIDP 2018- 2022 rides on major national flagship projects as well as other national policy implementation within the Country in order to benefit from positive externalities. The CIDP also take into consideration the national spatial plan framework which aims to harmonize development in the Country.

Chapter three presents a review of the implementation of the previous CIDP (2013-2017). It gives a summary of key achievements and challenges per sector and lessons learned. Some of the Key lessons learnt were: need for increased funding to implement the programmes and projects as outlined in the county development plan; this calls for increased mobilization of resources; Need for enhanced Monitoring and Evaluation (M&E) to ensure effective tracking of programme implementation and the need to leverage on technology.

Chapter Four outlines the County Development Priority Programs that are envisaged to be implemented over a period of five years. Some of the identified priority programmes are: Development of a county spatial plan, equipping health facilities, improving agriculture by upscaling input subsidy, acquisition of more agricultural farm machinery and equipment, Value addition of agricultural outputs and improving market access, improved animal genetics and vaccine administration, constructing new roads, maintaining and upgrading existing ones across the county, water resource management, Construction of dams, water pans and drilling boreholes, Improve

sewerage and sanitation systems ,Construction and rehabilitation of early child development centers, technical and vocational training centers, promoting and developing sporting activities across the county, Tourism promotion and marketing ,promoting our rich cultural heritage and art, mainstreaming gender and youth affairs in socio –economic development ,support for SMEs among others.

Chapter Five Gives an overview on the CIDP implementation framework. The chapter also discusses the framework which includes institutions responsible for the actualization of the plan, resource requirements and how they will be mobilization.

Chapter six outlines the implementation, monitoring and evaluation framework for all the projects. It provides details, in a matrix format, of the implementation plans, measurable performance indicators and monitoring and evaluation strategies.

CHAPTER ONE

COUNTY GENERAL INFORMATION

1.0 INTRODUCTION

This chapter gives the background information on the socio-economic and infrastructural aspects that has a bearing on the development of the county. The chapter provides a description of the county in terms of the location, size, physiographic and natural conditions, demographic profiles as well as the administrative and political units. In addition, it provides information on human development approach; infrastructural development; land and land use; employment; irrigation infrastructure and schemes; crop, livestock, fish production and value addition; mineral resources; tourism and wildlife; industry and trade; financial services; forestry, agro-forestry and value addition; environment and climate change; water and sanitation; health access and nutrition; education skills, literacy and infrastructure; sports, culture and creative arts; community organizations/non-state actors; security, law and order.

1.1. County Overview

Nyeri County has a population of 845,863 (male - 49% and female - 51%), according to the projections by KNBS, 2018. Majority of the people living in Nyeri County are from the Kikuyu Community most of whom are predominantly farmers growing tea and coffee as cash crops alongside food crops such as maize, beans, assorted vegetables and sweet potatoes. Nyeri County plays host to all Kenyan communities who are mostly engaged in own businesses or employed by the government.

The County lies between Mount Kenya and the Aberdare ranges with agriculture as the main economic activity. The County is also renowned for horticultural farming. Other agricultural activities which act as a source of income include dairy farming and fish keeping. There are also a number of light industries, tea and coffee factories providing a market and employment to the residents.

The county is easily accessible by road from Nairobi and other neighbouring towns. It also has three airstrips namely Mweiga on the Nyeri-Nyahururu highway, Nyaribo on the Nanyuki-Nairobi highway about 15km from Nyeri town and the Nanyuki near Nanyuki Town. The County headquarters is located in Nyeri Town which is easily accessible from all the eight sub counties.

1.2 Position and Size

Nyeri County is one of the 47 counties in Kenya and is located in the central region of the country. It covers an area of 3,337.2 Km² and is situated between longitudes 36⁰38" east and 37⁰20" east and between the equator and latitude 0⁰ 38⁰ south. It borders Laikipia County to the north, Kirinyaga County to the east, Murang'a County to the south, Nyandarua County to the west and Meru County to the northeast.

Figure 1: Location of the County in Kenya

1.3 Physiographic and Natural Conditions

1.3.1 Physical and Topographic Features

The main physical features of the county are Mount Kenya (5,199m) to the east and the Aberdare ranges (3,999m) to the west. The western part of the county is flat, whereas further southwards, the topography is characterized by steep ridges and valleys, with a few hills such as Karima, Nyeri and Tumutumumu. These hills affect the pattern of rainfall, thus influencing the mode of agricultural production in some areas.

The major rivers found in the county are Sagana, Ragati, Chania, Gura and Nairobi. If well tapped, these rivers and the numerous streams will make the county self-sufficient in surface and sub-surface water resources for domestic, agriculture and industrial development.

1.3.2 Ecological Conditions

The county has two forest eco-systems, namely Aberdare and Mt. Kenya. The county also has other isolated forested hills under the management of County Government such as Karima and Tumutumu. Apart from being a source of traditional forest products such as timber, fuel, fodder, herbal medicine among others, these forests play vital roles which include; maintenance of water cycle, wildlife habitat and are also repository of a wide range of biodiversity. Since soil conditions in the county are almost similar, agricultural productivity is influenced by rainfall intensity and temperature conditions.

1.3.3 Climatic Conditions

The county experiences equatorial rainfall due to its location within the highland zone of Kenya. The long rains occur from March to May while the short rains are experienced in October to December, but occasionally this pattern is disrupted by abrupt and adverse changes in climatic conditions.

The annual rainfall ranges between 1,200mm-1,600mm during the long rains and 500mm-1,500mm during the short rains. In terms of altitude, the county lies between 3,076 meters and 5,199 meters above sea level and registers monthly mean temperature ranging from 12.8°C to 20.8°C.

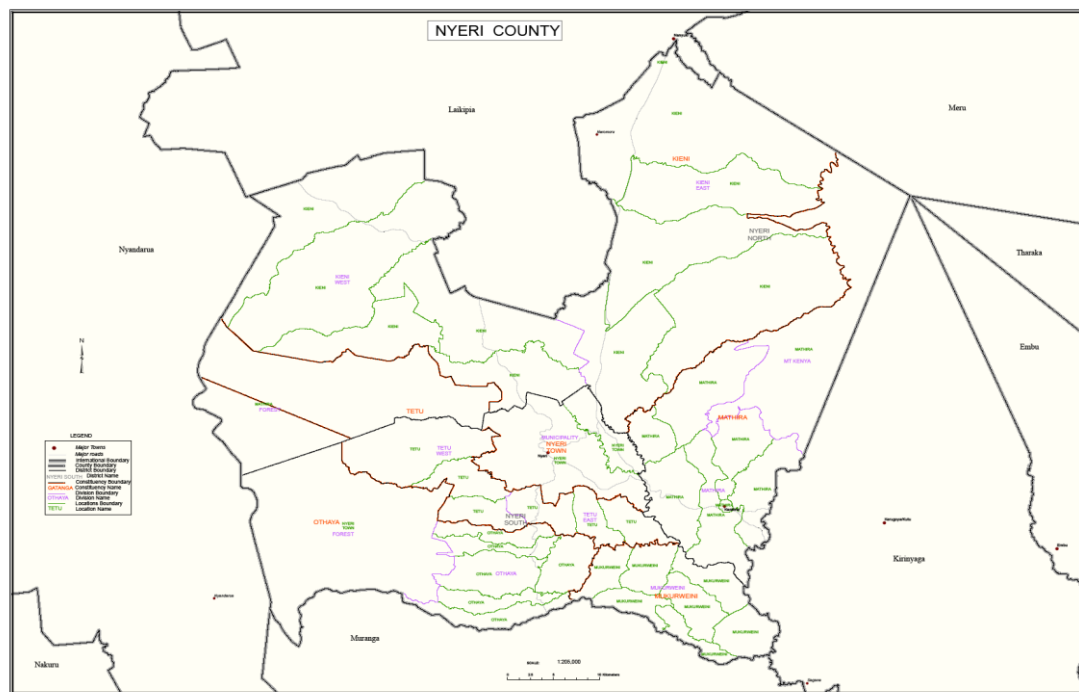

1.4 Administrative Units

Nyeri County is divided into various administrative units. The administrative units are crucial for the management and service delivery to the public.

1.4.1 Administrative Subdivisions

Nyeri County is divided into various administrative units. These units are the sub-counties, divisions, locations and sub-locations. This is illustrated by figure 2 and the table 1.

Figure 2: Nyeri County Administrative Boundaries

Source: Kenya National Bureau of Statistics, 2010

The county is divided into eight administrative sub counties namely; Kieni East, Kieni West, Mathira East, Mathira West, Nyeri Central, Mukurweini, Tetu and Nyeri South.

Table 1 shows the area of the county by sub-counties. The county is further subdivided into 21 divisions, 69 locations and 256 sub-locations

Table 1: Area of the County by Administrative Sub-Counties

Sub County	Area (Km ²)	Divisions	Locations	Sub-locations
Mathira East	131	4	13	44
Mathira West	165.6	3	8	31
Kieni West	623.3	2	6	26
Kieni East	817.1	2	12	33
Tetu	217.5	2	8	35
Mukurwe-ini	178.6	4	7	32
Nyeri Town	167.8	1	4	26
Othaya	174.5	3	11	29
TOTAL	*2,475.5	21	69	256

Source: County Commissioner’s Office, Nyeri, 2017

**The total area excludes Mt. Kenya and Aberdare Forests (861.7Km²)*

Kieni East Sub County is the largest with a land size of 817.1 Km² while Mathira East is the smallest with an area of 131 Km². Mathira East has got the highest number of locations and sub locations while Nyeri Town has got the least.

1.5 Political units

The Political units are represented by elected persons at the national and county level. Table 2 shows political units in the county divided into constituencies and electoral wards. It further shows the distribution of electoral wards by constituency.

Table 2: County Electoral Wards by Constituency

Constituency	Electoral wards	Administrative Sub county	Ward Names
Mathira	6	Mathira West	Ruguru, Kirimukuyu
		Mathira East	Iriaini, Karatina, Magutu, Konyu
Kieni	8	Kieni East	Gakawa, Naromoru/ Kiamathaga, Thegu River
		Kieni West	Gatarakwa, Mugunda, Endarasha/Mwiyogo, Mweiga
Tetu	3	Tetu	Aguthi/Gaaki, Dedan Kimathi, Wamagana
Mukurwe-ini	4	Mukurwe-ini	Rugi, Gikondi, Mukurwe-ini Central, Mukurwe-ini West
Nyeri town	5	Nyeri town	Kamakwa/Mukaro, Kiganjo/Mathari, Rware, Ruringu, Gatitu/Muruguru
Othaya	4	Othaya	Chinga, Mahiga, Iriaini, Karima
Total	30		

Source: Independent Electoral and Boundaries Commission, 2017

Kieni with eight wards has the highest number while Tetu with three has the lowest. This is majority attributed to the fact that Kieni is vast compared to other constituencies in the county.

1.5.1 Eligible and Registered Voters by Constituency

Table 3 shows the number of eligible and registered voters for the six constituencies in the county. It provides the figures as per the 2009 population and housing census and the projection for the year 2012 and 2017.

Table 3: Registered Vs. Eligible Voters by Constituency

Constituency	Eligible voters (2009)	Eligible voters 2012	Eligible voters 2017	Number of registered voters(2017)	Proportion of registered voters to the eligible (2017) (%)
Nyeri Town	55,605	78,857	94,053	82,860	88.1
Tetu	36,513	49,281	58,777	51,716	88.0
Othaya	40,734	53,898	64,284	58,566	91.1
Mukurwe-ini	39,129	51,084	60,928	55,310	90.8
Mathira	69,392	94,565	112,788	99,496	88.2
Kieni	81,963	104,016	124,060	109,001	87.9
County	323,336	431,701	514,890	456,949	88.7

Source: Independent Electoral and Boundaries Commission, 2017

There are a total of 514,890 eligible voters in the county out of whom only 456,949 are registered representing 88.7 per cent. Kieni and Tetu have the highest and the lowest number of registered voters respectively. There is need to intensify civic education to ensure all the eligible voters are registered to enable them to actively participate in the democratic process.

1.6 Demographic Features

1.6.1 Population Size and Composition

Table 4 provides information on the county population projections by age cohorts with 2009 as the base year. The figures are given at the interval of two years for ease of analysis and planning purposes.

Table 4 : Population Projections by Age Cohort

Age Cohort	2009 (Census)			2018 (Projections)			2020(Projections)			2022 (projections)		
	M	F	T	M	F	T	M	F	T	M	F	T

Source: Kenya National Bureau of Statistics, 2017

The population growth rate in the county is estimated at 2.2 per cent against the national average of 2.6 per cent. The county is estimated to have a population of 845,863 persons comprising of 414,329 males and 431,535 females in 2018 as projected from the 2009 population and housing census.

The highest and the lowest population for 2018 are the age cohort of 10-14 and 75-79 respectively. Ages 10-14 represent 11.4 per cent, while 75-79 comprise of just one per cent of the total population. Over 60 per cent of the population is below 30 years, portraying a youthful population which is more productive and thus the need to consider them in development activities.

Table 5 shows the population projection for selected age groups; under one year, under five years, 6-13 years, 14-17 years, 15-29 years, 15-49 years and 15-64 years.

Table 5: Population Projection for Selected Age Group

Age Group	2009			2018			2020			2022		
	M	F	T	M	F	T	M	F	T	M	F	T

Source: Kenya National Bureau of Statistics, 2017

Under 1: The population below the age of one will be growing at a very low rate increasing insignificantly from 18,865 in 2018 to 20,603 by 2022, thus pressure on the county to provide for this age group will be minimal.

Age group 6 – 13: This is the primary school going age. This group is projected to increase to 154,690 by 2018 and is expected to rise to 168,947 by 2022. This means that the number of pupils enrolled in primary school will increase and thus there is need to create conducive environment for learners.

Age group 14 – 17: This is the secondary school going age. A total population of 68,649 is estimated to be attending secondary school in 2018 out of which 48.8 per cent are female and 51.2 per cent are male. This number is expected to rise gradually to about 74,976 in 2022. There is need to provide conducive learning environment in terms of well-equipped libraries, laboratories and other critical amenities.

Age group 15 – 49: This group comprises of the female reproductive age which is considered as critical for planning in the county. The total population of 180,482 in 2009 is projected to rise to 220,116 by 2018 and to 240,402 by 2022. With a total fertility rate of 3.8, which is lower than the national average of five, implies there is good uptake of family planning services in the county.

Age group 15 – 64 (Labour force): This is the productive population of the county. There is a projected total labour force of 505,140 persons comprising of 48.8 per cent males and 51.2 per cent females of the total population in 2018. This number is expected to rise to 551,694 in 2022. There are more female than male in this category. There is need for affirmative action in employment and also increased availability of credit facility and financial literacy for women and youth to establish small and micro enterprises.

A large proportion of this population mainly between 15 – 24 years consisting of 30.9 per cent of the labour force is either in secondary schools or at the tertiary level. The bulk of the labour force is either unskilled or semi – skilled and is mainly engaged in agricultural activities and there is need to equip and employ instructors for the youth polytechnics and other training institutes to impart the youth with necessary and marketable skills.

1.6.2 Urban Population

There is only one town in the county and five major urban centers. Table 6 shows the population distribution by urban centers as projected from the 2009 census report.

Table 6: Population Projections by Urban Centre

Urban Centre	2009			2018			2020			2022		
	Male	Female	Total	Male	Female	Total	Male	Female	Total	Male	Female	Total
Nyeri Town	31,885	31,741	63,626	38,887	38,711	77,598	40,641	40,457	81,098	42,471	42,279	84,750
Karatina	3,594	4,634	8,228	4,383	5,652	10,035	4,581	5,906	10,487	4,787	6,172	10,960

Naromoru	2,965	2,840	5,805	3,616	3,464	7,080	3,779	3,620	7,399	3,949	3,783	7,732
Endarasha	1,429	1,620	3,049	1,743	1,976	3,719	1,821	2,065	3,886	1,903	2,158	4,061
Mweiga	1,698	1,885	3,583	2,071	2,299	4,370	2,164	2,403	4,567	2,262	2,511	4,773
Othaya	2,385	2,752	5,137	2,909	3,356	6,265	3,040	3,508	6,548	3,177	3,666	6,842
TOTAL	43,956	45,472	89,428	53,609	55,458	109,066	56,026	57,959	113,985	58,549	60,569	119,118

Source: Kenya National Bureau of Statistics, 2017.

Nyeri Town has the highest population while Endarasha has the lowest. Karatina urban center has a higher number of people during the day because of people moving in for business activities; and is expected to have a projected population of 10,960 persons by the year 2022. There is need for involvement of the department of physical planning in planning of urban centres and enhancement of service delivery especially solid waste management, provision of water and sewer services. Establishment of farm produce processing plants and cottage industries in other urban centers will curb migration to Nyeri Town and other major urban areas.

1.6.3 Population Density and Distribution

Generally, there are two types of settlements in the county; clustered and scattered. Clustered settlement patterns are mainly found around urban centres and horticulture producing areas. Scattered settlement patterns are mainly found in Kieni Sub County which is semi-arid. This is mainly due to ecological factors since most people usually settle in fertile lands with adequate and reliable rainfall.

Table 7 shows population distribution and density by sub- County. It provides the data for 2009 census and projections up to the year 2022. The density is largely determined by the type of settlement in a particular sub county.

Table 7: Population Distribution and Density by Sub- Counties

Sub- County	2009		2018		2020		2022	
	Pop	Density (per Km ²)	pop	Density (per Km ²)	Pop	Density (per Km ²)	Pop	Density (per Km ²)
Tetu	78320	360	95,519	439	99,827	459	104,322	480

County	693558	280	845,863	342	884,009	357	923,819	373

Source: Kenya National Bureau of Statistics, 2017

As indicated in Table 7, majority of the population is found in the high potential areas of Mathira, Othaya, Nyeri Town and parts of Mukurwe-ini. This calls for massive investment in the social and physical infrastructure to support the high population in these areas. The low land areas of Kieni with low rainfall have lower population densities; the focus here will be on irrigated agriculture to support food security in the region. The population density for Nyeri County was 280 in 2009 and is projected to reach 342 in 2018 rising up to 373 by the year 2022. Table 8 shows the population projections by sub-county.

Table 8: Population Projections by Sub County

Sub County	2009			2018			2020			2022		
	Male	Female	Total	Male	Female	Total	Male	Female	Total	Male	Female	Total
Tetu	37,773	40,547	78,320	46,068	49,451	95,519	48,145	51,681	99,827	50,314	54,009	104,322
Kieni	88,270	87,542	175,812	107,654	106,766	214,420	112,509	111,581	224,090	117,576	116,606	234,182
Mathira	71,851	76,996	148,847	87,629	93,904	181,534	91,581	98,139	189,720	95,706	102,559	198,264
Mukurwe-ini	40,382	43,550	83,932	49,250	53,114	102,363	51,471	55,509	106,980	53,789	58,009	111,797

Source: Kenya National Bureau of Statistics, 2017

Kieni Sub County has the highest population, followed by Mathira Sub County. The Sub County with the lowest population is Tetu according to 2009 census. In 2022, the expected population for Kieni is projected to be 234,182 and for Tetu will be 104,322. Across the sub counties, the numbers of females are marginally higher than males. It is projected that the total population will be 923,819 by 2022.

1.6.4 Population of persons with disabilities

1.6.5 Demographic Dividend

Demographic dividend refers to the temporary opportunity to achieve a sustained faster economic development resulting from a decline in the fertility levels, a huge population of young persons, and strategic investments in health, education, economic, and governance sectors. This means that for a county to achieve a demographic dividend, the dependency ratio must decline over time while the number of workers increases. With the increasing number of workers who are healthy, educated, skilled, and have adequate income and employment opportunities, then Nyeri County has the opportunity to increase its wealth and improve the quality of life for its citizens.

Table 10: County Demographic Dividend Potential

Category	2009*	2017(KNBS)	2018	2022	2030
Population Size	693,558	814,205	845,863	923,819	1,006,605
Population below 15 (%)	33.8%	33.8%	33.8%	33.8%	33.8%
Population 15-64 (%)	53.4%	53.4%	53.4%	53.4%	53.4%
Population above 65 (%)	3.5%	3.5%	3.5%	3.5%	3.5%
Dependency ratio	100:51	100:51	100:51	100:51	100:51
Fertility rate	3.8%	3.8%	3.8%	3.8%	3.8%

1.7 Human Development Approach

The Human Development Approach focuses on human development for every one now and in future. It starts with an account of the hopes and challenges of today’s world, envisioning where humanity wants to go. Human development progress over the past 25 years has been impressive on many fronts. But the gains have not been universal. There are imbalances across countries; socioeconomic, ethnic and racial groups; urban and rural areas; and women and men. Millions of people are unable to reach their full potential in life because they suffer deprivations in multiple dimensions of human development.

The approach identifies the national policies and key strategies to ensure that every human being achieves at least basic human development and to sustain and protect the gains. It addresses the structural challenges of global institutions and presents options for reform. These policies and key strategies are compiled into a workable document known as Human Development Report (HDR). The latest HDR is of 2016 and introduces two experimental dashboards on life course on gender gap and on sustainable development. The County and other development stakeholders are encouraged to explore the issues raised in the HDR with the most relevant and appropriate data from national and international sources.

1.7.1 Human Development Index

The HDI is a summary measure for assessing progress in three basic dimensions of human development: a long and healthy life, access to knowledge and a decent standard of living.

Kenya’s HDI value for 2015 was 0.555—which put the country in the medium human development category—positioning it at 146 out of 188 countries and territories. Between 1990 and 2015, Kenya’s HDI value increased from 0.473 to 0.555, an increase of 17.3 percent. Table 9 below reviews Kenya’s progress in each of the HDI indicators. Between 1990 and 2015, Kenya’s life expectancy at birth increased by 3.4 years, mean years of schooling increased by 2.6 years and expected years of schooling increased by 2.0 years. Kenya’s GNI per capita increased by about 26.0 percent between 1990 and 2015.

Table 11: Kenya’s HDI trends based on consistent time series data

Year	Life expectancy at birth	Expected years of schooling	Mean years of schooling	GNI per capita(2011 PPP\$)	HDI value
1990	58.8	9.1	3.7	2,287	0.473
1995	54.5	8.7	4.5	2,130	0.459
2000	50.8	8.4	5.3	2,138	0.447
2005	53.6	9.7	5.8	2,267	0.483
2010	58.8	11.1	6.1	2,529	0.53
2011	59.6	11.1	6.2	2,623	0.536
2012	60.3	11.1	6.2	2,662	0.541
2013	61	11.1	6.3	2,733	0.546
2014	61.6	11.1	6.3	2,800	0.55
2015	62.2	11.1	6.3	2,881	0.555

The HDI emphasizes that people and their capabilities should be the ultimate criteria for assessing the development of a country and not economic growth alone since two countries/regions with the same level of GNI per capita can end up with such different human development outcomes. Improving equity in gender issues and reducing gender disparities will benefit all sectors and thus contribute to sustainable economic growth, poverty reduction and social injustices.

1.8 Infrastructure Development

1.8.1 Road, Rail Network, Airports and Airstrips

The county has 3,092.73 Km of classified roads with 478.25 Km of bitumen, 2,492.85 Km gravel and 121.63 Km earth surface. The table below shows the categories of various roads by surface type since 2013 to date.

Table 12: Category of Road Surface by Type

Category of Road Surface by Type	2013(Km)	2014(Km)	2015(Km)	2016(Km)	2017(Km)
Bitumen	450	450	450	450	478.25
Gravel/Murram	1,390.59	1,619.97	1,871.95	2,332.20	2,492.85
Earth	1,252.14	1,022.76	770.78	310.53	121.63
TOTAL	3,092.73	3,092.73	3,092.73	3,092.73	3092.73

Source: County department of Transport, Public works, Infrastructure and Communication, 2017

In order for the roads to be fully utilized, bridges and culverts have been constructed at various crossing points. The county has three airstrips i.e Mweiga, Nyaribo and Nanyuki. There are three railway stations which are not functional at Karatina, Kiganjo and Narumoro.

1.8.2 Information Communications and Technology

The county is fairly developed as a result of the advent of mobile telephony and internet hubs in the urban centers. The mobile phone coverage stands at 91 per cent and there are 384 cyber cafes. This has greatly revolutionized the way people communicate and improved efficiency in service delivery. There exist six Post Offices, 19 sub-post offices and 25 licensed stamp vendors. However, Post office faces stiff competition from 30 private courier services mainly G4S, Wells Fargo, 2NK Sacco, 4NTE etc.

Both Private institutions and Government departments have embraced the use of modern methods of communication through E-Government services by use of E-Mail and mobile phone technology. The county is expected to grow fast after connection of a fibre optic cable, which will greatly revolutionize communication and information sharing.

1.8.3 Energy access

The county has a total of 208 trading centers and 214 secondary schools connected with electricity. There are also 150 health facilities connected with electricity. The table below shows the electricity connectivity within the county.

Table 13: Electricity connectivity within the county

Category	2013	2015	2017
No. trading centres connected with electricity	112	208	208
No. of Health facilities connected with electricity	51	141	150
No. of secondary schools connected with electricity	170	214	214
No. of Primary schools connected with electricity		371	371
No. of Kilometers of street lighting	12	42	57
No. of High mast lighting	15	55	55
No. of households connected with electricity	52,263	86,000	

Source: County Department of Energy, 2017

1.8.4 Housing

The main types of houses in the county are permanent or semi-permanent which are individual, national and county government-owned. The cost of construction is very prohibitive leading to the presence of informal settlements among the low income earners in the county. There is need to sensitize the public and investors on alternative and cheap building materials to address the challenges of housing in the county.

1.9 Land and Land use

1.9.1 Land ownership categories/ classifications

Most of the land in the county is owned by individuals as freehold and mainly where subsistence farming practiced. The gazetted forest cover 26 percent of the county land surface while the county and national governments own few tracks of land where offices and social facilities and infrastructure are located.

1.9.2 Mean holding size

The county has a total area of 987.5 Km² and 758.5 Km² of arable and non-arable land respectively. The larger part of the arable land is used for food crop while the rest is used for cash crop farming, livestock rearing and farm forestry. The mean holding size is one hectare for majority of the small holders.

1.9.3 Percentage of Land with Title Deeds

Over 85 per cent of farmers have title deeds as adjudication started early after independence. The main reason for lack of the title deeds by some farmers is domestic wrangles while other landowners

in settlement schemes have never been issued with title deeds. There are many colonial villages where the government will continue to plan and issue titles deeds.

1.9.4 Incidences of Landlessness

From the year 2013, the county has embarked on planning of colonial villages. Thunguma, Rititi, Kiamwathi, Miiri, Ihwagi, Gitero, Gikomo / (mweiga), Gitathini, Chorongi, Kiarihiu and Kariki Villages have been surveyed and the exercise will extend to other areas. The county has also issued 269 title deeds for Gatitu, Gitero, Riamukurwe, Muruguru, Kihuyo and Ithenguri villages to create ownership and reduce cases of landlessness.

1.9.5 Settlement Patterns

There are two types of settlements in the county; clustered and scattered. Clustered settlement patterns are mainly found around towns and horticulture producing areas. Scattered settlement patterns are mainly found in Kieni which is semi-arid and were formally colonial settlement area. Apart from the major towns the county has witnessed ribbon type of development along the major highways which possess a challenge in service delivery especially in waste management as the centres are poorly planned. Such urban centres include Kiawara, Chaka, and Nairutia among many others.

1.9.6 Type and Size of Land

The type of land in the County is either freehold in rural areas or lease holding in major urban centres. The small size land holding size is approximately one hectare, who are the majority, while the large is about four hectares. The county has a total area of 987.5 Km² and 758.5 Km² of arable and non-arable land respectively. The larger part of the arable land is used for food crop while the rest is used for cash crop farming, livestock rearing and farm forestry.

1.10 Employment

1.10.1 Wage earners

In the county, 92,205 persons are wage earners thus contributing 24 per cent of the household income. They are mainly employed by the national and county governments, learning institutions and the business community.

1.10.2 Self-employed

Rural self-employed persons in the county are 15,368 contributing 4 per cent of household income while urban self-employed persons are 4,444 and contribute 13 per cent of the household income. The county will need to provide affordable credit for the establishment of micro enterprises to create more self-employment opportunities.

1.10.3 Labour force

By the end of 2018 the population aged between 15 and 64 years in the county is estimated at 505,141 comprising of 259,070 females and 246,072 males. This represents 59.7 per cent of the county population.

1.10.4 Unemployment levels

The unemployment level in the county is 17.5 per cent since out of the potential labor force of 421,298 persons, only 347,502 are employed. The dependency rate in the county therefore stands at 51 per cent of the total population. Apart from affordable credit, there is need of establishing cottage industries to add value on farm produce and hence create more employment.

1.11 Irrigation infrastructure and schemes

1.11.1 Irrigation potential

The current land under irrigation has challenges of water rationing and therefore agricultural production potential is not realized. To address this, there is a compressive plan to harness run off water experienced during rainy seasons either by excavating water pans, constructing dams or abstracting water from aquifers. Efficient water utilization technologies should be promoted and more land be put under irrigation.

Total area under irrigation in the county is estimated at 2600 Ha and the total no. of households practicing irrigation is 10,400. The irrigation potential in the county is 20,620 Ha from 87 irrigation schemes which will benefit 80,600 households.

1.11.2 Irrigation schemes

There are 22 No. complete irrigation schemes namely GuraUgaciku, Kamoko, Kiruma Minor, Kiandego, Gaithuri, Kiirungi, ThihaSagana, Gikondi, Thiha Micro, ThihaKiruka, Njengu, Ereri Kiremia, Lamuria, Watuka, Endarasha, NdiritiAguthi, Nairobi, Sagana, Muteithia, Kariithi, Kihuri and NdathiMbiriri.

The county has been implementing small holder irrigation schemes that are farmer managed, operated and owned.

1.12 Crop, Livestock, Fish Production and Value addition

1.12.1 Main crops produced

The main food crops grown in the county are maize, beans, irish potatoes and vegetables whereas the major cash crops are coffee, tea and horticulture. Tea is grown in the upper zone next to Aberdare's and the Mt. Kenya forest while coffee is grown in the lower region. Cut flowers are mainly grown in Kieni sub county where there are large land holding sizes.

1.12.2 Acreage under food and cash crops

Total area under food crop is 80,943 hectares while 18,521 hectares are under cash crop production. Food crops are mainly produced on small scale, which is due to the smallholding sizes as a result of population pressure. The area under cash crops is limited since economical production requires large parcels of land.

1.12.3 Average farm sizes

The average farm size is 0.7 hectares for small-scale farmers and 4 hectares for large-scale farmers. This is due to high population density though the farms are intensively utilized. Large-scale farms are mainly found in Kieni.

1.12.4 Main storage facilities

In the county, the main food storage facilities include; National Cereals and Produce Board in Kiganjo with a storage capacity of 100,000 metric tons; on farm storage granaries and in the farmers houses. Most farmers store their produce in their houses due to low production as a result of small parcels of land.

1.12.5 Agriculture extension, training, research and information services

The County has continued to offer extension services using different approaches such as farmer field schools, field days, group trainings, individual farm visits etc. Capacity building of both farmers and staff has been a priority and this has been done through residential courses and exchange tours. To enhance this the department has collaborated with research institutions such as KARLO Embu and ICIPE on farm trials for best agricultural husbandry practices. Demonstration plots have also been established for different technologies such as green house and drip irrigation. To enhance availability of clean planting materials, such as different types of fodders, sweet potato vines have been established in Kieni East, Kieni West, Mathira West and Wambugu ATC.

1.12.6 Main livestock breeds and facilities

The main livestock enterprise is dairy cattle. Other enterprises include poultry, pigs, goats, sheep and donkeys. The land carrying capacity (Livestock per hectare) is five. Bee keeping and other small stock such as rabbits; guinea pigs and quails are also on the increase.

Livestock	Breed
Dairy cattle	Friesian (53%) Ayrshire (32%), Guernsey (4%), Jersey (1%) and cross-breed 10%
Pigs	Large White and Landrace
Sheep	Choridles, Dorper, Small African red Maasai, Merino breeds and Hampshire dawn
Goats	Germany alpine, crosses of Saneen and Toggenburg
Poultry	Indigenous upgraded Rainbow rooster, Sasso, Kenbro and Kroiler

Livestock facilities

Sub County	Livestock markets	Holding grounds	Cattle dips (operating/ Total)	Spray races	Disease control crush pens	Agro/ veterinary shops	Hides and skins bandas	Poultry hatcheries	Artificial insemination bull station	Slaughter slab/house (operational/ total)
Nyeri central	0	0	1/19	1	45	51	7	3	0	4
Tetu	0	0	6/37	0	42	32	6	0	0	12
Mathira East	1	0	2/26	0	56	48	4	0	0	10
Mathira West	0	1	7/22	1	60	22	3	0	0	6

TOTAL	3	4	35/236	3	440	354	48	3	1	75/88

Source: Department of Agriculture, Livestock and Fisheries Development, 2017

1.12.7 Main fishing activities, types of fish produced, landing sites

The main fishing activities in the county are fish pond farming, dam and river line fisheries. There were a total of 2,343 households involved in the fishing activities with 2,488 fishponds, by the end of year 2016, spread across the county. The main fish species include tilapia, catfish, and trout.

	2013	2014	2015	2016	2017
No of farmers	2477	2513	2255	2343	1466
No of ponds	3011	2762	2519	2488	1531

1.12.8 Apiculture (bee keeping)

Bee hives in the county are categorized as shown in the table below.

Type of hive	No. of hives	No of farmers/groups
KTBH	9,360	5,067 farmers
Langstroth	3,076	1,956 farmers and 32 groups
Log hives	6,580	105 farmers
Others	226	7,128 farmer and 59 groups

1.13 Oil and Other Mineral Resources

1.13.1 Mineral potential

The county has not fully exploited its mining potential. There is a small ceramic processing plant in Mukurwe-ini sub-county which can be upgraded for optimum exploitation of the Kaoline deposits found at Rutune. The county should encourage investors to setup a factories to exploit the deposit fully.

1.13.2 Ongoing mining and extraction activities

The main mining activities are; clay,sand, aggregate, gravel and natural building stones mining in Mukurwe-ini ,Nyeri Town, Kieni East, Kieni West, and Mathira West Sub Counties. Gravel is the highest with 2.3 million tonnes mined per year and employing about 1,431 persons. Clay mining is the lowest at 2,555 tonnes employing 756 people.

1.14 Tourism and Wildlife

1.14.1 Main tourist attractions and activities

Nyeri County is a “hub of natural beauty” and a key player in the Central Tourism Circuit. The county is also endowed with the rich kikuyu culture. The County has increasingly become a popular destination for tourists to experience; cultural, adventure, agro, sport, education, business, leisure and religious tourism.

Mt. Kenya and the Aberdares ecosystems have rich historical heritage and diversity in flora and fauna. Mt. Kenya has perfect topography and magnificent scenic views of inter-locking spurs ideal for film and photography. Heritage sites in the County include: Paxtu cottage at the Outspan Hotel which also houses a scout museum, Baden Powell graves and historical gardens, Kimathi trench at Kahigaini,

Mau Mau caves in Naromoru, Italian war memorial church, Dedan Kimathi tree post office among other attractions.

1.14.2 Classified / Major Hotels

There are three 4-star, four 3-star and one 2-star tourist class hotels. Nyeri County also has wide range of high quality and affordable hotels, lodges, guest houses, homestays and Restaurants. The county is also the home to the treetops lodge (where the world famous Queen Elizabeth II ascended the aberdares as a Princess on 6th February, 1952 and descended as a Queen upon the death of her father King George IV).

1.14.3 Main wildlife

Aberdares National park and Mt. Kenya has the following animal species; african elephant, rare black leopard, spotted hyena, olive baboon, and black and white colombus monkey, sykes monkey, the cape buffalos, warthogs, common zebra, bushback, reedback and lions among others.

1.14.4 Wildlife conservation areas

The County has two National parks which are Mt. Kenya and the Aberdares. Mt. Kenya holds Mt. Kenya orphanage and Mt. Kenya game reserve. There is only one Wildlife conservancy managed by Dedan Kimathi University with 9 species of grazing mammals that include; wildbeest, warthogs, grant's gazelles, impallas, burchell's zebras, andean llamas among other flora and fauna.

1.14.5 Total number of tourists

In the year 2013, the county received a total of 79,118 tourists; 20,767 foreigners and 58,351 domestic. This however reduced in 2014 to 59,216; 51,083 foreigners and 8,133 domestic.

1.15 Industry and Trade

1.15.1 Markets

The County has a total of 52 fresh produce markets where 35 were improved during the previous planning period. Eight (8) markets were developed under the Economic Stimulus Programme. The flagship markets are Chaka Wholesale Hub, Karatina market and Nyeri open air markets which are under construction and Kamukunji which is the biggest second-hand clothes market in the county.

1.15.2 Industrial parks

Nyeri county has one Industrial park at Karatina and eight(8) Constituency Industrial Development Centres six(6) of which are complete at Gakindu, Kiawaithanji, Kariko, Othaya, Endarasha, Karatina KIE site, Karatina light industries and two(2) Juakali shed (Mihuti and Mweiga) which have not been completed.

1.15.3 Major industries

The major industries in the county are flour milling, soft drink processing and milk processing. These includes; Maisha Flour Mills, Cocacola, Highland, KCC, and Anchor Millers.

1.15.4 Types and number of registered businesses

According to department of trade, tourism and cooperative development, the county has the following types and number of businesses

Type of Business	No. of Businesses
Supermarkets	14
Large traders	976
Medium traders	7,326
Small traders	20,687
Kiosks	708
Wholesalers	76
Hawkers	2,542
Transport companies	125
Independent transport operator	70
Petrol stations	130
Storage facilities	109
Communication companies	345
Agricultural dealers	1,624
Large hotels	730
Medium hotels	396
Small hotels	3,137
Other catering & accommodation facilities	33
Butcheries	1,042
Bars	1,402
Professional services	700
Education - private facilities	484
Health - private facilities	780
Industrial plants	22
Workshops	1,033

1.15.5 Micro, Small and Medium Enterprise (MSME)

There are over 100,000 MSMEs in the County, with only a few registered under the registrar of companies and others have business names. There are 20 registered juakali associations with a membership of 2000. Other MSMEs are registered as self-help groups, SACCOs while others belong to merry-go rounds that are not registered.

1.16 Forestry, Agro Forestry and Value addition

1.16.1 Main Forest types and size of forests

The county has 2 gazetted forests (Aberdare ranges and Mt. Kenya) mainly of indigenous and plantation trees with a size of 861.7 Km². The ungazetted forests are nine (9) namely; Karima Hill, Tumutumu Hill, Gachirichiri, Wagere, Karundu, Karindi, Thangathi, Ngamwa Hilltop and Gachuthe

1.16.2 Main Forest products

The main forest products are timber; poles and firewood found within the gazetted and non-gazetted forests. The firewood is mainly used as a source of energy while other materials are used in the building and construction industry. Forests are also important sources of herbal medicine and as home for wildlife.

Huge potential exist in the County in form of non-extractable forest products. They include bark, roots, tubers, corms, leaves, flowers, seeds, fruits, sap, resins, honey, and fungi. Forests also have important intangible services which include; Water easements, recreational activities and climate amelioration

1.16.3 Agro-forestry

Inappropriate tree species namely eucalyptus has been planted along the riparian area and has contributed to drying up of most catchments. Further, inappropriate irrigation methods have also contributed to declining surface water resources. To promote agro-forestry the county is doing the following: encouraging farmers to plant eco-friendly trees such as grevilliae robusta (mukima) within the farms; distribution of tree seedlings to farmers and schools; promotion of tree nurseries through distribution of certified seeds; promotion of planting water friendly species like bamboo and indigenous trees in riparian reserves and wetlands.

1.16.4 Value chain development of forestry products

a) Provision of Wood Fuel and Generation of Energy for Industries

It is important to note that the six tea factories in the county rely on wood fuel as a source of energy for processing. They are a major source of firewood market for the farmers who grow trees as source of income. The farmers also practice bee keeping in their plantations.

b) Growing of Fruit Trees for both Nutrition Improvement and economic empowerment.

The county has taken an initiative to encourage farmers to plant fruit trees in their farms i.e macadamia, mango grafted avocados, grapes, tree tomatoes, oranges etc. which are sold in local markets especially in Karatina while the surplus is sold to other markets. The county government has identified an area to set a processing factory to encourage more farmers to engage in the fruits farming.

c) The county is promoting croton megalocarpus (mukinduri) growing. Through Public private partnership, the county will establish a facility to produce cheap fuel from the product.

d) The county in collaboration with KEFRI to promote growing of Giant Bamboo along the riparian and wetland areas and through Public private partnership establish a factory to process Bamboo products.

1.17 Financial services

1.17.1 Finance institutions

The county has fairly distributed financial institutions which includes; 10 commercial banks, nine micro-finance institutions and 10 insurance companies with their branches across the county.

1.17.2 Distribution of financial services by sub-county

The county has various banks and Saccos distributed as follows;

Sub-County	Banks	SACCO (FOSA)
Nyeri Central	14	4
Mathira	7	2
Othaya	5	1
Mukurweini	2	1
Tetu	1	0
Kieni	5	0

1.18 Environment and Climate Change

1.18.1 Environmental degradation

The major cause of environmental degradation is cultivation on fragile areas such as steep slopes, wetlands, riparian reserves and quarrying activities. This has led to landslides and soil erosion hence reduced productivity.

The other causes are inadequate solid and liquid waste management facilities particularly in the urban and peri urban areas. This has led to blockage of drainage systems in urban centers causing flooding and destruction of property.

The county is prone to landslides in the hilly areas of Mukurwe-ini, Othaya and Tetu Sub Counties due to poor farming methods where riparian areas have been destroyed and rivers banks left bare. The county continues to put measures to reclaim all the riparian areas and plant indigenous trees to protect further soil erosion. The following areas are very much degraded due to unsustainable quarrying and this is posing a great danger to the environment.

Area	Ward	Remarks
Witemere	Rware	Very steep grounds and no forest or grass cover
Kiawara	Rware	Very steep grounds and no forest or grass cover
Chania river banks	Rware	Very steep grounds and no forest or grass cover. Farmers encroaching and destroying the riparian areas
Mweiga	Mweiga	Quarrying
Maragima	Thegu river	Quarrying
Chaka	Thegu river	Quarrying
Nyaribo	Kiganjo/Mathari	Quarrying
kabiruini	Kiganjo/Mathari	Quarrying
Thunguma	Gatitu/ Muruguru	Quarrying
Karicheni	Thegu river	Quarrying
Tagwa	Thegu river	Quarrying
Mureru	Naromoru/Kiamathaga	Quarrying
Mwicuiri	Naromoru/Kiamathaga	Quarrying
Gathugu	Konyu	Quarrying
Milimani	Thigu River	Quarrying

Effects of Environmental Degradation

There has been general reduction of the natural resources ability to support the population e.g. reduced farm productivity due to soil erosion, over cultivation of the land, increased scarcity of resources such as water, grazing lands and arable area.

Climate Change Mitigation Measures and Adaption Strategies

Climate change mitigation measures include; conservation of existing natural forests, planting of trees to increase forest cover which act as carbon sink and adopting green economy and sustainable management of waste.

1.18.2 Environmental threats

Uncontrolled logging is causing loss of biodiversity in our forests and threatening flora and fauna. Loss of tree cover is also affecting the rainfall patterns giving rise to unpredictable seasons. Due to lack of tree and grass cover floods are prevalent because of unchecked flow of surface runoff which also reduces the retention periodic table. Drought leads to loss of biodiversity, drying up of water bodies, water pollution, human wildlife conflict, increased trekking distance to water points and community conflicts.

The following are threats to the environment; industrial waste from coffee and tea factories, agricultural activities causing soil erosion, fertilizer and pesticide residue flow into the water bodies, solid and liquid waste from markets and urban centers, quarrying, oils and grease from garages and car wash.

Areas Prone to Landslide and Flooding

Area	Ward	Remarks
Kigathi	Rugi	Landslide due the topography of the area
Kiirungi	Gikondi	Landslide due the topography of the area
Giathugu	Rugi	Landslide due the topography of the area
Igutha	Gikondi	Landslide due the topography of the area
Gatumbiro Hill forest	Thegenge	Deforestation due illegal logging - Reafforestation in progress
Karima Hill forest	karima	Deforestation due illegal logging - Reafforestation in progress
Tumutumu Hill forest	Kirimukuyu	Deforestation due illegal logging- Reafforestation in progress
Gachirichiri forest	Mahiga	Illegal quarrying
Nyana Hill	Ruguru	Landslide due the topography of the area
Kiamucheru Hill	Karatina	Landslide due the topography of the area
Karungai	Thigu river	Landslide due the topography of the area
Endarasha	Endarasha/Mwiyogo	Landslide due the topography of the area
Mweiga	Mweiga	Flooding poor drainage system
Mutonga	Gikondi	Flooding poor drainage system
Kabuta	Rugi	Flooding poor drainage system
Kiuu	Mukurweini Central	Flooding poor drainage system
Ichagachumi	Mukurweini West	Flooding poor drainage system
Naromoru Town	Naromoru/Kiamathaga	Flooding poor drainage system
Rutune	Rugi	Flooding poor drainage system
Nduiye river	Mahiga	Flooding poor drainage system
Chinga Dam	Chinga	Flooding due to topography of the area.
Gatumbiro	Dedan /Kimathi	Flooding due to topography of the area.
Kagati	Ruguru	Flooding poor drainage system
Kihuro	Karatina	Flooding poor drainage system

Areas Affected by Drought

AREA	WARD
Githungo, Karicheni, Maragima, Mathina, Thungari, Gatei	Thegu river
Kabati	Naromoru/Kiamathaga
Mureru	Gakawa
Karemenu	Mugunda

Lamura, Kienjero	Gataragwa
Labura	Mweiga
Nyaribo, Kirichu, Ndurutu	Kiganjo /Mathari
Marua, Thunguma	Gatitu /Muruguru
Iruri, Chieni, Gatung'ang'a, Ngorano, Hiriga	Ruguru
Thaithi, Wariruta	kirimukuyu
Gatina, Kiamabara, Gathugu	Konyu
Bondeni, Karicheni, Kiuu, Ujamaa	Mukurweini Central
Gumba, Ngamwa, Rutune	Rugi
Karaba, Mutonga, Kibutio, Kaharo	Gikondi
Witima	Karima

1.18.3 High spatial and temporal variability of rainfall

Agricultural and livestock productivity is worsened by limited, unreliable and poorly distributed rainfall pattern. In recent years the rains have become erratic and unpredictable hence making it difficult to plan on farming.

1.18.4 Change in water levels or glacier

The major challenge is the high seasonal fluctuations between low and high river flows due to inadequate conservation and protection of water catchment areas especially in Mt. Kenya and the Aberdare ranges. The high temperatures caused by accumulation of Greenhouse gases (GHGs): CO₂, CH₄, N₂O, CFCs, and SO₂, between tropospheric and stratospheric layers in the atmosphere have caused glacier on our mountains to melt which has brought about low flows in our rivers during the dry spell. Over-abstraction in our existing rivers has also become a challenge as seen in the Nairobi, Gura, Chania and Ragati rivers to name but a few. Intervention by the Water Resource Users Association (WRUA) should be urgently enhanced to minimize conflicts

The county has a huge potential for irrigation but depleting water resources has hampered its development. Harnessing of flood waters by construction of dams and exploitation of underground water sources are opportunities for unlocking the great agricultural potential.

1.18.5 Solid waste management facilities

The county has a temporary dumpsite at the Asian Quarters in Nyeri town which poses a danger to the immediate estate. Plans are underway to purchase suitable land to relocate the dumpsite to an acceptable site. There are two (2) dumpsite in Karatina and Othaya. However, the unit relies on hired plant equipment for dumpsite management. Medium market centers rely on the limited fleet of vehicles. This occasionally delays collection of solid waste. The ban on use of polythene papers by the National government in October 2017 has significantly improved on solid waste management including clogging of drainage systems. Most of the solid waste is expected to be biodegradable essentially promoting clean environment.

The county is exploring modes of solid waste management such as landfills and recycling of waste materials.

1.19 Water and Sanitation

1.19.1 Water resources

The county's water resource comprises of both ground and surface water. Surface water consists of permanent rivers such as Nanyuki, Burguret, Naromoru, Thegu, UwasoNyiro, Karemeno, Rwarai, Gikira, Thuti, Kururu, Muthira, Sagana, Nairobi, Chania, Gura, Honi and Ragati among others.

The main catchment areas for these rivers are the two water towers i.e Aberdare Ranges and Mount Kenya. There are 49 permanent rivers, 77 water dams/ Pans, 72 boreholes and other sources including roof catchment, Shallow wells and springs. The quality of the water is good and suitable for domestic, Wildlife, livestock and irrigation purposes.

1.19.2 Water supply schemes

There are five major supplies of water service providers and four small ones in the county namely; Nyeri Water and Sewerage Company, Tetu-Aberdare water and sanitation company, Mathira water and sanitation company, Othaya-Mukurwe-ini water services company, Narumoru water and sanitation company, Mutitu water and sanitation company, Mwiyo water users association, Zaina Muhoya water users association and Kinaini water users association There are also other Communities based projects and Individual water projects under the department of water and irrigation. A total of 124,886 households have access to piped water.

Growth or Trends in provision of piped water

Year	No. of Households with access to piped Water	No. of Households with access to Portable water
2013	98,125	78,520
2014	105,400	85,100
2015	111,004	90,152
2016	115,852	96,732
2017	124,886	103,312

Source: Department of Water, Environment and Natural Resources, Nyeri County

1.19.3 Water sources and access

The county is adequately served with surface and underground water. The average distance to the nearest water point as per Ward is as tabulated below:

S/NO	WARDS	Kilometers
1	Ruguru	0.6
2	Kirimukuyu	0.7
3	Konyu	1.0
4	Iriani	0.3
5	Magutu	0.2
6	Karatina	0.6
7	Chinga	0.3
8	Karima	0.5
9	Mahiga	0.4
10	Iriaini (Othaya)	0.2
11	Rugi	1.0
12	Gikondi	1.2
13	Mukurweini central	0.5
14	Mukurweini West	1.0
15	Wamagana	0.5

S/NO	WARDS	Kilometers
16	Aguthi Gaaki	0.3
17	Dedan kimathi	1.0
18	Kamakwa Mukaro	0.0
19	Rware	0.0
20	Ruringu	0.0
21	Gatitu Muruguru	0.1
22	Mathari-Kiganjo	0.5
23	Thego river	0.65
24	Kabaru	0.35
25	Narumoru Kiamathaga	0.45
26	Gakawa	0.55
27	Mugunda	1.5
28	Gatarakwa	1.0
29	Endarasha Mwiyo	0.7
30	Mweiga	0.5

1.19.4 Water management

Water service providers are managed by Board of Directors while the community water based projects are managed by elected committee members. Water service providers are guided through water service regulation rules while community based water projects are guided by their constitutions and by-laws. Water service providers are monitored by WASREB, TWSB and County Department of water while the community water projects are monitored by County Department of Social service.

1.19.5 Sanitation

The County has only three water and sewerage companies namely; Nyeri Water and Sewerage Company, Mathira Water and Sanitation Company and Othaya-Mukurwe-ini Water Services Company. Human waste is well disposed with 97.68 per cent of the county population using covered pit latrines while 2.32 per cent use conventional waste disposal methods.

The peri-urban centers; Karatina, Mukurwe-ini, Chaka, Mweiga and NaroMoru have inadequate sewerage treatment facilities. This is a major challenge due to inadequate funding for construction of treatment plants. This has led to release of effluents into the environment causing pollution of water bodies.

1.20 Health Access and Nutrition

1.20.1 Health Access

The distribution of health facilities in six (6) of the sub counties is reasonably fair according to World Health Organization standards. Most of the facilities in the six (6) sub counties are within a radius of 1-5 kilometers. However in Kieni East and West sub counties which are post-colonial settlements, health facilities are far apart ranging between 5-15 kms. The two sub counties are not served by any public level IV hospital except for Kieni west which is served by one FBO hospital (Mary immaculate) located approximately 15km from Nyeri town and may not be convenient for most of the residents in the two sub counties. Establishment of a level IV facility in Kieni East and West sub counties therefore remains a key priority for the county government.

Health services in Nyeri County are organized across five (5) levels of service delivery that includes 118 public health facilities, including a beyond zero mobile clinic and a hospice for care of the terminally ill distributed as follows: one (1) county referral hospital (level V); four (4) county hospitals (level IV); 25 health centers (level III); 88 dispensaries (level II); 251 community units (level I).

The county also hosts several private health facilities providing a wide range of health services and distributed as follows; four (4) private level IV hospitals; one (1) nursing home; three (3) faith based organization hospitals; 16 FBO health centre's and dispensaries; and 224 private clinics.

Health personnel and their distribution by Station

Work Station	No. of Staffs	Salaries per annum	Amount in %
County Health Office	57	71,852,352	3.2

Hospitals	924	1,252,925,460	56.1
Sub Counties MOH Facilities	645	738,361,644	33.1
Unskilled Casuals	736	83,906,722	3.8
Skilled Casuals(HCW)	124	47,616,000	2.1
Defunct Municipal Council Staffs	85	36,820,260	1.7
Nyeri Health Department	2,571	2,231,482,438	100

1.20.2 Morbidity

The five most common diseases in order of prevalence are as follows;

S/ No	Under 5yrs	S/ No	Over 5yrs
1	Diseases of Respiratory System	1	Diseases of Respiratory System
2	Diseases of the skin	2	Diseases of the skin
3	Diarrhea	3	Arthritis , Joint pains
4	Tonsillitis	4	Road traffic injuries and other injuries
5	Pneumonia	5	UTI (Urinary Tract Infection)

1.20.3 Nutritional status

According to KDHS 2014, Nyeri County nutrition status were as follows; stunting (15.1%), underweight (2.5 %) and wasting (2.4 %).

1.20.4 Immunization coverage

In 2017, immunization coverage was at 88.4% with 127 health facilities providing immunization services.

1.20.5 Maternal health care

Currently skilled deliveries stand at 88% with maternal mortality reported at 110 per 100,000 live births with 36 health facilities providing delivery services in the county.

1.20.6 Access to family planning services/Contraceptive prevalence

Access to family planning services/contraceptive uptake is at 73% (KDHS 2014) with 211,878 women in the reproductive age group.

1.20.7 HIV/Aids prevalence rates and related services

The county HIV and AIDS prevalence rates stands at 4.3% (KAIS 2012) with 21,391 persons living with HIV and more than 1300 new HIV infections being reported annually.

1.21 Education, Skills, Literacy and Infrastructure

1.21.1 Early Childhood Development Education

The gross enrolment rate in public Early Childhood Development Education centers for the county stands at 59.2 per cent, indicating that there is a large number of children who are not in school despite having a total of 758 centers.

1.21.2 Primary Education

The county has a total enrolment of 141,243 comprising of 72,227 boys and 69,016 girls. Although the net enrolment rate is high at 99 per cent, the county will require additional investment for infrastructural improvement. The completion rate stands at 89.4 per cent while retention and transition stands at 91 and 85 per cent respectively.

1.21.3 Non formal Education

Non-formal education has not been formally rolled out in Nyeri. However, there is great need for the adoption of the same in order to provide education for children who miss out school despite attaining the school going age. These include the children in the streets, children with disabilities among others. The objective of non-formal education is to develop literacy, numeracy, creativity and communication skills. This would also prepare them for joining tertiary education.

1.21.4 Youth polytechnics

There are 49 youth polytechnics with a total population of 3882 trainees. Plans are being put in place towards revitalizing and staffing of the polytechnics across the county and this is expected to enhance enrolment and offer quality courses in the institutions. There is need to introduce new training curriculum to youth polytechnics that are competitive in the job market. This includes entrepreneurial, agri-business, ICT courses among others.

1.21.5 Secondary Education

The county has a secondary school gross enrolment of 31,242 boys and 31,959 girls. The net enrolment rate stands at 95 per cent and it is noted that there is a negligible variance between boys and girls enrolment. The completion rate stands at 86.2 per cent while retention rate is 89 per cent.

1.21.6 Tertiary Education

There are two public universities, one private university campus, three public university campuses, one national polytechnic, one science and technology institute, nine other public colleges, one private accredited college and six private non-accredited colleges.

1.21.7 Adult and continuing Education

The county has high literacy levels at 91.8 per cent. There are 303 adult education classes with a gross enrolment of 1,885 males and 1,811 females.

1.21.8 Technical, Vocational Education and Training

The Technical, Vocational Education and Training (TVET) in Nyeri County consists of public and private institutions. The public TVET institutions are; one national polytechnic i.e. the Nyeri polytechnic and two technical training institutes namely Mathenge and Mukurweini. The national Government is setting up three new institutions at Mathira, Tetu, and Kieni Constituences. The county hosts a number of private/faith-based TVET institutins such as the Consolata Training Institute and Little Flowers Training Institute among others.

1.22 Sports, Culture and Creative Arts

1.22.1 Museums, Heritage and Cultural sites

Nyeri County has several museums, heritage and cultural sites which are unmapped. The gazetted sites include Kariba caves, Mau Mau flag site, and Dedan Kimathi trench and Maumau mass graves. Therefore, there is need to develop and promote these sites as a source of revenue and income and the preservation of the Mau Mau history.

1.22.2 Talent Academies

The department of trade, tourism and co-operative development is planning to establish an academy to nurture and harness the talents within the county.

1.22.3 Sports facilities

There are 15 sports facilities across the county. However the county does not have standard outdoor sports facilities. Therefore the county endeavours to ensure that sports facilities are in usable conditions and measure up to the required standards. The county has partnered with Sports Kenya to renovate Ruring'u stadium to international standard.

Sub-County	Sports Facility
Kieni East	Naromoru Stadium
Kieni West	Mweiga stadium
Tetu	Ihururu, Kinunga, Wamagana and Gichira stadiums
Othaya	Othaya stadium
Mukurweini	Kiriti, Karatina and Gikumbo stadiums
Mathira West	Kaiyaba stadium
Nyeri Central	Ruringu stadium; Dedan Kimathi Leisure, Kabiruini and Asian Quarters grounds

1.22.4 Information and Documentation Centres/ Citizen Service centres

The County plans to establish and promote libraries /information documentation centres/ citizen service centres so as to encourage reading culture in the county and ease in dissemination of information.

1.22.5 Registered traditional herbalists and medicinemen

There are 36 registered traditional medical practitioners in the country. However, the county, in liason with the Ministry of sports, culture and the arts plans to register, promote and regulate the industry.

1.23 Community Organizations/Non-State Actors

1.23.1 Cooperative Societies

The county has 143 active and 37 dormant cooperative societies with a total of 420,702 registered members. The major types of societies in the county are: marketing (coffee and dairy); Savings and credit (SACCOs) which are further categorized as urban, rural and transport; housing/investment. The societies have the potential for value addition through vertical integration, enhancing quality and productivity, market development, trade financing, promotion to local and regional markets, establishment of horticulture and aquiculture cooperatives.

The distribution of the societies in the sub counties is as shown below;

Type	Mathira East		Nyeri central		Kieni east		Kieni west		Mathira west		Tetu		Mukurweini		Nyeri south		County Total	
	A	D	A	D	A	D	A	D	A	D	A	D	A	D	A	D	A	D
Coffee	6	0	3	0	0	0	0	0	3	0	6	0	4	0	1	0	23	0
Dairy	1	1	2	0	9	5	6	1	0	1	2	0	1	0	1	0	22	8
Rural Saccos	9	3	5	0	4	1	2	1	0	0	2	1	4	0	7	2	33	8
Urban Saccos	4	0	11	1	0	0	2	0	1	0	0	0	1	0	0	0	19	1
Transport Saccos	8	5	15	6	0	0	0	0	0	0	0	0	2	0	3	0	28	11
Housing/inv	2	1	5	1	0	0	0	0	0	0	1	0	4	1	4	0	16	3
Union	0	0	1	0	0	0	0	0	0	0	0	0	0	0	0	0	1	0
Fish	0	0			0	0	0	0	0	0	1	0	0	0	0	0	1	0
Horticulture	0	0	0	1	0	0	0	0	0	0	0	0	0	0	0	1	0	2
Pig	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	1	0	1
Pyrethrum	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	1	0	1
Jua Kali	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	1	0	1
Stone \Cutters	0	0	0	1	0	0	0	0	0	0	0	0	0	0	0	0	0	1
Multipurpose											1	0	0	0	0	0	1	0
Total	30	10	42	10	13	6	10	2	4	1	13	1	16	1	16	6	143	37

NB: A' stands for active and 'D' for dormant.

1.23.2 Public Benefits Organizations (PBOs)

There are six main Non-Governmental Organizations which cut across the county namely; Caritas Nyeri, World Vision, Green Belt Movement, Child Fund Kenya, Kenya Red Cross and Farm Concern International. These NGOs are mainly involved in social and economic activities including provision of water in dry areas, promotion of planting of trees and support for the OVCs.

The county has 14,391 social development groups out of which 4,489 are women groups, 8,564 are self-help groups and 1,338 youth groups. The county has 80 and 3,795 persons benefiting from the Cash Transfer Programmes for the persons with severe disability and aged respectively.

1.23.3 Development partners

The county government has received meaningful support from World Bank, UNDP and Danida in its activities including; health services, capacity building on civic education, PFM, monitoring and evaluation, among others. The county will continue engaging and collaborating with development partners, donors and other players in achieving the government agenda.

1.24 Security, Law and Order

1.24.1 Number of police stations and posts by Sub County

Sub- County	Police Station	Police/AP Posts
Mathira West	2	12
Othaya	1	12
Mathira East	1	10
Tetu	0	7
Kieni East	1	21
Kieni West	1	15
Nyeri Town	1	15
Mukurwe-ini	1	19

1.24.2 Types, trends and crime prone areas

Type of Crime	Trends(2017)	Crime Prone Areas
Breaking	33 case reported	Kiawarigi, Wariruta, Giagatika, Kiangoma, Karurumo, Mutathini, Kaiguri, Ihururu, Kiawathanji, Wamagana, Kamuyu village, Kangemi, Kamakwa
Assaults	10 case reported	Kiawarigi, Wariruta, Giagatika, Kiangoma
Rape	3 case reported	Kiawarigi, Wariruta, Giagatika, Kiangoma
General stealing	19 case reported	Kiawarigi, Wariruta, Giagatika, Kiangoma, Gatumbiro, Mutathini, Skuta, Game rock, Kamakwa,
Possession of dangerous drug	19 case reported	Kiawarigi, Wariruta, Giagatika, Kiangoma, Mungaria, Kiagi, Gichira, Mukarara, Kariguini, Ihururu, Wamagana
Creating disturbances	56 case reported	Kiawarigi, Wariruta, Giagatika, Kiangoma
Robbery with violence	3 case reported	Kiawarigi, Wariruta, Giagatika, Kiangoma, Karatina town, Karindundu, Mutathini, Wamagana, Skuta, Ngaagariithi estate, Pembe tatu estate
Burglary	4 case reported	Kahuru, Itundu
House Breaking	2 case reported	Karindundu, Kiamambara
Drug abuse	6 case reported	Karindundu, Posta
Mugging	Occasional	Karatina town stage, Nyeri town Manjengo slum, Kiawara slum, Witemere slum, PGH area,
Theft of motor vehicle	Occasional	Karatina town, Giakanja, Ihururu, Ithekahuno, Muthinga
Theft of stock	Past mid-night	Ihururu, Kaiguri, Mutathiini, Gatumbiro, Gatuanayaga, Birisha
Offences against morality	Occasional	Kaiguri, Mutathiini, Ihururu, Kagwathi
Illegal road blocks	Occasional	Tagwa junctuin on Chaka Kiamariga Kabar road, Burguret on Nyeri Nanyuki highway, Solio ranch stretch along Nyeri Nyahururu high way
Armed robbery and burglary	Occasional	Ichuga
Illicit brew	Occasional	Kangemi/Chania river, Muringato river Game rock
Poaching	Occasional	Solio ranch

1.24.3 Types and number of courts

Sub- County	Type of court	Number
Mathira West	Nil	Nil
Othaya	Senior Residence Magistrate	1
Mathira East	Residence Magistrate	1
Tetu	Nil	Nil
Kieni East	Nil	Nil
Kieni West	Nil	Nil
Nyeri Town	Court of Appeal	1
	High Court	1
	Principal Magistrate Court	1
	Chief Magistrate Court	1
Mukurwe-ini	Residence Magistrate	19

1.24.4 Prisons and probation services

Sub- County	Prison/Probation office	Number
Mathira West	Nil	Nil
Othaya	Probation office	1
	Approved / Rehabilitation School	1
Mathira East	Probation office	1
Tetu	Nil	Nil
Kieni East	Nil	Nil
Kieni West	Nil	Nil
Nyeri Town	Probation office	1
	Prison	1
	Juvenile Remand home	1

1.24.5 Number of public prosecution offices

There are four public prosecution offices in Nyeri Town, Othaya, Mukurweini and Mathira Sub-counties.

1.24.6 Number of prosecutions

Sub- County	Number of Public Prosecutions (2017)
Mathira West	116
Othaya	50
Mathira East	100
Tetu	93
Kieni East	83
Kieni West	150
Nyeri Town	50

1.24.7 Immigration facilities

The County has only one immigration office located in Nyeri town sub-county.

1.25 Social Protection

1.25.1 Orphans and Vulnerable children (OVCs)

There are 1500 known Orphans and Vulnerable Children in the county according to the department of Gender and social services.

1.25.2 Cases of Street children

There are 500 registered street children in the county

1.25.3 Child care facilities and Institutions by sub-county

The County has several child care facilities and institution distributed per sub-county as follows: Kieni West (3), Kieni East (3), Othaya (3), Mathira East (2), Mathira West (2), Tetu (3), Mukurweini (3) and Nyeri Town (6).

1.25.4 Social net programmes

There are four major social net programmes in the county namely; Youth enterprise fund, Uwezo fund, Jiinue fund and Bima Afya.

CHAPTER TWO

LINKAGE WITH VISION 2030 AND OTHER PLANS

2.0 Overview

This chapter discusses the County Integrated Development Plan linkages with the Kenya Vision 2030, Sustainable Development Goals and other long term planning and policy documents. Further, the linkage between the Big Four and county development agenda has been expounded.

2.1 Linkage of the CIDP with the Kenya Vision 2030

The Kenya Vision 2030 is the National Policy Economic Blueprint that entrenches Kenya Vision 2030 as the long term development strategy. The Vision aims to transform Kenya into a modern, globally competitive, middle income country providing a high quality of life to all its citizens. The Vision is anchored on three key pillars:

Economic Pillar

The key sectors in economic pillar include: tourism, agriculture and livestock, manufacturing, wholesale and retail trade, Business Process Outsourcing (BPO), financial services, oil and mineral resources. The county will work towards ensuring a double digit national economic growth by: Improving value chain in the agricultural sector; Promotion and diversification of tourism products that leads to increased tourist arrival and spending; Revitalization of industrial zones; Capacity building on BPO's to create jobs to the youth; Promote fair trade practice and increase competitiveness of its industrial crops such tea and coffee.

Social Pillar

The main sectors under the social pillar include education and training, health, water and irrigation, environment, housing and urbanization, gender, sports, youth and culture. In ensuring a just and cohesive society, the county will: Improve health care by introduction of "Bima Afya" to cushion the vulnerable against health costs, establishment of a cancer centre and improve diagnostic services health centres to reduce referrals Increase awareness, advocacy and early detection to reduce the incidence of non-communicable diseases; Advocate for full mainstreaming of ECDE and YPs; Optimal exploitation of surface and ground water to ensure food security; Development of appropriate building materials and technologies to reduce the cost of construction and provide better standards of houses for the community; Developing youth talent in sports.

Political Pillar

Political Pillar aims at realizing a democratic political system founded on issue based politics that respect the rule of law, and protects the fundamental rights and freedoms of every individual in the Kenyan society. In attainment of its agenda, the county administration will ensure that the two levels of government coexist in cooperation and consultation on all development matters. The county government will promote and ensure adherence to the rule of law in its operations. It will also endeavor to ensure peaceful coexistence among the residing communities in the county.

2.2 Linkage of the CIDP with the Medium Term Plans

The Kenya Vision 2030 is implemented through successive five year Medium Term Plans. The national government has developed the third medium term plan (2018 – 2022) to which county governments must align their Integrated Development Plans in order to realize the aspiration of Kenya Vision 2030. The MTP III prioritizes the development of infrastructure and creation of an enabling environment to ensure realization of the goals of the three pillars of Vision 2030.

The County Government of Nyeri has ensured that all its development priorities are aligned to the National Development Agenda. Therefore, the County Integrated Development Plan is aligned to the MTP III. It is therefore imperative that within a context of competing priorities, all resources are geared towards achieving core priorities that will have broad based benefits for all.

2.3 Integration of the Sustainable Development Goals (SDGs) into the CIDP

On 25 September 2015, the Member States of the United Nations agreed on the 17 Sustainable Development Goals (SDGs) of the Post-2015 Development Agenda. The SDGs build on the Millennium Development Goals, the global agenda that was pursued from 2000 to 2015, and will guide global action on sustainable development until 2030. All of the SDGs have targets that are directly or indirectly related to the daily work of county governments. County governments are catalysts of change and are best-placed to link the global goals with local communities. Further, the county governments are the basic local governance units that can support localization, mainstreaming and implementation of Sustainable Development Goals.

The sustainable development goals agenda is a plan of action for **people, planet, peace, prosperity** and **partnership**. The 17 sustainable development goals and 169 targets seek to build on the millennium development goals, and complete what these did not achieve. They are integrated in the three dimensions of sustainable development; the economic, social and environmental. The goals and targets will stimulate action over the next fifteen years (up to 2030) in areas of critical importance for humanity and the planet:

- **People:** ending poverty and hunger, in all their forms and dimensions;
- **Planet:** protecting the planet from degradation, including through sustainable consumption and production;
- **Prosperity:** ensuring that all human beings can enjoy prosperous and fulfilling lives;
- **Peace:** fostering peaceful, just and inclusive societies which are free from fear and violence;
- **Partnership:** mobilizing the means required to implement this agenda through a revitalized global partnership for sustainable development.

The following are the Sustainable Development Goals (SDG's);

Goal 1: End poverty in all its forms everywhere

The County will identify people living in poverty at the grass-root level and to target resources and services to help them overcome deprivation and dehumanizing poverty. It will ensure that all men and women, particularly the poor and the vulnerable, have equal rights to economic resources, as well

as access to basic services, ownership, and control over land and other forms of property, inheritance, natural resources, appropriate new technology, and financial services including microfinance.

As a result, this will build the resilience of the poor and those in vulnerable situations, and reduce their exposure and vulnerability to climate-related extreme events and other economic, social and environmental shocks and disasters.

Goal 2: End hunger, achieve food security and improved nutrition and promote sustainable agriculture

The county will continue to support agricultural production and local economic growth by strengthening extension service to farmers and by providing basic transport infrastructure and markets to promote good exchange in local food chains. Further through use of health care services and Early Childhood Centers (ECDs), to identify and tackle child malnutrition, the county will ensure that everyone can enjoy a safe and nutritious diet all year round.

Goal 3: Ensure healthy lives and promote well-being for all at all ages

The county endeavors to ensure realization of universal health coverage through allocation of adequate resources towards health promotion. Further, immunization and vaccination coverage is being up scaled to combat the infections of non-communicable diseases from the current 85% to 100%. In addition measures have been put in place to curb drug and substance abuse to ensure a productive workforce. Notably, combating water borne diseases remains a top county priority through provision of affordable, accessible and safe water for drinking and use.

Goal 4: Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all

The county is responsible for early childhood development (ECD) that form the basic foundation for education. As such, it will continue to identify and tackle the barriers to school attendance. It will also integrate technical and vocational training programmes into local economic development strategies, making sure training is valuable to labor market opportunities. The county will further reach out to vulnerable and marginalized individuals and communities and to ensure they have access to education and training that meet their needs.

Goal 5: Achieve gender equality and empower all women and girls

The county will continue to advocate for gender equality and empowerment of women through; non-discriminatory service provision to citizens, fair employment practices and mainstreaming of gender equality across all sectors.

Goal 6: Ensure availability and sustainable management of water and sanitation for all

The county is committed to ensuring access to clean water and sanitation through effective local governance, natural resource management and local planning. Integrated water resources management will be enhanced through cooperation, in planning and environmental policy, between the County and National Government.

Goal 7: Ensure access to affordable, reliable, sustainable and modern energy for all

The county plans to identify gaps in access to affordable energy among vulnerable groups in the communities and address them. The county will further invest in energy efficient infrastructure, alternative and green energy sources.

Goal 8: Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all

The county remains the main tourist hub in the central region. This is due to existence of two major tourist attraction sites coupled with rich kikuyu culture which are major sources of employment. The county has a feasible regulatory framework aiming at promoting sustainable tourism and promotion of local culture. It will also use bottom up approach to generate growth and employment through local economic development strategies that harness the unique resources and local opportunities.

Goal 9: Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation

The county has continued to put more efforts in developing and maintaining infrastructure to serve local communities and link them up with their surrounding areas. This includes the promotion of small-scale industry and start-ups in their local economic development strategies, taking into account local resources, needs and markets based on the local competitive advantage.

Goal 10: Reduce inequality within and among countries

The county will build local capacities and tackle poverty and exclusion through political inclusion at local levels. In addition, the county will cascade affirmative action in all its planning endeavors.

Goal 11: Make cities and human settlements inclusive, safe, resilient and sustainable.

The county is in the process of developing strategic urban plans to prevent growth of new slums, and work with slum-dwellers to improve their living conditions and provide basic services where slums already exist.

Goal 12: Ensure sustainable consumption and production patterns.

The county will support short supply chains in marketing, thereby reducing transport costs. This will be done through land management, infrastructure development, urban planning, education and training, and improvement of public markets. Further, feasible regulatory framework has been put in place to ensure proper waste disposal mechanism. The county continues to put in place measures towards promoting recycling and re-use of bio-degradable wastes.

Goal 13: Take urgent action to combat climate change and its impacts.

The county government will strengthen its capacity to deal with climate related hazards and natural disasters through integration of climate change adaptation and mitigation into local planning to reduce the emissions of urban areas and increase their resilience to environmental shocks.

Goal 14: Conserve and sustainably use the oceans, seas and marine resources for sustainable development

Urban sanitation and solid waste management are essential to reducing pollution in water bodies. There is therefore need for collaboration between County Government and relevant National Government Ministries, departments and agencies.

Goal 15: Protect, restore and promote sustainable use of terrestrial ecosystems, sustainably manage forests, combat desertification, and halt and reverse land degradation and halt biodiversity loss.

The county governments' role as service providers (especially of water, sanitation, and solid waste management), coupled with our ability to initiate behavioral change in our communities, puts us in a unique position to protect natural resources and habitats.

Goal 16: Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels.

The county government will lead the way in promoting participatory decision making, such as participatory planning and budgeting. The county will expand its efforts and be more responsive to community needs while ensuring transparency, accountability and inclusivity.

Goal 17: Strengthen the means of implementation and revitalize the global partnership for sustainable development.

The county will continue to work with development partners to ensure sustainable development.

It is therefore important that SDGs are mainstreamed into the County Integrated Development Plans to ensure adequate budget allocation. It is at the local level that coherent policies can be developed to address the multiple challenges of poverty reduction and sustainable development.

The Sustainable Development Goals (SDG's) in Nyeri County are being addressed within their respective sectors through different interventions as indicated in the development priorities and strategies.

Summary of County Function and the SDGs

FUNCTION	GOAL
Agriculture	Goal 1 and 2
County Health Services	Goals 3
Control of air pollution , noise pollution other public nuisance	Goal 3, 6 and 14
Cultural activities, public entertainment and public amenities	Goals 4 and 11
County transport	Goal 9 and 11
Animal control and welfare	Goal 2
Trade development and regulation	Goals 2,3,8,10 and 17
County planning and development	All
Pre-primary education, village polytechnics , home craft centres and childcare facilities	Goal 4
Implantation of specific national government policies and natural resources and environmental conservation	Goals 1, 6, 8, 9, 11, 12 13 and 17
County public works and services	Goals 9 and 11
Firefighting services and disaster management	Goals 1, 2, 11 and 13
Control of drugs and pornography	Goal 3
Ensuring and coordinating the participation of communities and locations in governance at the local level and assisting communities and locations to develop the administrative capacity for the effective exercise of the functions and powers and participation in governance at the local level	All

2.4 Linkage of the CIDP and the 'Big Four' Plan for Economic Development

"The Big four" plan for Kenya, is a print out of what the government plans to achieve for the next five years arising from the development needs of the people of Kenya. The government recognizes the fact that a jobless Kenyan is a desperate Kenyan; a hungry Kenyan is a negative Kenyan; a sick Kenyan is a weak Kenyan; and a homeless Kenyan is a person without hope.

Simply put, the Big Four are food security, affordable housing, manufacturing and affordable healthcare for all. "The Big Four are expected to create jobs, which will enable our people to meet their basic needs that will transform their lives to a new status of greater comfort and wellbeing.

Under manufacturing, the government will focus on boosting four manufacturing sub sectors namely the Blue Economy, Agro-Processing, Leather and Textiles. The fishing industry is expected to grow seven fold and a ready market of leather products will be guaranteed from government departments notably the armed forces and other agencies. Further, our tea, coffee, meat, fruits and vegetables will be processed locally to obtain more value from our produce, and create more jobs and wealth for Kenyans. The government will also make arrangements with expatriates in manufacturing to ensure Kenyans receive proper training and safeguard protection of intellectual property rights.

The government targets to ensure that half a million Kenyans will be able to own affordable and decent homes by 2022 by reducing mortgage and construction costs. Universal health care will be realized by policy and administrative reforms in the medical sector. The government will enforce collaboration between National Hospital Insurance Fund (NHIF) and private medical insurance providers so as to ensure wider coverage. On food security all idle arable land will be put to use where the Ministry of Agriculture and Irrigation will publish terms which commercial farmers can lease agricultural land owned by the government.

The County government will provide incentives, such as land, for establishment of processing factories for our farm produce. Further, tea and coffee factories will be supported to process their products for value addition. The county milk, collected through the cooperative societies, will be processed through the Green Lands Dairy Union that the government has been building over the years.

Through the department of Transport, Public Works, Infrastructure and Communication the general public and investors will be trained on manufacturing and use of low cost materials for construction of affordable houses. This will enable individuals to construct decent low cost houses. The county has an irrigation potential of 20,620 Ha and only 2,600 ha have been exploited and thus more funding need to be directed to this venture so as to move away from rain fed agriculture.

CHAPTER THREE:

REVIEW OF IMPLEMENTATION OF THE PREVIOUS CIDP

3.0 Introduction

This section provides a brief review on implementation of the previous County Integrated Development Plan for the period 2013-2017. It outlines the achievements for the various sectors in attaining the ultimate objectives.

3.1 Status of Implementation of the Previous CIDP

The CIDP of the period 2013-2017 has been the guiding blue print for development in the county. Despite the achievements made, the county encountered some challenges in implementation of its programmes.

3.1.1 Analysis of the County Revenue Streams

The county budget has been increasing annually in tandem with increased demand for improved services. The local revenue constitutes about 10 per cent of the county budget and much more needs to be done to enhance its mobilization so as to avail more resources for development. Table 14 shows the main sources of county revenue and their performance during the plan period.

Table 14: Sources of county revenue and their performance

Revenue Sources and Expenditure	2013/2014		2014/2015		2015/2016		2016/2017	
	Budget Amount (Kshs.)	Actual Amount (Kshs.)	Budget Amount (Kshs.)	Actual Amount (Kshs.)	Budget Amount (Kshs.)	Actual Amount (Kshs.)	Budget Amount (Kshs.)	Actual Amount (Kshs.)
Balance B/F	130,000,000	289,224,084		54,209,031		5,664,988	693,000,176	693,000,176
Other transfers	305,060,819	0						
Advance by National treasury				300,000,000				
Refunds from the national Government					200,000,000	200,000,000		
Other refunds				162,507,905				
CILOR	54,754,000	0						
Equitable Share	3,636,303,976	2,697,434,462	3,882,059,730	3,582,449,453	4,449,219,647	4,449,219,647	4,800,764,767	4,800,764,767
Level V Hospital			197,575,455	197,575,455	368,620,571	368,620,571	388,439,306	388,439,306
Free Maternity					82,091,800	63,295,000	69,215,585	60,515,000
User fee foregone					16,166,813	16,166,813	14,347,664	14,347,664
Compensation for payment of nurses from Ministry of Health							104,874,000	141,861,000
Danida grant-Health Facilities			20,550,000	20,550,000	22,930,000	22,930,000	11,465,000	11,465,000
Road maintenance fuel levy fund				46,439,630	56,519,885	56,519,885	73,762,719	73,763,719
Coffee Cess							13,438,245	13,438,245
Tea Cess							17,994,512	18,290,322
Local Revenue	424,296,914	432,229,360	1,344,316,527	680,700,067	1,082,000,000	709,554,435	1,095,101,000	643,139,153
Total Revenue	4,550,415,709	3,418,887,906	5,444,501,712	5,044,431,541	6,277,548,716	5,891,971,339	7,282,402,974	6,859,024,352

Over the CIDP implementation period 2013- 2017, the county experienced a sustained increase in revenue collection and receipts. This can be attributed significantly to the equitable share which maintained an upward trajectory throughout the period. The total actual revenue in the county grew by 50.15% between 2013/14 and 2016/17 financial years i.e. from Kshs. 3,418,887,906 to Kshs. 6,859,024,352.

Trends of Local revenue and equitable share from 2013 to 2017

From the above, in the financial year 2013/14, own revenue collection contributed 12.6 % of the total county’s revenue. During the same period, equitable share contributed 78.9% of the budget. The difference was balance brought forward from the previous financial year. This however changed as equitable share outstripped local revenue in 2015/16. In the financial year 2016/2017, equitable share constituted 70% of the total actual revenue raised.

Key Revenue Streams

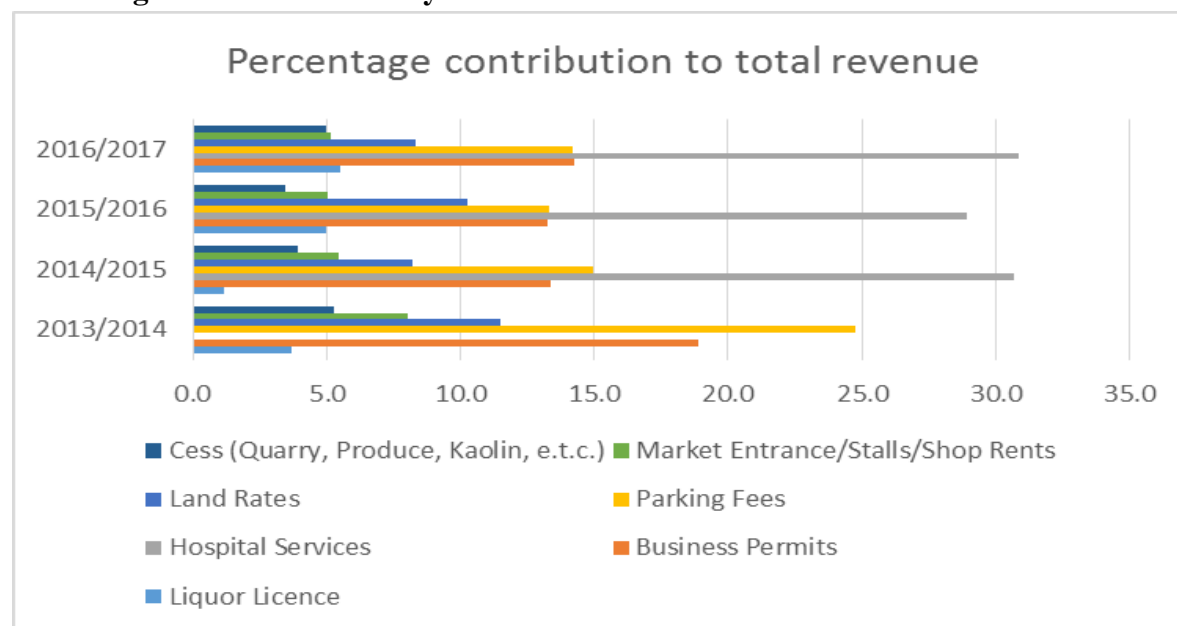

The key revenue streams in the county are parking fees, land rates, single business permits, liquor licenses, hospital services, market entrance/stalls/shop rents and cess. These were the dominant drivers of the local revenue, constituting 72.08%, 77.76%, 79.22% and 83.22% of county local revenue in financial years 2013/14, 2014/15, 2015/16 and 2016/17 respectively. The single largest contributor to local revenue in the period under review was hospital services.

Performance of key local revenue streams 2013-2017

Revenue Stream	2013/2014		2014/2015		2015/2016		2016/2017	
	Target	Actual	Target	Actual	Target	Actual	Target	Actual
Liquor License	0	15,942,000	75,000,000	7,721,640	47,889,046	35,391,800	47,889,046	35,525,227
Business Permits	83,985,200	81,618,575	100,000,000	91,089,689	161,954,610	94,132,281	121,984,610	91,749,565
Hospital Services			330,600,000	208,849,349	278,859,938	205,117,487	308,859,938	198,329,811
Parking Fees	92,195,000	107,002,937	150,000,000	101,689,700	143,436,072	94,386,627	156,451,092	91,102,080
Land Rates	76,116,143	49,596,920	173,471,049	55,915,332	87,721,637	72,805,582	127,771,637	53,467,317
Market Entrance/ Stalls/Shop Rents	36,689,100	34,711,274	10,000,000	37,195,141	87,721,130	35,805,344	57,721,130	33,191,634
Quarry Cess	21,461,668	22,695,125	30,000,000	26,871,880	37,269,376	24,484,833	37,269,376	31,862,380

On average, the key revenue streams accounted for more than 70% of the total local revenue in the first four years of CIDP implementation. There is need for more investment to strengthen the revenue streams in order to increase the amount of local revenue.

Percentage contribution of Key Revenue Streams to total Local Revenues 2013-2017

As shown in figure

above, hospital services contributed more than 25% of the total local revenue over the implementation period. In the first 3 years all the streams performed slightly lower but increased in the final year of the plan period.

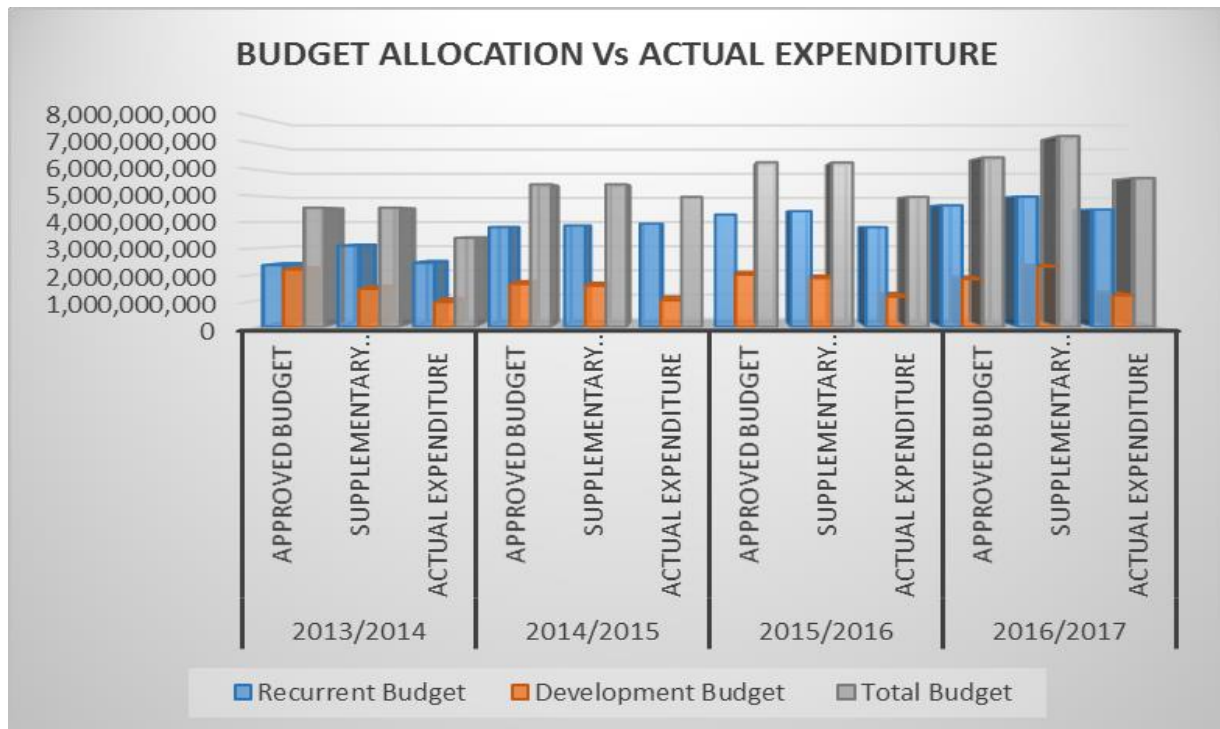

3.1.2 County Expenditure Analysis

Table 15: Budget allocation and expenditure 2013-2017

FY		Recurrent Budget	Development Budget	Total Budget	Absorption of Total Budget (%)	Absorption of Recurrent Budget (%)	Absorption of Development Budget (%)
2013/2014	Approved Original Budget	2,357,619,374	2,192,796,335	4,550,415,709	74.7	78.9	65.6
	Supplementary Budget	3,098,116,988	1,452,298,721	4,550,415,709			
	Actual Expenditure	2,444,183,180	952,843,894	3,397,027,074			
2014/2015	Approved Original Budget	3,809,115,053	1,635,386,659	5,444,501,712	91.1	101.9	64.6
	Supplementary Budget	3,866,948,836	1,577,552,876	5,444,501,712			
	Actual Expenditure	3,940,142,995	1,019,696,611	4,959,839,606			
2015/2016	Approved Original Budget	4,286,753,693	1,997,456,347	6,284,210,040	79.1	86.0	62.5
	Supplementary Budget	4,419,610,949	1,857,937,767	6,277,548,716			
	Actual Expenditure	3,801,475,552	1,161,269,008	4,962,744,560			
2016/2017	Approved Original Budget	4,640,955,030	1,823,606,011	6,464,561,041	78.0	90.0	52.2
	Supplementary Budget	4,977,493,117	2,304,909,857	7,282,402,974			
	Actual Expenditure	4,478,534,101	1,203,846,247	5,682,380,348			

During the plan period under review, the total approved budget amounted to Kshs. 22,743,688,502. However this was revised through supplementary budgets to Kshs 23,554,869,111. The actual expenditure by end of the plan period amounted to Kshs. 19,001,991,588 where Kshs 14,664,335,828 was for recurrent expenditure representing 77.2%, and Kshs. 4,337,655,760 was for development expenditure representing 22.8%. The average absorption rate was 75% over the plan period with a high of 91% and a low of 74%. The absorption rate on recurrent budget was higher than on development budget due to high expenditures on personal emoluments thereby hampering the rate of implementing development projects in the county.

Budget allocation and Absorption (2013-2017)

3.2 Summary of key achievements versus planned targets

The county government in the plan period 2013-2017 made achievements in various sectors as listed below;

Agriculture, fisheries and livestock development

To improve on dairy production, the department of agriculture engaged a task force that came up with recommendations on how to commercialize the industry. In implementation of these recommendations, the department provided free AI services to farmers, facilitated federation of various milk cooperative societies to a dairy union (Green land), vaccinated livestock against notifiable diseases like foot and mouth, provided bulk milk coolers to enhance value addition of the commodity, and rehabilitated 35 dips along the livestock routes.

To reduce the cost of production, mainly in coffee, the department provided subsidized fertilizers as a flagship project during the implementation period. To enhance food security farmers, were provided with certified seeds. In addition, monosex fingerlings were provided to fish farmers to enhance fish production and diversify income generation at the farm level. Further, to impart knowledge on modern farming methods, green houses have been constructed in all the 30 wards.

Trade

Through establishment of the County Enterprise Development Fund (EDF), the entrepreneurs and business persons have been able to access affordable credit.

Roads and infrastructure

The county government has graded and graveled over 2,000km of roads, installed culvert and constructed various bridges across the county so as to improve access in rural areas. This was implemented through 8Km Programme and affirmative action for Kieni.

Energy

During the period under review, the county lit major towns and trading centers through installation of high flood mast and street lights. This has enhanced security within the county and economic activities can now extend for longer hours.

Water

The county government planned expansion of water coverage through community based projects in the rural areas by 65% and 70% in urban areas through water service providers to benefit 22,510 households. In collaboration with communities, 200km of pipelines were constructed benefitting 25,960 households. Construction of two water treatment plants for Tewasco and Naruwasco to improve quality of drinking water is still on-going.

There exists small dams and pans distributed within the county with a total capacity of 2,962,000m³. The department in collaboration with other actors managed to rehabilitate 36 dams/pans with a total capacity of 700,000m³.

The water department planned to drill 10 new boreholes and rehabilitate four (4). In collaboration with other actors the county managed to drill nine (9) new boreholes and rehabilitated five (5).

Lands, housing and physical planning

The County Government in collaboration with the Ministry of lands, Kenya Informal Settlement Program (KISIP) and the National land commission have managed to plan and survey the following colonial villages; Kiamwathi, Miiri, Ihwagi, Gitero, Gikomo (mweiga), Gitathini, Chorongi, Kiarhiu and Kariki. This has enabled the resettlement of colonial villagers across the county.

Gender and social services

During the period under review, the county government provided NHIF insurance cover to the elderly, orphans and vulnerable, dubbed 'Bima Afya', where 5,977 citizens have benefited.

Education

The county government rolled out a bursary fund, dubbed 'Elimu Fund', to assist financially needy and bright students' access education and training. Over 25,000 students benefitted from Kshs. 190 million allocated in the financial years' 2015/16 and 2016/17.

Education has also received major improvement through construction, equipping and staffing of ECDE and Vocation Training Centers. The sector identified and upgraded eight (8) YP's as centers of excellence to offer specialized courses.

Health

On the health front the county government has increased the number of health facilities from 98 to 120. This has improved access especially in the hard-to-reach areas. General renovation and maintenance of 85 rural health facilities was carried out. During the period specialized services were started at county referral hospital which includes renal dialysis, MRI, ICU and HDU. Theatre and diagnostic services were improved in two county hospital under the managed equipment services partnership.

The county government operationalized 251 community health units enabling Nyeri resident to access basic health services at community level i.e., screening for Non-communicable diseases (NCDs) condition and health promotion. A total of eight (8) community ambulances were procured in 2015 to assist in timely referral to health facilities from rural areas. Further, through the Beyond Zero campaign program, the county has carried out regular outreaches in hard-to-reach areas, this includes screening for cervical cancers and other malignancies.

3.3 Challenges in the Implementation of the Plan

Late and inadequate disbursements of funds

Late disbursement of funds by the National Treasury has been a challenge to the county. This greatly affected the implementation of projects and programmes.

Local revenue collection

During the plan period the county was unable to meet the local revenue targets. The following factors affected local revenue collection;

a. Cash-less system underperforming

Revenue collection services were partially automated through introduction of the cash-less system. However the performance was not as expected due to inadequate capacity of the staff, frequent network problems and avoidance of use of the system by the members of the public.

b. Weak inter-departmental support in revenue mobilization/collection

Inter departmental synergies that could have enhanced revenue collection were not exploited.

c. Court injunctions, legal challenges and objections

Since the enactment of the Revenue Administration Act, 2014, the county faced various legal hurdles which hampered operations and also revenue collection. These challenges were mainly on land rates, parking and single business permits.

Inadequate human and physical resources

The county faces the challenge of inadequate vehicles, tools and equipments, lack of enforcement unit and inadequate personnel.

Inadequate and/or inaccurate data

Inadequate and data inhibited informed decision making in policy development.

Unplanned settlement areas

Most county activities in the informal areas experienced huge insecurity challenges. Some activities such as disease surveillance and campaigns, vaccination, firefighting services were mostly affected. Inadition vandalism is also common in these areas hindering thus negating county government development effort.

Inadequate facilities

Most of county departments operate from rented offices which is very costly. The rented offices are scattered across the county thus making it tedious for members of the public moving from one office block to another to get services.

Delay in processing of legal documents from collaborating institutions.

Various collaborating institutions have a lot of bureaucracy and take a lot of time to process the legal documents thus affecting implementation of projects

Lack of county physical and spatial plans

The county is yet to complete the process of preparation of these plans. Valuation roll has also not been done hindering the enhancement of revenue collection.

Ownership of quarries

Most quarries in the county are privately owned and owners were uncooperative towards rehabilitation.

3.4Lessons Learnt

- There is need for the government to continue building the capacity of the staff while enlisting the support of the national institutions in assessing the risk areas in project implementation.
- The county should fully automate the revenue collection system.
- Timely disbursement of funds to projects is essential for timely completion of projects. The National treasury should release funds in time to help the counties manage its cash flows properly.

- There is need for continued collaboration between the county government and development partners. The county should also embrace Public Private Partnership to spur growth and development.
- Citizens' engagement and public participation should be improved to accelerate good working relations and minimize conflicts in county taxation and revenue collection, legislation and business.

CHAPTER FOUR

COUNTY DEVELOPMENT PRIORITIES AND STRATEGIES

4.0 Introduction

The chapter discusses the spatial development framework, key county development priorities, strategies and programmes, and projects as identified by stakeholders in the county.

4.1 Spatial Development Framework

The Spatial Development Framework (SDF) is a schematic plan that indicates the broad spatial intentions of the county. It seeks to serve the following purposes; promoting economic vibrancy within the county; forming a basis for provision of strategic infrastructure and services as well as social support facilities; facilitating the integration of social, economic, institutional and physical aspects of land development; optimizing use of existing resources; encouraging environmental sustainability, preserve ecosystems and promote bio diversity; emerging spatial development challenges and opportunities in the county

Potential growth areas in the county:-

- i. Two major water towers namely; Aberdares and Mt. Kenya thus water supply in most parts of the county is consistent presenting an opportunity for support of human settlement, agricultural and industrial activities.
- ii. Forests which can be utilized to plant more trees to spur development through availability of construction materials.
- iii. Hard working farmers who have embraced agro forestry.
- iv. Availability of minerals

The opportunities available includes: High agricultural potential; Proximity to the capital city; Linkage to other counties; Existing railway line; Production of raw materials; Rich cultural heritage; Availability of land; Entrepreneurship acumen and Adequate water supply.

Ongoing activities to address the priority thematic areas:

- The county is transforming from over reliance of rain fed agriculture to irrigated agriculture and efficient water use through drip irrigation technology.
- The county is putting in place mechanisms to protect and conserve the catchment areas by planting indigenous and fruit trees.
- The county is developing new water infrastructure, rehabilitating and managing existing water supply systems, to ensure efficient, reliable, adequate, accessible, safe, sustainable and environmentally friendly supply, through use of green energy technology.
- The county is developing water systems to enhance industrialization

Table 16: County Spatial Development Strategies by Thematic Areas

Thematic Area	Overview/ Current Status	Policy Strategy	Potential Geographical Areas	Lead Agencies/ Departments
Environmental protection	• River banks and riparian have been degraded and	• Plant indigenous trees and bamboo along the river line	• Along all the rivers in the county	Department of water, Environment and Natural Resources; KFS; NEMA; WARMA; WRUA; Public

Thematic Area	Overview/ Current Status	Policy Strategy	Potential Geographical Areas	Lead Agencies/ Departments
	<p>encroached by the farmers</p> <ul style="list-style-type: none"> County forests have been deforested; Poor waste management; 	<ul style="list-style-type: none"> Encourage reforestation and agro forestry; Enhance regulation of solid and liquid waste disposal; 	<ul style="list-style-type: none"> All forests (gazetted and ungazetted) and farms All major Towns and Markets 	Health.; Agriculture; Lands; Public administration; Ministry of interior and coordination; Department of social services.
Water Supply	<ul style="list-style-type: none"> Rural water supply stands at 65% but pipe system network is at 85% the challenge is lack of water in the systems. We have several Boreholes but not functional due high operational costs. Lack of storm water drainage system and interfering with the sewerage system 	<ul style="list-style-type: none"> Promote water conservation through metering devices. Construction of dam/pans and promoting roof harvesting at household level Revitalize the Boreholes by enhancing green economy. Separate the storm water and sewerage system 	Kieni East/Kieni West, Mukurweini, Mathira West and Mathira East Karatina Town	Department of water, Environment and Natural Resources; Tana and Athi River Development Authority; National Drought Management Authority; Physical planning; Department of health; Nation Government; Development partners
Irrigation and modernizing agriculture.	Irrigation coverage stands at 11%. There is low uptake of modern technology in irrigation and there is therefore need to upscale.	<ul style="list-style-type: none"> Water harvesting conservation strategies Construction of dams/pans Use of modern irrigation technology i.e. drip irrigation and green house technology Roof catchment Water Pans at household level 	Kieni East and West, Mathira East and West, Othaya, Mukurweini, Tetu and Nyeri Central.	Department of water, Environment and Natural Resources; National Irrigation Board; Tana and Athi River Development Authority; Upper Tana Resource Management Authority; National Government
Enhancing county Competitiveness	Agriculture is the main economic activity widely practiced across the county. Cash crops like coffee and tea are grown giving the county competitive edge. There is also horticulture and dairy farming.	<ul style="list-style-type: none"> Value chain development Specialize on key product (coffee, tea, dairy) to increase its competitiveness. Coming up with relevant policies where necessary to address the agricultural issues 	Kieni East and West, Mathira East and West, Othaya, Mukurweini, Tetu and Nyeri Central.	NEMA; WARMA; WRUA; Department Of Agriculture, KARLO, KARI, Department of water, Environment and Natural Resources;
Diversifying tourism	The county has potential for cultural, adventure, agro, Sport, education, business, leisure and religious tourism that can be exploited and diversified. There is also a rich cultural heritage.	<ul style="list-style-type: none"> Mapping, development and promotion of tourism sites. Coming up with incentives to promote leisure facilities. Identify, preserve and promote cultural heritage. 	Tetu, Mukurweini, Nyeri Town, Kieni, Othaya, Mathira	Department of Tourism, Department of water, Environment and Natural Resources; Tourism board.

4.2 Natural Resource Assessment

Table 17: Natural Resource Assessment

Name of Natural Resource	Dependent Sectors	Status, Level of Utilization & Scenarios for future	Opportunities for optimal utilization	Constraints to optimal utilization	Sustainable Management strategies
Murram	Water, Housing, Roads and infrastructure,	Very high demand and limited deposits	It is at its optimum stage	In accessible roads and caving of areas	Refilling of the mines Coming up with a legislative requirement for refiling mines
Kaolin	Trade, industrialization and tourism	Minimum exploitation, there is potential for improvements	Setting up a factory within the vicinity	Lack of awareness among oentrepreneurs.	Market research.
Building stones	Water, Housing, Roads, and infrastructure,	Very high.	Miners to form cooperatives to avoid exploitation by middle men	The quarries are owned by individual farmers making it difficult to control	Coming up with appropriate building technologies. Coming up with a legislative requirement for refiling
Forests	Water, Housing, roads and infrastructure,	Medium utilization,	Potential for growing trees in privately owned farms	Land fragmentation	Sensitization to the public and institutions; Encourage farmers to plant more trees
Surface and Ground water	Water, Health, Agriculture,	Surface water highly exploited Ground water requires more exploitation for optimal utilization	Can support more food production through irrigation	Geological studies and reports are not available. High cost of implementation.	Protection of catchment areas, river banks and water conservation measures like metering, water harvesting and modern irrigation technology. Equip Boreholes with solar power pumps.
Wetlands	Water, Kenya wildlife service, Agriculture and fisheries	Degraded and encroached.	Reclaiming and conservation of the wetlands.	Encroachment, lack of enforcement of applicable laws	Sensitization of the surrounding community

4.3 Development Priorities and Strategies

4.3.1 Office of the Governor

The Governors' Office is responsible for setting the county's development agenda (policy and strategic direction) and ensuring that the agenda is clearly understood and owned by stakeholders (especially the citizenry) and implemented in an efficient, effective and responsive manner.

Vision

A well run and people centred county government

Mission

Create and Sustain governance arrangements that creates an enabling environment for economic growth and job creation, provides assistance to those who need it most, aid delivery of quality services to all residents and, most prominently provide services to citizens in a well governed and corruption free administration.

Strategic Direction

1. Agenda setting in both the legislative and executive functions
2. Effective and efficient management and administration of county affairs
3. Coordination of engagement with citizenry, including public communications and decentralization agenda.
4. Disaster risks management (identification, mitigation, control and response)
5. Intergovernmental liaison and people representation at national and international levels.
6. Intra-governmental liaison (Relations between the two arms of the county government and sectors coordination)
7. Coordination of service delivery improvement agenda
8. Compliant service delivery agenda - Ensuring compliance with all legal requirements in its pursuit of progressive and sustainable service delivery.

Sector Programmes

Sub Programme	Key Outcome	Baseline	Key performance Indicators	Planned Targets					Total Budget
				2017/18	2018/19	2019/20	2020/21	2021/22	
Programme Name: Administration and Coordination									
Objective: To enhance coordination of County Executive Services									
Outcome: Enhanced Coordination in Service Delivery									
Improvement of Physical Infrastructure for Coordinated Governance	Improved working environment	N/A	% of staff in Governors and CS office housed under one roof			100%			500 M
			Number of residential houses constructed for state officers	1	1				200 M
Coordination of County Executive Committee Business (Cabinet Office)	Improved implementation of County Executive Committee Decisions	N/A	% of County Executive Committee decisions implemented	100%	100%	100%	100%	100%	20 M
Intergovernmental Relations	Improved relationship between the County Government, National Government, other County Governments and other Nations	N/A	Number of MoUs signed and implemented		100%	100%	100%	100%	150 M
Intra-governmental relations	Enhanced intra-governmental relations	N/A	No of joint forums between the county assembly and county executive held	4	4	4	4	4	30 M
County Government Brand Visibility	Enhanced County Government Visibility	N/A	Established Governors Press Services Unit	1					10 M
			Number of media briefings by the governor	12	12	12	12	12	30 M
			Number of county bulletins developed and released	4	4	4	4	4	30 M
County service delivery	Efficient and effective service delivery	N/A	% of departments with performance contracts signed and cascaded	100	100	100	100	100	10 M

Sub Programme	Key Outcome	Baseline	Key performance Indicators	Planned Targets					Total Budget
				2017/18	2018/19	2019/20	2020/21	2021/22	
			% of Reporting units submitting performance reports on time	100	100	100	100	100	20 M
			% Level of satisfaction with service delivery (citizens satisfaction survey)			60%		70%	20 M
Legal Compliance	Strengthened Compliance with Legal requirements in Service Delivery	N/A	% of compliance matters raised in audit reports that are resolved		100%		100%		45 M
			% of bills drafted as per requests by county departments timely and processed to completion	100%	100%	100%	100%	100%	45 M
			% of cases resolved	20%	40%	60%	80%	100%	225 M
			Number of legal compliance audits	1	-	1	-	1	10 M
Community mobilization and sensitization	Enhanced Community mobilization and sensitization	N/A	Functional countywide grassroots mobilization mechanism	1		1			100 M
			Annual governors forum held	1	1	1	1	1	20 M
County Policing	Enhanced coordination on security matters between national and county government	N/A	% reduction in crime levels countywide	20%	40%	60%	80%	95%	7M

4.3.2 Finance and Economic Planning

The department consists of the following directorates: Finance and Accounting; Economic Planning, Budgeting, Monitoring and Evaluation; Internal Audit; Revenue; and Procurement

Vision

A leading department in the monitoring, evaluating and overseeing the management of public finances and economic affairs of the county.

Mission

To provide overall leadership and policy direction in resource mobilization, management and accountability for quality public service delivery.

Department's mandate

1. Developing and implementing financial and economic policies in the county.
2. Coordinating implementation of the county budget.
3. Mobilizing resources for funding budgetary requirements.
4. Putting in place mechanisms to raise revenue and resources.
5. Public debt management.
6. Consolidating annual appropriation accounts and other financial statements.
7. Custodian of county government assets.
8. Ensuring prudent management and control of finances.
9. Promoting efficient and effective use of county budgetary resources.

10. Monitoring county government entities for compliance and effective management of funds.
11. Developing capacity for efficient, effective and transparent financial management.
12. Monitoring, evaluating and reporting on implementation of county projects and programmes.

Development Priorities and Strategies

1. Automation of local revenue collection system.
2. Expansion of office space.
3. Decentralization of operations at the county treasury.
4. Automation of internal audit services.
5. Establish and equip information and documentation centres.
6. Formation and actualization of County Budget and Economic Forum and Audit Committee.
7. Increase staff capacity in terms of skills and numbers.
8. Broadening the revenue base.
9. Putting in place monitoring and evaluation framework.

Sector Programmes

Sub Programme	Key Outcome	Baseline	Key performance Indicators	Planned Targets					Total Budget
				2017/18	2018/19	2019/20	2020/21	2021/22	
Programme Name: Revenue mobilization and administration									
Objective: To improve efficiency in revenue collection									
Outcome: Increased revenue collection									
Broadening the revenue base	Increased revenue collection	643M (2016/17)	Actual revenue collected	1 B	1.05 B	1.1 B	1.15 B	1.2 B	60 M
Programme Name: Financial management									
Objective : Promote prudence in utilization of public funds									
Outcome : Improved service delivery									
Financial management and utilization	Improved management of public funds	78.1% (End of year report)	% absorption	100%	100%	100%	100%	100 %	10M
Supply chain management	Compliance to procurement regulations	76% (Report by PPOA)	100% compliance	100%	100%	100%	100%	100 %	10M
Auditing services	Improved efficiency in resource utilization	4	Number of Audit reports produced and disseminated	4	4	4	4	4	20M
Programme Name: Economic planning and management									
Objective Effective allocation of resources									
Outcome: Improved development planning, tracking and reporting.									
Participatory planning and budgeting	Increased ownership of projects and programmes by citizens	4	Citizen participation forums held	6	5	5	5	6	100M
Monitoring and evaluation	Improved tracking and reporting	4	Number of M&E reports	4	4	4	4	4	10M

Cross-sectoral impacts

Programme Name	Departments	Cross-sector Impact		Measures to Harness or Mitigate the Impact
		Synergies	Adverse impact	
Revenue mobilization and administration	All departments	Ensure optimal revenue mobilization and administration		Automation of revenue collection system in all revenue streams.

Financial management	All departments	Ensure efficient and effective utilization of funds		Ensure adherence to PFM principles
Economic planning and management	All departments	Availability of up-to-date data for decision making		Ensure fully operational county M& E system.

4.3.3 Lands, Physical Planning, Housing and Urbanization

The activities in this department affect the lives and livelihoods of the community by how they utilize the land as a resource to realize their social-economic goals. The directorates include land and survey, housing, physical planning and urbanization.

Vision

Functional human settlements that support economic prosperity and sustainable optimal land use

Mission

To promote efficient and optimal land use, through planning and sustainable development.

Departmental development priorities and strategies

1. Advancement of affordable and suitable housing.
2. Controlled and sustainable land use.
3. Develop a GIS data based system.
4. Secure land tenure for public utilities.
5. Urban areas development program.

Sector Programmes

Sub Programme	Key Outcome	Baseline	Key performance Indicators	Planned Targets					Total Budget
				2017/18	2018/19	2019/20	2020/21	2021/22	
Programme Name : Advancement of affordable and suitable housing									
Objective: To provide affordable housing									
Outcome: Affordable and decent housing									
State officers housing scheme	Improved welfare for state officers in the county	0	No.of state officers housed.	3	6	8	11	13	100 M
Alternative Building Technologies (ABT)	ABTs adopted	1	No of technologies promoted	0	2	4	2	2	50 M
Management of County Housing	Improved living conditions of tenants	2	No. of refurbished houses	0	50	50	50	50	100M
Redevelopment of county government housing estates	Modern residential houses	0	No. of estates redeveloped.	0	1	1	1	1	10 B
Programme Name : Controlled and sustainable land use									
Objective: To ensure optimum utilization of land									
Outcome: Orderly land use and sustainable developments									
Town planning	Orderly developments and land use.	0	Number of town planned	11	10	11	10	10	350 M

Sub Programme	Key Outcome	Baseline	Key performance Indicators	Planned Targets					Total Budget
				2017/18	2018/19	2019/20	2020/21	2021/22	
GIS data base system.	Efficient service delivery	0	Number of maps and plans digitized	20	50	200	200	200	100 M
Surveying	Well defined boundaries and security of tenure	30 Settlements	Number of settlements surveyed	10	10	10	15	15	450 M
Programme Name : Urban development									
Objective: To improve the town infrastructure									
Outcome: Improved urban infrastructure									
Urban development	Improved urban infrastructure		No. of kms of street lights	20	20	20	20	20	944M
			No. of kms of drainage line	10	10	10	10	10	
			No. of kms of roads tamarced	5	5	5	5	5	

Cross- sectoral impacts

Programme Name	Department	Cross-sector Impact		Measures to Harness or Mitigate the Impact
		Synergies	Adverse impact	
Advancement of affordable and suitable housing	Youth	Provision of skills and jobs for the youth	Low uptake	Intensive sensitization
	Environment , Trade	Creation of employment opportunities	Resistance from the affected tenants and environmental issues	Public participation; EIA
Controlled and Sustainable Land Use	Water and environment, Health and sanitation, Infrastructure	Identification of physical boundaries for various project sites.		Cross sectoral approach - Interdepartmental technical committees to address issues touching on their relevant areas.
Urban development	Gender, Youth, Environment; Roads	Creation of employment; improved sanitation services; Improving the condition of roads		Collaboration with roads department Public participation and engagement.

4.3.4 Health and Sanitation

The department of health Services and Sanitation is mandated to oversee and coordinate the overall health service delivery systems. The Department is focused on attaining the goal of “Health for all, by all” working with both the duty bearers and rights holders alike through a Primary Health Care (PHC) approach. This approach embraces curative and rehabilitative care concurrently with preventive and promotive care, a continuum of care through the populations’ life-cycle and a tiered and integrated people-centered health care system from households.

The broad mandate of the health department is articulated in Chapter 4 of the Constitution of Kenya under the Bill of Rights, which states that “Every person has the right to the highest attainable standards of health, which includes the right to health care services including reproductive health.”

Vision

An efficient and high quality health care system that is accessible, equitable and affordable for all.

Mission

To promote and provide quality integrated preventive, promotive, curative, rehabilitative and palliative services to all Nyeri county residents.

Sector Development Needs and Priorities

The department of health will focus at strengthening service delivery in the next five (5) years with an emphasis to quality improvement and adherence to standards. To achieve this, medical equipment maintenance and repairs will be given top priority. Procurement of new equipment will be done after needs assessment and justification for the same. Specialized services such as cancer treatment, renal and dialysis, urology and orthopedic surgery have been identified as transformative services that require increased investment in relevant equipment given the epidemiologic transition leading to increased prevalence of non-communicable disease in the county.

The Department will endeavor to build a critical mass of adequate, motivated and skilled health work force for optimal service provision. Limited infrastructural works will be undertaken in high impact areas as well as completion of stalled projects. The following are the department's priorities in the next five (5) years.

1. Patient safety, customer care and quality improvement program.
2. Recruit, retain and capacity build health workforce including training in specialized services (urology, oncology, critical care, neuro-surgery, emergency medicine).
3. Improve diagnostic services in 30 health centres to improve access and reduce referrals.
4. Strengthen health management information systems through automation and connectivity of all county health facilities.
5. Rehabilitate, refurbish and expand existing hospital facilities to meet demand.
6. Strengthen ambulance, emergency and referral services.
7. Increase awareness, advocacy and early detection to reduce the incidence of non-communicable diseases.
8. Improve health care and health financing through public private partnership (PPP).

Sector Programmes

Sub-Programme	Outcome	Baseline	Key Performance indicators	Planned Targets					
				2017/18	2018/19	2019/20	2020/21	2021/22	Total Budget
Programme 1: Health systems Planning and Support services									
Objective: To Strengthen health systems, general logistical and other support for efficient service delivery									
Outcome: Efficient and effective health system									
Health systems planning, financing and support services	Efficient and effective health care system	3 (RHSP, CASP, M&E)	No. of planning document prepared (CIDP, CHSS&IP, ADP, AWP, PBB, Procurement plan)	6	4	4	4	4	10M
		1(2013/14-14/15)	County health accounts prepared			1			5M
		250 million	Amount FIF revenue collected(in ksh million)	270M	300M	320M	340M	360M	10M

Sub-Programme	Outcome	Baseline	Key Performance indicators	Planned Targets					
				2017/18	2018/19	2019/20	2020/21	2021/22	Total Budget
		3	% of medical equipment with active service contract	35	40	45	50	55	30M
		8	No of strategic hospital department with clean power for medical equipment surge protection	10	12	15	18	20	50M
		50	% of facilities with updated asset register maintained.	60	70	80	90	100	1M
		80	% of MOU's signed and executed with implementing partners	100	100	100	100	100	1M
		90	% of health facilities with functional health committee/hospital boards	100	100	100	100	100	5M
Human Resource & Capacity Development	Improved client/provider satisfaction	40	Level of Client/service provider satisfaction index beyond 70%	40	50	60	70	70	5M
	Improved doctors and nurses population Ratio	1:7610/1; 834	Doctors /nurse population ratio	1:7580 / 1:834	1:7500 / 1:800	1:7300 / 1:750	1:7200 / 1:700	1:7000 / 1:650	300M
	Increased access to specialized services	0	No. of functional specialized units(Oncology, Renal, ICU,HDU,)	1	2	3	3	3	200M
		30	No. of trained specialists trained(oncologists)	50	50	50	50	50	100M
Quality assurance, monitoring and evaluation	Evidence based decision making	100	% of facilities submitting timely & Complete reports every month	100	100	100	100	100	20M
		6	No Data Quality Audits(QDA) conducted	8	10	12	14	16	30M
	Improved quality of care	1	No of facilities certified star three and above on service provision	1	2	3	4	5	30M
Programme: Preventive and Promotive Health Services									
Objective: Reduce incidence of preventable diseases and mortality in Nyeri County									
Outcome: Healthy population with increased life span									
Communicable Disease Prevention and Control	Reduced prevalence of communicable diseases	52	Under five Mortality rate per 1000	50	40	35	35	30	235M
		39	Infant mortality rate per 1000	35	33	30	28	25	
		110	Maternal mortality rate per 1000	100	90	85	80	70	
		89.40	TB Cure rate	90	92	92	92	92	
		1300	HIV incidence rate	1000	900	800	700	650	
		85	Immunization coverage	87	88	92	93	95	
Reproductive Health and Family planning Services	Reduced maternal mortality	88	% of skilled deliveries conducted in our health facilities	90	91	92	93	95	121M
		73	Family Planning Uptake	75	78	79	80	80	
		61	% of pregnant women attending atleast 4 ANC visit	65	70	73	75	75	
		30	% of health facilities providing delivery services	40	50	60	65	70	
Non-communicabl	Reduced burden of ill	24	% of facilities screening for NCD's	30	45	60	70	80	116M

Sub-Programme	Outcome	Baseline	Key Performance indicators	Planned Targets					
				2017/18	2018/19	2019/20	2020/21	2021/22	Total Budget
e disease Control and Prevention	health associated with NCD's	5.70	Facility mortality rate	5.60	5.50	5.20	5	4.7	
		55000	No. of population screened for NCD	60,000	70,000	80,000	90,000	100,000	
Environmental Health Services	Improved environmental health	98	% of Villages declared ODF	99	99.50	99.70	100	100	44M
		20	% of hospital with access to safe health care waste management	40	40	60	80	100	
		8	% of food premises certified safe	90	92	95	98	100	
Solid waste management	Sustainable development in solid waste management and disposal	0	No. of well managed dumpsites	1	3	3	5	5	219M
		0	No. of urban areas with efficient waste transportation system.	3	3	3	5	5	
		0	No. of PPP on solid waste management	1	1	1	1	1	
Community Health and Outreach Services	Improved health cares services at community level	251	% of functional community units	251	251	251	251	251	305M
		TBD	Incidence of diarrhea disease						
		TBD	% of community dialogue days held.						
		TBD	No. of planned community household visits conducted.						
		12	Incidence of under 5 mal-nutrition	10	8	7	6	5	
Programme 3: Curative and Rehabilitative services									
Objective: Provide equitable clinical services emergency and referrals.									
Outcome: Improved quality of care and health services									
Clinical Services & rehabilitation	Improved quality of care		See list of performance indicators in health						
Emergency and Referral Services	Improved response to medical emergencies	50	% of fully functional ambulances	70	80	90	100	100	173M
		40	% of hospitals with functional emergency response teams	60	80	80	100	100	
		0	No. of functional isolation unit	0	1	1	-	-	
Clinical Support Services	Increased access to clinical services	10	% of healthcare facility with stock out of essential drugs and supplies	8	6	5	4	2	11.3B
		50	% of healthcare facilities with laboratory services	60	65	70	75	80	
		40	% of hospitals with specialized services	50	60	70	80	100	
Patient safety and quality improvement	Reduction in health care associated infections, reduction of medical harm	10	% of facilities on Infection prevention and control program	20	40	50	60	80	50M
		Laboratory	20%	% of hospitals with a functional quality improvement and patient safety program	30	60	70	80	
	78additional78on for improved quality of care	TBD	Incidence of surgical site infections					5	
		0	No. of hospital labs accredited	0	1	2	2	5	40M

Cross sectional Programmes and Impacts

Programme Name	Sector	Cross-sector Impact		Measures to Harness or Mitigate the Impact
		Synergies	Adverse impact	
Preventive and Promotive Health Services	Education	Increase immunization and deworming programmes improves the health of learners hence avoiding disruption of learning. Balanced diet reduces the cases of malnutrition among school children.		Up scaling the immunization, deworming and promotion of balanced diet programmes in public schools
	Water and Sanitation	Maintenance of sanitation standard will ensure clean and safe water, clean environment reducing health related risks	If sanitation is not well managed, it can lead to disease outbreak. Unsafe and contaminated water leading to outbreak of diseases	Law enforcement on public health and sanitation standards.
	All Sectors	Increasing workforce productivity Increasing budgetary allocation for HIV prevention Advocacy on HIV/ AIDS	Stigma	Provision of IEC materials on HIV prevention to all County departments Dissemination of the HIV & AIDS plan(2015/16-18/19) Availability of stocked Condom dispensers in the various departments
Curative and Rehabilitative services	Labor	A health labor force will increase the productivity	Bad health practices can affect labor productivity negatively	Sensitization and advocacy on good health practices
	NACADA	Coming together to carry out sensitization on dangers of drugs and substance abuse	Stigma	Increase advocacy on rehabilitative services to reduce stigma

4.3.5 Gender and Social Services

The department has the following directorates: Gender; Social services and Sports

Vision

The leading County in promotion of gender equality, equity, provision of efficient social services and sports for high quality of life

Mission

To formulate, co-ordinate and implement responsive policies and plans on gender, sports and social services for sustainable social economic development.

Department's priorities and strategies

- Promote and enhance social initiatives, gender empowerment and mainstreaming through involvement of development partners to fund these initiatives.
- Improve recreation services and promote sporting activities for the sportsmen/women, sport managers and staff in the county and advancement of infrastructure and sporting skills through trainings
- Enhancing child care and facilities including upgrading the children homes
- Enhance youth skills through innovative initiatives like talent academies to nurture sprouting talents, entrepreneurial and youth empowerment expertise.

- Ensure rapid response to disaster and calamities through improvement of disaster response infrastructure and equipment.

Sector Programmes

Sub Programme	Key Outcome	Key performance Indicators	Planned Targets					Total Budget
			2017/18	2018/19	2019/20	2020/21	2021/22	
Programme Name: Social Welfare								
Objective: To provide assistance to the vulnerable members of the community								
Outcome: Increased number of vulnerable people accessing medical care and girls retained in schools through social welfare initiatives								
Social protection for the Elderly, PWDs and Orphans	Reduced dependence of the vulnerable groups	No of people covered through Bima Afya programme	6000	7200	8700	10500	12,500	250M
	High transition rate for girls in primary schools	No of girls supplied with sanitary towels No. of sanitary towels procured and distributed	10,000 50,000	12,500 62,500	13,200 66,000	13,400 67,000	13,800 69,000	15M
Programme Name: Community Empowerment								
Objective: To empower the community embrace gender inclusion for social economic sustainability								
Outcome: Enhanced gender responsive in planning and development.								
Gender mainstreaming	Inclusivity in decision making	No of gender based trainings/sensitizations held.	16	30	30	30	38	195M
		No of people sensitized/trained	3200	6000	6000	6000	7600	
		No of gender policies formulated	1					2M
Disability mainstreaming	Inclusivity in decision making	No. of sensitization sessions held.	16	30	30	30	38	10M
	Ease of mobility	No. of wheelchairs procured and issued	12	20	30	35	45	15M
Programme Name: Disaster Response								
Objective: To reduce harmful effects of hazards including disasters								
Outcome: Reduced disaster related impacts								
Disaster Awareness, preparedness and Management	Improved preparedness, response, recovery and lessened impacts of disasters	% of incidences attended to	100	100	100	100	100	250M
Programme Name: Sports Development								
Objective: To harness sports talent and improve sports infrastructure								
Outcome: Increased competitiveness in sports and recreational activities								
County-wide competitions	Improved competitiveness	No of competitions held	6	8	8	9	9	150M
		No of teams that participated	30	32	35	38	40	
		No of disciplines involved	5	6	6	8	10	
Talent academy	Increased competitiveness in recreational activities	No of youth whose talent has been identified and nurtured.	-	-	100	150	200	350M
Capacity building for sports officials	Improved sports coordination and managements.	No of coaches , referees, team manager and umpires trained	100	120	130	142	150	12M
Sports infrastructure development	Improved/upgrade d stadia	No. of stadia upgraded	2	2	2	3	3	200M

Cross-sectoral impacts

Programme Name	Sector	Cross-sector Impact		Measures to Harness or Mitigate the Impact
		Synergies	Adverse impact	
Social Welfare (Bima Afya Programme (NHIF))	Gender, Social Services and Sports	Health, Agriculture, the NHIF	Double registration in similar schemes, resulting in wastage and denying the needy the chance to benefit	Thorough verification of the beneficiaries

4.3.6 County Public Service, Administration and Youth Affairs

The department consists of the following directorates: Public Administration, Enforcement, Human Resource Management, Alcoholic Drinks Control and Management and Youth Affairs

Vision

A secure, just, cohesive, democratic, accountable, transparent and conducive environment for a prosperous County

Mission

To ensure effective and accountable leadership, promote a just, democratic environment and establish strong governance institutions to empower citizens for the achievement of socio- economic and political development.

Strategic objectives

- To coordinate the provision of responsive and effective services to the public
- To prevent and control alcohol, drugs and substance abuse
- To ensure public participation as provided for in the Constitution of Kenya 2010
- To improve security and policing services under the County Policing Authority
- To ensure effective and efficient Public Service Management.
- To promote ethics and integrity in public service delivery.
- To coordinate the civic education activities.
- To ensure good working relationship between national and county government.

Sector Programmes

Sub Programme	Key Outcome	Key performance Indicators	Planned Targets					Total Budget
			2017/18	2018/19	2019/20	2020/21	2021/22	
Programme Name: Public administration and management.								
Objective: To coordinate the provision of responsive and effective services to the public								
Outcome: Improved Service Delivery.								
Citizen engagement and education	Increased participation in local governance	Number of public forums conducted	60	60	60	60	60	100M
	Increase in enlightened citizenry.	Number of TOTs and citizen workshops	33	33	33	33	33	50M
Capacity building	Improved performance and service delivery.	No of staff trained	200	200	200	200	200	30M
Public administration	Timely and satisfactory service delivery.	Number of offices constructed	7	7	7	7	7	350M

Sub Programme	Key Outcome	Key performance Indicators	Planned Targets					Total Budget
			2017/18	2018/19	2019/20	2020/21	2021/22	
Infrastructure development		Number of motor vehicles purchased	6	8	8	8	8	190M
Alcoholic drinks control and management	Improved Regulation of manufacture, sale and consumption of alcoholic drinks.	Percentage of licensed operating premises.	75	80	85	90	97	74.5M
County Policing Authority.	Secure and cohesive society.	Percentage reduction of crime rate in the County	75	80	85	90	97	15M
Enforcement on compliance of County laws	To ensure compliance of the existing County laws.	Reduction in the number of defaulters/offenders	80	85	90	95	97	32.4M
Programme Name : County public service management								
Objective: To ensure effective and efficient Public Service Management.								
Outcome: Improved employee performance and productivity.								
County Public service management	Skilled, committed and motivated workforce.	Number of HR related policies/regulations formulated/revised.	2	3	3	3	3	70M

4.3.7 Agriculture, Livestock and Fisheries Development

The department consists of the following directorates; Agriculture, Livestock production, Veterinary services, Fisheries and two institutions (i.e. Wambugu Agricultural Training Centre and Agriculture Mechanization Services (AMS-Narumoru)

Vision

To be food and nutrition secure county.

Mission

To improve agricultural productivity through promotion of innovative competitive and sustainable agriculture, livestock and fisheries production systems

Objectives

- To develop appropriate policy and legal framework to create enabling environment for the sector
- To increase agricultural production and productivity.
- To improve market access and value addition.
- To enhance access to affordable credit and inputs.

Key strategies

- Increase agricultural productivity through multi-sectoral approach and enhancing extension services.
- Embracing PublicPrivate Partnerships (PPP) to enhance implementation of projects.
- Strengthen research extension farmer linkage to ensure that researchable issues are demand driven.
- Mainstream gender in agricultural activities.

Sector Development needs, Priorities and Strategies

- Upscaling and outscaling of artificial insemination
- Improvement of soil health
- Improvement of supply of cold chain
- Equipping AMS
- Construction of common user facility at Wambugu ATC
- Restocking of ponds and dams
- Increase of tree cover through provision of fruit tree seedlings
- Bee keeping demonstrations
- Increases in storage facilities
- Enhancement of control of livestock and crops diseases through vaccinations

Sector Programmes Agriculture, Livestock and Fisheries

Sub Program	Key Outcome	Baseline	Key performance indicator	Planned Targets					Total Budget
				2017/18	2018/19	2019/20	2020/21	2021/22	
ProgrammeName : Agriculture Management									
Objective : Create enabling environment for improved and efficient service delivery									
Outcome: Increased agricultural production and productivity									
County Agriculture, Livestock and Fisheries extension Program (CALFEP)	Increased productivity	42% house holds	% of farmers reached	47	55	65	70	74	2.5B
Enhancement of Crop development	Improved crop productivity	20M kgs of coffee cherry; 55M kgs of tea leaves; 190 000 MTs rish potatoes	% Increase in cherry production	2	2	2	2	2	1.2B
			% increase in tea production	3	3	3	3	3	
			% Increase in Irish potatoes	10	10	10	10	10	
Fish production management	Improved fish productivity	7700 kgs 2200kgs	% change in fish production in ponds	10	4	2	2	2	110M
			% Increase in fish production in dams	1	1	1	1	1	
ProgrammeName : Agricultural training services									
Objective: To impart knowledge and skills for improved productivity									
Outcome: Improved farmers knowledge and skills									
Farm development and Training	Improved capacity for service delivery		No. of farmers trained	800	1,200	1,500	1,700	2000	120M
ProgrammeName : Livestock production Management									
Objective: To increase livestock production by 25% for increased income									
Outcome: Increased livestock productivity									
Livestock Development	Improved Livestock productivity	8.7 lts of milk per cow per day	No. of litres per cow per day	9	9.8	10.6	11.4	12	1.5B
ProgrammeName :Veterinary services									
Objective: To Manage and control pests and diseases in animals to safeguard human and animal health									
Outcome: Reduced infections of livestock diseases									
Breeding, Disease surveillance and control	Increased coverage of surveillance and disease control	20% 4000 25 outbreaks	% Increase in AI coverage	5	5	5	5	5	314M
			% increase in germ plasm multiplication	6	6	6	6	6	
			% decrease in notifiable disease outbreak	4	4	4	4	4	
ProgrammeName : Agriculture Mechanization services									
Objective: To offer mechanization services to the Agricultural Sector.									
Outcome: Improved farm productivity									

Sub Program	Key Outcome	Baseline	Key performance indicator	Planned Targets					Total Budget
				2017/18	2018/19	2019/20	2020/21	2021/22	
Development of Agricultural land, water harvesting and conservation for crop and livestock production	Increased revenue collection	318,000	Amount of revenue collect No of farmers benefiting from the AMS services	0.8M	1.5M	2.2M	3M	3.5M	150M

Cross-sectoral impacts

Programme Name	Sector	Cross-sector Impact		Measures to Harness or Mitigate the Impact
		Synergies	Adverse impact	
Agricultural Management	Health, Trade and industrialisation, Environment	Incorporation of stakeholders; Increased agricultural production will provide regular available materials for industrial use	Improper use of agrochemicals will have harmful effects on human health; Use of fertilizer on untested soil may lead to soil degradation; Pollution of the environment through the disposal of fish factory effluents	Training farmers on use organic pest control measures; Enhance value addition by establishment of more industries; Routine soil testing to determine PH; Elaborate solid waste management plan to be developed and executed
Livestock production Management	Trade, Water, infrastructure	Embracing PPP concept	Emergence of unscrupulous actors in the value chain; Milk glut in the market	Develop a policy to regulate actors in the dairy value chain; Enhance value addition initiatives
Veterinary services	Health, Environment	Embrace the PPP concept; Use of early warning systems	Emergence of unscrupulous actors within the sector; misuse of agricultural chemicals and drugs	Develop a policy to regulate actors in the sector; Training on safe and effective use of chemicals and drugs

4.3.8 Trade, Culture, Tourism and Cooperative Development

The department comprises of four (4) directorates; Trade, Tourism, Culture and Cooperative development.

Vision

A globally competitive economy with sustainable and equitable socio-economic development where citizens operate freely

Mission

To promote, coordinate and implement integrated socio-economic policies and programmes for a rapidly industrializing economy.

Sector Development Priorities and Strategies

Sub-sector	Development priorities	Strategies
Trade	Development of Markets Management of market for efficient operations	Construction/Renovation/Upgrade of existing markets Payments of Market electricity and water bills and other services/utilities
Industrialization	Revitalization of industrial zones; Establishment of financing schemes; Improve micro enterprise regulatory framework.	Promote establishment of industries; Infrastructure development; Support research and innovation; Capacity building; Establish institutional policy and regulatory framework

Investments	To enhance investment promotions Branding, marketing and public relations programme Investment conferences, trade fairs and exhibitions	-Resource mapping, profiling of investment sites, investments leads, investments actualized, and investment after care/retention. -Building on the county image, creation and enhancing the County identity, positive image promotion, survey on the county image, marketing materials. Increase investment leads, promote investors' confidence local and regional engagements and lobbying. Establishment of County economic and social council, Formulate County investors guide
Fair Trade Practices	Improve the environment of doing business	-Promotion of fair trade practices in the county -Accurate verification equipment. -Establishment of a laboratory and a workshop for verification of weights and calibration of equipment
Enterprise Developments	Develop entrepreneurship skills, Increased number of sustainable businesses for the county	Training on business management, technical skills, internship and business establishment Increased access to affordable credit through Enterprise Development Fund and Joint loans board
Tourism	Promote and develop tourism sector in the county	Establish legal and regulatory framework, Develop Community sensitization programme, Develop new tourist products
Culture	Promotion of Cultural heritage	Construction and equipping of recreational and talent development centers.
Cooperative Developments	To strengthen cooperative movement to enhance governance	Development of legal frame work and policies for efficient operations of cooperative, Trainings of societies management committees ,Organizing forums and exhibitions for cooperatives, Establish Unions and development of cooperative chain and product link

Sector Programmes

Sub Programme	Key Outcome	Baseline	Key performance Indicators	Planned Targets					Total Budget
				2017/18	2018/19	2019/20	2020/21	2021/22	
Programme Name: Trade Development									
Objective: To Spur economic growth									
Outcome: Conducive trading environment for improved livelihood									
Markets development and management	Conducive organized trading environment		No. of markets structures developed	10	10	10	10	10	407M
		0	Number of laws, regulations and policies developed	1					10M
		0	Number of trainings conducted	2	2	2	2	2	35M
Programme name: Fair Trade practice									
Objective: To Promote fair trade									
Outcome: Fair Trading environment and consumer protection.									
Promotion of fair Trade practices and consumer protections	Increased customer protection,	0	Percentage of equipment inspected,	100	100	100	100	100	115M
Programme name: Investment promotion									
Objective: To increase investment and employment within the county									
Outcome : Increased investment for increased employment									
Investment promotion	New investment attracted	0	No of investment forum held		1	1	1	1	440M
		0	Number of Producer Business Groups (PBGs) formed and trained,		1	1	1	1	15M
Programme Name: Regional economic integration									
Objective : To improve competitiveness									
Outcome : Improved competitive advantage									
Mt Kenya and Abardares Economic block	Increased regional development,		Number of projects implemented under the Economic block	1	1	1	1	1	150M

Sub Programme	Key Outcome	Baseline	Key performance Indicators	Planned Targets					Total Budget
				2017/18	2018/19	2019/20	2020/21	2021/22	
Programme Name: Industrial and Enterprise Development									
Objectives : To Improve value addition and manufacturing									
Outcome : Wealth creation for sustainable development									
Industrial and special zones development.	Improved livelihood		Number of industrial and special zones established	0	0	1	1	1	430M
County entrepreneurship Developments	Improved livelihood		Number of training on entrepreneurship development	0	1	1	1	1	300M
			Number of entrepreneur benefiting with EDF	0	50	50	50	50	50M
Programme Name: Tourism promotions and diversification									
Objective: To promote and develop tourism for increased economic growth.									
Outcome: Increased tourist arrival and spending									
Tourism promotion	Increased tourism arrivals and spending		Number of law, regulations and Local tourism policies developed/ amended.	1	1	1			5M
			Number of tourism marketing channel developed and used.	2	2	2	2	2	50M
Tourism diversification	Increased tourist attractions and products		Number of new tourism products developed	2	2	2			289M
			Number of tourism site mapped and gazetted	2	2	1			
Capacity Building within the tourism Sector	Increased income for tourism players and better technical knowledge Sustainable tourism enterprise development		Number of trainings to tourist stakeholders	2	2	2	2	2	10M
Programme Name: Cultural development									
Objective: To Promote Cultural heritage									
Outcome: Enhanced growth in creative culture and heritage									
Cultural development	Increased awareness and exploitation of culture		Number of law, regulations governing culture developed	1	1	1	1	1	5M
			Number of trainings on culture preservation	2	2	2	2	2	18M
			Number of cultural/ talent centres developed	2	2	2	1		250M
Programme Name: Cooperatives development and management									
Objective: To strengthen the cooperative movements									
Outcome: Strong and active cooperative movements									
Cooperative management	Effective cooperative movement with good governance		No of laws developed or amended, number of by-laws, regulations and policies developed.	1	1	1	1	1	10M
			Numbers of societies trained	2	2	2	2	2	10M
Cooperative development	Increased and active cooperative societies		Number of value chains and market linkages created	3	3	3	3	3	60M
			Percentage of cooperative societies audited and inspected	100	100	100	100	100	10M

Cross-sectoral impacts

Programme Name	Sector	Cross-sector Impact		Measures to Harness or Mitigate the Impact
		Synergies	Adverse impact	
Trade Development	Agriculture	Establishment of agrochemical outlets will bring services closer to farmers; ready market for agricultural products		Build capacity of suppliers to supply quality and standard products.
Regional economic integration	Transport; Agriculture; Environment	Enhance mobility		Strengthen the intercounty relations; conducting EIA.
Industrial and Enterprise Development	Environment; Gender	Promotion of trade activities will create job opportunities for youth and women	Gas emission will pollute the environment; Poor Wastes disposals	Training youth and women on entrepreneurship skills; Law enforcement and regular inspections; Proper waste Management/Disposal
Cultural development	Health;	Provision of alternative medical services	Emergence of quack 87dditional medical practitioners	Training and certifying traditional medical practitioners; establishment of proper regulatory framework

4.3.9 Education, Science and Technology

The department consists of Youth Polytechnics (Yps) also known as Vocational Training Centres (VTCs), Early Childhood Development and Education (ECDE), and Information Communications and Technology (ICT) subsectors. The county recognizes the role played by the sector in promoting development and hence will continue to invest in it.

Vision

A globally competitive sector in provision of quality education, training, ICT, research and innovation services for sustainable development.

Mission

To provide, promote and coordinate quality education and training, adoption and application of ICT and integration of science and technology for sustainable socio-economic development.

Sector development strategies

- i. Provision of education physical infrastructure and equipment.
- ii. Quality assurance and standards in YP's and ECDEs.
- iii. Strengthening the programmes in youth polytechnics and capacity-build the instructors.
- iv. Strengthen partnership and communication with stakeholders such as NITA, TVETA, FBOs, CBOs, NGO's and national government to create awareness in the community on importance of ECDE and Yps.
- v. Ensuring retention and transition of learners in schools.
- vi. Conducting training on ICT for employees across sectors to enhance adoption of technology
- vii. Identifying and implementing ICT systems to enhance effective public service delivery.

Sector Programmes

Sub Programme	Key Outcome	Baseline	Key performance Indicators	Planned Targets					Total Budget
				2017/18	2018/19	2019/20	2020/21	2021/22	
Programme Name: Vocational training development									
Objective: To provide quality vocational training in a conducive learning environment.									
Outcome: Increased enrolment, retention and completion rates in vocational training centers									
Infrastructural development	Conducive learning environment	9 Yps	No. of functional VTCs.	8	8	8	8	8	973M
Human Resource Development	Availability of adequate and skilled technicians	85	No. of staff employed	32	32	32	32	32	125M
Yps Sustainability Mechanisms	Sustainable Yps	0	No. Yps with Sustainable IGAs	9	18	27	36	49	170M
Programme Name: Early childhood development and education management									
Objective: To provide quality early childhood education in a conducive learning environment.									
Outcome: Increased enrolment, retention and transition rates in ECDEs.									
Infrastructural development	Conducive learning environment	31	No. of functional ECDEs.	482	482	482	482	482	970M
Human Resource Development	Improved quality of ECDE.	800	No. of staff employed	151	151	151	151	151	980M
Feeding Programme	Increased enrolment, retention and transition	120	No. of ECDEs with school feeding programme			758	758	758	240M
Programme Name: Elimu fund									
Objective: To improve education access and availability.									
Outcome: Increased enrolment, retention and transition rates in schools.									
Elimu fund	Improved retention in schools	13,000	No. of beneficiaries	13,000	14,000	15,000	16,000	17,000	720M
Programme Name: ICT development									
Objective: To ensure integration of ICT in public service delivery and job creation.									
Outcome: Increased access to ICT services									
ICT infrastructure development	Increased efficiency in service delivery	10	Percentage level of internet connectivity	20	40	60	80	90	150M
ICT Capacity building	Increased ICT knowledge and skills	10	Percentage of staff trained	20	40	60	80	95	5M

Cross-Sectoral Implementation Considerations

Programme Name	Sector	Cross-sector Impact		Measures to Harness or Mitigate the Impact
		Synergies	Adverse impact	
Vocational training development	Trade and industry	Training of more youths create a pool of skills for use in the industries		Encourage industries to employ the locals; creating linkages between Yps and industries to create intership programmes.
ICT development	All sectors	Increased efficiency and effectiveness in service delivery		Ensure full automation of county services

4.3.10 Water, Environment and Natural Resources

The department is composed of three subsectors namely; Water, Irrigation and Environment and Natural Resources

Vision:

Sustainable access to clean, safe and adequate water in a clean and secure environment.

Mission:

To promote, conserve, protect the environment and improve access to water for sustainable development.

Sector Goals:

- Increasing forest cover
- Conservation of water catchment areas and flood flows.
- Increasing water supply and storage capacity.
- Reduction of Non Revenue Water
- Inclusion of modern farming methods in the design for irrigation projects

Sectors development needs, priorities and strategies

- Addressing liquid waste management.
- Increasing tree cover by 2% in the entire county.
- Rehabilitation of degraded land areas.
- Expanding the water coverage for rural and urban areas.
- Ensuring provision of affordable, safe and clean water.
- Increasing area under irrigation.
- Promoting usage of alternative sources of energy in cooking and water pumping.

Sector Programmes

Sub Programme	Key Outcome	Baseline	Key performance Indicators	Planned Targets					Total Budget
				2017/18	2018/19	2019/20	2020/21	2021/22	
Programme Name: Water supply and management									
Objective: Extension of water services for domestic and irrigation purposes									
Outcome: Increased adequate, affordable, safe and clean water.									
Water supply	Increased access to water	124,886	No. of households connected to piped water	130,000	138,000	144,000	150,000	160,000	2.5B
		1	Average distance to nearest water point (kms)	0.8	0.5	0.3	0.2	0.1	350M
	Improved water quality	2	No. of water treatment plants		1	1	1	1	75M
	Increased sewerage coverage	3	No. of sewage treatment plants		2	2	2	2	1.2B
Irrigation services	Increased area under irrigation	2,600	No of Hectares under irrigation	2,880	3,200	3,520	4,020	4,370	8.01B
Programme Name: Environment & Natural Resources									
Objective: Enhance county greening and protection of water catchment areas									
Outcome: Improved environmental conservation									
Environmental conservation	Increased tree cover	38.3	Percentage of tree cover	38.6	39.1	40.1	40.2	40.3	53.5M
	Clean and beautiful towns	5	No. of towns beautified	10	10	10	10	10	2.5M
	Increased river volumes	5	No. of Km conserved along river banks	10	10	10	10	10	2M

Sub Program me	Key Outcome	Baselin e	Key performance Indicators	Planned Targets					Total Budget
				2017/18	2018/19	2019/20	2020/21	2021/22	
	Reduced wood fuel usage	0	No of energy saving jikos issued in institutions.	30	30	30	30	30	20M
	Rehabilitated quarries	0	No of rehabilitated quarries			1		1	5M

Cross sectoral Implementation considerations

Name of program me	Sector	Cross –sector impact		Measures to Harness or mitigate the Impact
		Synergies	Adverse impact	
Environment and Natural Resources	WRMA; WRUA; NEMA; Ministry of Interior and National co-ordination.; KFS; NDMA; NEMA; all county departments	Work with WRUAs to map out riparian area in collaboration with agriculture and lands departments; WRMA to assist in water allocation and abstraction points; Look for market for baboo products; Provide schools with enough space for tree planting and maintenance; Incurcate the culture of tree planting in our children; Assist farmers in Agroforestry; Promotion of energy saving jikos; Assist in prosecution of noise and air pollution offenders.	Clear the riparian areas of all trees which are not water friendly and uprooting of arrowroots; Reduced water flows due to high evapotranspiration rates of exotic species.	Sensitize the riparian farmers and plant water friendly indigenous trees and bamboos; Sensitize the farmers, teachers and students on the need to plant trees; Sensitize the traders on the need to protect and maintain the flower beds; Increase advocacy on use of alternative sources of energy
Water supply and management	KFS; NDMA; NEMA; WRMA; WRUA; all county departments	Issuance of easements; Supply adequate water to support hotel industry; Our children will have more time to concentrate on education than fetching water; Farmers have ample time to work on the farms; Provision of data on areas prone to water borne diseases; Management of storm water; Improved transportation of food product to markets; Issuance of licenses for the irrigation works; Work with WRUA and WRMA to assist in water allocation and abstraction points; Value addition; Look for market for agricultural products; Registration of irrigation water users Associations	Loss of biodiversity at intakes, pipelines and dams; Loading of sewerage treatments works; Increased water conflicts	Reforestation; Provide roads development plans in advance and also mapping out road extents encourage roof catchment; Arrangements can be made well in advance to assist within house treatment methods; Policy on mandatory construction of drains; Community mobilization Regulation of flows; Capacity building on irrigation water management; Monitoring of adherence to projects by-laws

4.3.11 County Public Service Board

The function of the County Public Service Board is to establish and abolish offices in the county public service and appoint persons to hold or act in those offices.

Vision

To be a trend setting, ethical and dynamic institution that enables delivery of quality public service.

Mission

To support and enable Nyeri County Government deliver professional, ethical and efficient services through a transformed public service.

Board's mandate

- To establish and abolish offices in the county public service.
- Appoint persons to hold or act in offices of the county public service including in the boards of cities and urban areas within the county and to confirm appointments.
- Exercise disciplinary control over, and remove, persons holding or acting in those offices.
- Prepare regular reports for submission to the county assembly on the execution of the functions of the Board.
- Promote in the county public service the values and principles referred to in Articles 10 and 232 of the Constitution of Kenya.
- Evaluate and report to the county assembly on the extent to which the values and principles referred to in Articles 10 and 232 are complied within the county public service.
- Facilitate the development of coherent, integrated human resource planning and budgeting for personnel emoluments in the county.
- Advise the county government on human resource management and development.
- Advise the county government on implementation and monitoring of the national performance management system in the county.
- Make recommendations to the Salaries and Remuneration Commission, on behalf of the county government, on the remuneration, pensions and gratuities for county public service employees.

Sector Programmes

Sub Programme	Key Outcome	Baseline	Key performance Indicators	Planned Targets					Total Budget
				2017/18	2018/19	2019/20	2020/21	2021/22	
Programme Name: Public service management									
Objective: To promote effective and efficient public service									
Outcome: Improve service delivery									
Public service management	Improved service delivery	100	Percentage of recruitment requests acted upon	100	100	100	100	100	100M
	Transformed public service		No. of staff trained	600	600	600	600	600	138M

4.3.12 Transport, Public Works, Infrastructure and Communication

The department consists of the following directorates; Roads, Transport, Public Works, Energy and Communication.

Vision

A world class provider of cost-effective physical infrastructural facilities and services.

Mission

To provide efficient, affordable and reliable infrastructure through design, construction, maintenance and effective management of roads, public works and energy for sustainable economic growth and development of Nyeri.

Sector development strategies

- Maintenancing and developing roads network.
- Ensuring standard designing and construction of buildings.
- Developing transport policies, regulations and guidelines to ensure smooth flow of traffic.
- Achieving connectivity and smooth flow of motorized and non- motorized traffic.
- Enhancing electricity connectivity to public institutions and lighting of all urban areas.
- Researching, exploiting and promoting use of alternative and renewable sources of energy.

Sector Programmes

Sub programme	Key outcome	Baseline	Key performance indicators	Planned Targets					Total Budget
				2017 /18	2018/ 19	2019 /20	2020/ 21	2021/ 22	
Programme : County access and feeder roads									
Objective : To improve roads network									
Outcome: Improved accessibility and mobility									
Roads maintenance and development	All weather standard roads	2492.85	No. of new Km graded and graveled	320	320	320	320	320	4B
		478.25	No. of new Km tarmacked	90	90	90	90	90	18B
Programme : Transport management and safety									
Objective : To ensure order and safety in transport industry									
Outcome: Smooth flow of traffic									
Transport management and safety	Controlled traffic flow	0	No. of bus parks constructed	2	4	6	8	10	500M
		6	No. of footbridges constructed	23	40	57	74	91	100M
		0	No. of traffic marshals trained	100	120	140	160	180	150M
Programme: Building and construction services									
Objective : To reduce incidences of sprouting of sub-standard buidings and bridges									
Outcome : Reduces incidences of collapsing buildings and bridges									
Bridges Construction	Improved connectivity Transport	0	No. of bridges constructed	10	20	30	40	50	500M
Building standards maintenance	Standard buildings		Percentage of buildings approved	100	100	100	100	100	5M
Electronic building plans approval system	Efficient approval of building plans	0	No. of systems		1				20M
Programme: Lighting, power supply and management									
Objective : To increase access to power									
Outcome : Increased power connectivity									
Rural electrification	Increased power connectivity	16	No. of transformers installed	53	90	127	164	201	370M
			No. of public institutions connected	5	9	13	17	21	40M
Street Lighting	Improved security and increased hours of doing business	1750	No. of street light poles installed	1816	1882	1948	2014	2080	33M
		61	No of highmast floodlights installed	81	101	121	141	161	320M
Programme: Renewable Energy promotion									
Objective : To increase use of alternative sources of energy									
Outcome : Increased adoption of alternative sources of energy									

Sub programme	Key outcome	Baseline	Key performance indicators	Planned Targets					Total Budget
				2017/18	2018/19	2019/20	2020/21	2021/22	
Renewable energy promotion	Improved security and increased hours of doing business		No of solar street light poles installed	33	66	99	132	165	42M
	Efficient use of renewable energy		No of renewable energy projects supported	1	2	3	4	5	5M

4.3.13 County Assembly of Nyeri

The County Assembly is the legislative branch of the county government and is a replica of the National Parliament complete with the chambers; a Speaker, the Clerk, Members of the County Assembly, Sergeants-at-arms, a mace and the table clerks. The sittings of the County Assembly take place every Tuesday afternoon, Wednesday morning and afternoon and Thursday afternoon.

Vision

To be an effective, efficient & transformative Assembly

Mission

To provide efficient and effective oversight, representation, and law making functions for the welfare of the people of Nyeri County

Priorities and strategies

- Representation where the Members of the County Assembly (MCAs) provide a linkage between the county assembly and the electorate on public service delivery.
- Legislation by making laws and policies that are necessary for the effective performance of the functions and exercise of the powers of the county government.
- Oversight over the County Executive Committee and any other county executive organ while respecting the principle of the separation of powers
- Provide a secure and conducive working environment (Speakers residence, chamber, offices, committee rooms and other facilities).

Sector Programmes

Sub Programme	Key Outcome	Key performance Indicators	Planned Targets					Total Budget
			2017/18	2018/19	2019/20	2020/21	2021/22	
Programme Name: Physical infrastructure development								
Objective: To provide a good and secure working environment								
Outcome: Increased efficiency in service delivery								
Infrastructure Development	Adequate housing facilities for the speaker	No of housing facilities for the speaker (House, Fence, sentry and SQs)	1	3	0	0	0	200M
	Adequate and secure offices, committee rooms and chambers for the members	No of offices, committee rooms and chamber	0	10	10	10	14	200M
Programme Name: Capacity Development								

Sub Programme	Key Outcome	Key performance Indicators	Planned Targets					Total Budget
			2017/18	2018/19	2019/20	2020/21	2021/22	
Objective: To empower the staff and MCAs to effectively deliver County Assembly's mandate								
Outcome: Improved legislation, representation and oversight								
Education and Training	Effective delivery of the C.A mandate	No. of staff and MCAs trained	10	10	20	20	20	40M
Research and information services	Data and information available for decision making	No. of reports available	5	5	5	5	5	1M

Cross sectoral Implementation considerations

Name of programme	Sector	Cross –sector impact		Measures to Harness or mitigate the Impact
		Synergies	Adverse impact	
Physical infrastructure development	Water Environment and Natural Resources	Provide water and sewer services	Affect the environment during construction	Undertake EIA
	Lands, physical planning and Urban Development	Provide land and necessary approvals	Local density affected	Plan effectively on available space
	Transport, Public Works, Infrastructure and Communication	Supervise the construction to ensure standards are adhered	Incompetent contractors	Due diligence during procurement process
Capacity Development	National Training Institutions	Provide relevant training	Affecting the calendar and business of the House	Plan effectively
	National Assembly	Collaboration on parliamentary procedures	Affecting the calendar and business of the House	Plan effectively

4.4 County Flagship Projects

Project Name	Location	Objective	Output /Outcome	Performance indicators	Timeframe	Implementing Agencies	Cost (Ksh.)
Finance and Economic Planning							
Revenue Automation	County wide	To enhance revenue collection	Increase local revenue for improved service delivery	Percentage change in revenue collected; Number of revenue streams automated	2018-2022	County Treasury and all departments	50M
Lands, Physical Planning, Housing and Urbanization							
County Housing Estates	Nyeri town	Achieve better utilization of land in the dilapidated settlements	Improved livelihoods	No. of redeveloped housing estates	2018-2022	Department of Land, Housing, Physical Planning and Urbanization and State Department of Housing	10 B
Urban development	Nyeri town	To improve the town infrastructure	Improved urban infrastructure	No. of towns developed	2018-2022	Department of Land, Housing, Physical Planning and Urbanization	944M
Health, Public Health and Sanitation							
Cancer Hospital	Dedan Kimathi University	To Improve cancer diagnosis and management.	Reduced deaths and disability due to cancer,	Hospital completed and operational	2018-2022	Belgium/ GOK	2 B
Gender and Social services							

Project Name	Location	Objective	Output /Outcome	Performance indicators	Timeframe	Implementing Agencies	Cost (Ksh.)
Nyeri County Talent Centre Academy	Kieni	To tap and nurture young talent	Improved youth talents generation	No of youths trained in the centre	2018-2022	C.G.N	300M
Agriculture, livestock and Fisheries Development							
Establishment of milk processing and packaging plant	Kieni	To enhance milk value chain	Increase farmers income	No. of processing plants established	2018-2022	Department of Agriculture, Livestock and Fisheries	20M
Wambugu ATC Centre of Excellence	Serves county wide	To provide quality agricultural training Services and facilities	Improved farmers' knowledge and skills	No. of farmers trained	2018-2022	Department of Agriculture, Livestock and Fisheries	100M
Trade, Culture, Tourism and Cooperative Development							
Nyeri Convention Centre	Nyeri town	To develop a high capacity conference facility	Improved county competitiveness	Complete Convention Centre	2018-2022	CGN/GOK/ Development partners	70M
Water, Environment and Natural Resources							
Karemenu Mega dam	Endarasha/M wiyogo,Gatara gwa and Mugunda wards	Water harvesting and storage	Increase area under irrigation	No of acres under irrigation	2017-2022	National Government	13B
Naromoru Mega dam	Naromoru-Kiamathaga and Gakawa wards	Water harvesting and storage	Increase area under irrigation	No of acres under irrigation	2017-2022	National Government	17B
Othaya /Mukurweini water and sanitation company	Othaya and Mukurweini sub-counties	Provision of clean portable water and improved sanitation services	Reduced water borne diseases	Healthy citizens and reduction on hospital visits	2017-2022	CGN/National Government	303M
Mathira water and sanitation company	Mathira West and East sub-counties	Provision of clean portable water and improved sanitation services	Reduced water borne diseases	Healthy citizens and reduction on hospital visits	2017-2022	CGN/National Government	1.6B

CHAPTER FIVE

IMPLEMENTATION FRAMEWORK

5.0 Introduction

This chapter discusses the implementation framework which include, institutions responsible for the actualization of the plan, and resource requirement and mobilization.

5.1 Institutional Framework

5.1.1 County Government functions

The county draws its roles and mandate from the Fourth Schedule of the Kenya Constitution, 2010 which states that county governments are responsible for:

- a) Agriculture, including: crop and animal husbandry; livestock sale yards; county abattoirs; plant and animal disease control; and fisheries;
- b) County health services, including, in particular— county health facilities and pharmacies; ambulance services; promotion of primary health care; licensing and control of undertakings that sell food to the public; veterinary services (excluding regulation of the profession); cemeteries, funeral parlors and crematoria; and refuse removal, refuse dumps and solid waste disposal;
- c) Control of air pollution, noise pollution, other public nuisances and outdoor advertising;
- d) Cultural activities, public entertainment and public amenities, including; betting, casinos and other forms of gambling; racing; liquor licensing; cinemas; video shows and hiring; libraries; museums; sports and cultural activities and facilities; and county parks, beaches and recreation facilities.
- e) County transport, including: county roads; street lighting; traffic and parking; public road transport; and ferries and harbors, excluding the regulation of international and national shipping and matters related thereto;
- f) Animal control and welfare, including: licensing of dogs; and facilities for the accommodation, care and burial of animals;
- g) Trade development and regulation, including: markets; trade licenses (excluding regulation of professions); fair trading practices; local tourism; and cooperative societies;
- h) County planning and development, including: statistics; land survey and mapping; boundaries and fencing; housing; and electricity and gas reticulation and energy regulation;
- i) Pre-primary education, village polytechnics, homecraft centres and childcare facilities;
- j) Implementation of specific national government policies on natural resources and environmental conservation, including: soil and water conservation; and forestry;
- k) County public works and services, including: storm water management systems in built-up areas; and water and sanitation services;
- l) Firefighting services and disaster management;
- m) Control of drugs and pornography;
- n) Ensuring and coordinating the participation of communities and locations in governance at the local level and assisting communities and locations to develop the administrative capacity for the effective exercise of the functions and powers and participation in governance at the local level.

5.1.2 County structure

Governor: The Governor is the chief executive of the county and will provide overall leadership in the county's economic, social and political governance and development; provide leadership to the county executive committee and administration based on the county policies and plans; promote democracy, good governance, unity and cohesion; promote peace and order; promote the competitiveness of the county; is accountable for the management and use of the county resources while promoting and facilitating citizen participation in the development of policies and plans, and delivery of services.

Deputy Governor: The Deputy Governor is the deputy chief executive of the county and shall deputize the governor in the execution of the executive functions. The deputy Governor may be assigned any other responsibility by the Governor as a member of the county executive committee.

County Secretary: The County Secretary is the head of the county public service; responsible for arranging the business, and keeping the minutes of the county executive committee subject to the directions of the executive committee; convey the decisions of the county executive committee to the appropriate persons.

County Executive Committee: The Executive Committee is responsible for supervising the administration and delivery of services in all decentralized units and agencies in the county. It is comprised of 10 members appointed by the Governor and approved by the County Assembly. Each executive member is responsible of the respective departments which are Finance and Economic Planning; Agriculture, Livestock Development and Fisheries; Health, Public Health and Sanitation Services; County Public Service, Administration and Youth Affairs; Water, Environment and Natural Resources; Trade, Culture, Tourism and Cooperative Development; Transport, Public Works, Infrastructure and Communication; Education, Science and Technology; Lands, Physical Planning, Housing and Urbanization; Gender and Social Services

County Chief Officer: The Chief Officer will be the Accounting and Authorized Officer for the department assigned and will be responsible to the respective County Executive Member for the following: General administration and coordination of respective county department; Initiation, development and implementation of policies and sector plans; Development and implementation of strategic plans; Promotion of national values and principles of governance in the county public service; Overseeing implementation and monitoring of performance management systems.

Directors: They will be responsible for heading technical departments in the implementation of CIDP and all other plans.

Sub-County Administrators: The Sub-County Administrator will be responsible for: Coordinating, managing and supervising the general administrative functions in the Sub County unit; Ensuring effective service delivery; Coordinating developmental activities to empower the community and;

Facilitating and coordinating citizen participation in the development of policies and delivery of Services.

Town Administrator: The Town Administrator will be responsible for implementing the decisions of the Town Management Committee; Coordinating, managing and supervising the general administrative functions of the town; Overseeing the affairs of the town; Developing policies, plans, strategies and programmes for better management of the town; Maintaining a comprehensive data base and information system of the town administration and providing public access to the same; Facilitating and coordinating citizens' participation in development of policies plans and delivery of services; Ensuring preparation and submission to the County Treasury for consideration and submission to the County Assembly for approval as part of the Annual County Appropriation Bill; Establishing, implementing, and monitoring performance management systems.

Ward Administrator: The Ward Administrator shall be responsible for: Coordinating, managing and supervising the general administrative functions in the ward unit; Ensuring effective Service delivery; Coordinating developmental activities to empower the community; Facilitating and coordinating citizen participation in the development of policies and delivery of services at the ward level.

Village Administrator: A village administrator shall coordinate, manage and supervise the general administrative functions in the village including: Ensuring and coordinating the participation of the village unit in governance; Assisting the village unit to develop the administrative capacity for the effective exercise of the functions and powers; Participation in governance at the local.

Village Council: A village council shall be responsible for: Ensuring and coordinating the participation of the village unit in governance; Assisting the village unit to develop the administrative capacity for the effective exercise of the functions and powers; Participation in governance at the local level; Monitoring the implementation of policies at the village unit; Advising the ward administrator and sub-county administrator on matters pertaining to the village.

County Assembly: The County Assembly is the legislative arm of the county government and is responsible for making laws that are necessary for the effective performance of the county functions in the fourth schedule of Kenya Constitution 2010. County assembly will also exercise oversight over the county executive committee and any other county executive organ. County assembly will receive and approve development plans, policies, financial bill, and enact county appropriations, approve budget estimates and county government borrowing. The county assembly is organized in different standing committees.

County Public Service Board (CPSB): The functions of the County Public Service Board shall be, on behalf of the county government: to establish and abolish offices; appoint persons to hold or act in offices; confirm appointments; exercise disciplinary control over, and remove, persons holding or acting in those offices as provided for under County Government Act, 2012; It also advise county

government on implementation and monitoring of the national performance management system in counties; make recommendations to the Salaries and Remuneration Commission, on behalf of the county government, on the remuneration, pensions and gratuities for county public service employees.

5.2 Stakeholders in the County

Stakeholder	Role
County Executive Committee.	Policy formulation and implementation of the CIDP.
Management Committees of Devolved Funds.(Elimu Fund, Emergency Fund, Enterprise Development Fund etc.)	Complementing funding various projects.
FBOs (Roman Catholic, PCEA, ACK, SUPKEM, etc)	Participate and contribute in development activities of the county.
Civil Society Organizations	Participate and contribute in development activities of the county advocacy and awareness creation.
Community	Provision of skilled/ unskilled labour; Participate in decision making on issues affecting them; Community policing, collaboration with security agents; Active participation in prioritization of projects, implementation and provide information and utilization of infrastructural facilities.
Development Committees	Provide leadership in development and mainstreaming cross cutting issues in projects and programmes.
Donors	Inject new resources in form of credit, grants material support and capacity buildings.
Farmers' Organizations	Promote marketing of farm produce.
Finance Institutions	Avail credit, create awareness and train community on financial management.
Regulatory Boards	Regulation of processing and marketing of the produce
Kenya National Bureau of Statistics (KNBS)	Collection and dissemination of consumable data for planning purposes
National Aids Control Council (NACC)	Provide policy guidance on halting and the reversing the spread of HIV/AIDS; Support OVC's and People Living with HIV/AIDS.
National Council for Persons with Disability	Enhance capacity of disabled person's organizations, institutions and individuals; Support educational institutions for physically challenged
NEMA	Enforcement of EMCA.
Legislature (National and County Assemblies)	Deliberation and approve sector laws & policies and provision of conducive legal environment.
Private Sector	Partners in service provision; Employment creation; Promotion of private enterprises and competition and supplement government effort through PPP. Contribute to revenue generation.
Red Cross	Support disaster response and implementation of development projects; capacity building on disaster management; Research on development.
Research Institution	Carrying out research and development.
Trade Unions	Promotion of labour relations and welfare of workers.
The National Government Ministries	Policy guidance, formulation of conducive laws and training on management skills, enforcement of laws, dispensation of justice, conducting of elections.
Tourists (domestic and international)	Contribute to revenue generation.
Transport Service Providers	Provide public transport services to all stakeholders Enhance economic growth by provision of access to markets by people and goods.
Commissions (SRC, CRA, JSC, CAJ etc)	Constitutional mandate implementation
County public service	Human resource management.

5.3 Resource Requirement by Sector

The following table shows the proposed budget for each sector as derived from the sector programmes.

Table 18: Summary of Proposed Budget by Sector

Sector	Programme	Amount per programme	Total amount per sector (Kshs.)	% of Total Budget
Office of the Governor	Administration and Coordination	1,472,000,000	1,472,000,000	1.86
Finance and Economic Planning	Revenue mobilization and administration	60,000,000	210,000,000	0.27
	Financial management	40,000,000		
	Economic planning and management	110,000,000		
Lands, Physical Planning, Housing and Urbanization	Advancement of affordable and suitable housing	10,250,000,000	12,094,000,000	15.29
	Controlled and sustainable land use	900,000,000		
	Urban development	944,000,000		
Health, Public Health and Sanitation Services	Health systems Planning and Support services	797,000,000	13,103,000,000	16.56
	Preventive and Promotive Health Services	1,040,000,000		
	Curative and Rehabilitative services	11,266,000,000		
Gender and Social Services	Social Welfare	265,000,000	1,449,000,000	1.83
	Community Empowerment	222,000,000		
	Disaster Response	250,000,000		
	Sports Development	712,000,000		
County Public Service, Administration and Youth Affairs	Public administration and management.	841,900,000	911,900,000	1.15
	County public service management	70,000,000		
Agriculture, Livestock and Fisheries Development	Agriculture Management	3,810,000,000	5,894,000,000	75.24
	Agricultural training services	120,000,000		
	Livestock production Management	1,500,000,000		
	Veterinary services	314,000,000		
	Agriculture Mechanization services	150,000,000		
Trade, Culture, Tourism and Cooperative Development	Trade Development	452,000,000	2,669,000,000	3.37
	Fair Trade practice	115,000,000		
	Investment promotion	455,000,000		
	Regional economic integration	150,000,000		
	Industrial and Enterprise Development	780,000,000		
	Tourism promotions and diversification	354,000,000		
	Cultural development	273,000,000		
	Cooperatives development and management	90,000,000		
Education, Science and Technology	Vocational training development	1,268,000,000	4,333,000,000	5.48
	Early childhood development and education management	2,190,000,000		
	Elimu fund	720,000,000		
	ICT development	155,000,000		
Water, Environment and Natural Resources	Water supply and management	12,135,000,000	12,216,500,000	15.44
	Environment & Natural Resources	81,500,000		
County Assembly	Physical infrastructure development	400,000,000	441,000,000	0.56
	Capacity Development	41,000,000		
County Public Service Board	Public service management	238,000,000	238,000,000	0.30
Transport, Public Works, Infrastructure and Communication	County access and feeder roads	22,000,000,000	24,085,000,000	30.44
	Transport management and safety	750,000,000		
	Building and construction services	525,000,000		
	Lighting, power supply and management	763,000,000		
	Renewable Energy promotion	47,000,000		
Total		79,116,400,000	79,116,400,000	100.00

5.4 Resource Mobilization Framework

5.4.1 Source of Revenues

Equitable share

This is from the shared national revenue as provided for in Article 202 and 203 of the constitution. The county receives part of the constitutionally approved share from the consolidated fund as proposed in the Budget Policy Statement, recommended by CRA and approved by The National Assembly.

Additional resources

In addition to the equitable share of revenue, the County Government is also expected to get additional resources from the following sources:

- *Conditional and unconditional* allocations from share of the national government as contemplated under Article 202(2) of the Constitution.
- *Own revenues* from specific county revenue raising measures through imposition of property taxes, entertainment taxes, as well as any other tax and user fees and charges as authorized to impose.
- *Borrowing* provided national government guarantee is obtained as well as the approval of the County Assembly. This will only occur if the funds will be applied to development activities.
- *Grants and donations* from development partners in accordance with section 138 and 139 of the Public Finance Management Act, 2012 and Public Finance Management Act (County Government) Regulations, 2015. There are other grants not channeled through the county revenue funds but helps the county to achieve its development objectives through collaborations e.g. Upper Tana Natural Resource Management Project.

5.4.2 County Government Expenditure

The county government is expected to spend its money for recurrent expenditure and development projects. The development activities are constrained, however the county government will work in collaboration with development partners to cushion the strained development kitty.

5.4.3 Assets and Financial Management

The county treasury is the custodian of all county government assets and liabilities. The county will therefore take stock of all the assets and update the register. The County Treasury will also monitor, evaluate and oversee the management of public finances and economic affairs of the county government including developing and implementing financial and economic policies, preparing the annual budget, coordinating the implementation of the budget and mobilizing resources for funding.

The county is fully accountable to the public on the expenditure and utilization of all funds received by or on behalf of the county government. This is done through quarterly budget implementation and project and program status report as required under section 166(4) of the PFM Act, 2012. All financial

management systems are required to comply with the requirements of all national and county legislations.

The process of financial management will be as follows: The county treasury shall prepare annual budget estimates and seek approval from the county executive committee and the county assembly. The controller of budget will authorize withdrawals from the county revenue funds. The accounting officer is accountable to the county assembly for ensuring that the funds of the entity for which the officer is designated are used in a way that is lawful and authorized. The accounts of the county will be audited by the auditor-General and submit audit reports to the relevant county assembly committees. Internal audits will also be done continuously as a control measure.

5.4.4 Debt management

The main sources of debt to the county government are categorized into two namely;

- Pending bills.
- Inherited debt from defunct local authorities

Each year the county treasury will prepare the Medium Term Debt Management Strategy Paper in accordance with section 123 of PFM Act, 2012 which outlines: The total stock of debt as at the date of the statement; The sources of loans made to the county government; The principal risks associated with those loans; The assumptions underlying the debt management strategy; and an analysis of the sustainability of the amount of debt, both actual and potential.

The county will put more emphasis in ensuring the sustainability of the current debt and establishment of necessary structures to facilitate future borrowing. However, it does not envisage any borrowing to finance the budget and will therefore focus on servicing of existing debt. With the current level of debt, the county government may not be able to accommodate additional borrowing to finance its expenditures.

5.4.5 Capital Financing and Accountability.

Capital projects as contained in this plan will be funded through budgetary allocation from the county government revenue fund, grants and loans from development partners. Over the medium term it is expected that the county will spend not less than 30 percent of its revenue on development as required under section 107(2)(b) of the PFM Act, 2012.

Table 19: Revenue Projections

Type of Revenue	2017/2018	2018/2019	2019/2020	2020/2021	2021/2022	Total
a) Local Revenue	1,000,000,000	1,050,000,000	1,100,000,000	1,150,000,000	1,200,000,000	5,500,000,000
b) Equitable share	4,952,800,000	5,200,440,000	5,460,462,000	5,733,485,100	6,020,159,355	27,367,346,455
c) Conditional grants	729,038,193	1,074,393,922	1,200,153,010	1,344,775,962	1,511,092,356	5,859,453,443
d) Equalization fund						
e) Other sources (Specify)						
Total	6,681,838,193	7,324,833,922	7,760,615,010	8,228,261,062	8,731,251,711	38,726,799,898

5.5 Resource Gap and Measures to Address

The resource requirement for implementation of this plan is Kshs. 79.1 Billion against projected budget estimates of Kshs. 38.7 Billion, creating a resource gap of Kshs. 40.4 Billion. In an attempt to bridge the resource gap by attracting potential investors, the county government will review its policies to significantly reduce the time and cost of doing business, thus improving the overall business environment.

In the health sector, the county will work closely with the national government to tap more funds from the national basket to finance its activities and programmes. In addition, the county will look for donors such as USAID, World Bank, DANIDA among others to provide funds for projects and programmes (preventive, promotive, curative, rehabilitative and palliative) in form of grants supplementing the county sources.

In the infrastructural front, the county will explore Public-Private Partnership (PPP) arrangement as well as engage the donors to cover the existing funding gap in road improvement and maintenance; Construction of intakes, reservoir dams/ pans and distribution lines; Construction of affordable housing in county estates and the management of solid waste. Donor support will also be required to bridge the gap in ICT infrastructure and improvement of vocational training centers. To finance its ICT infrastructure, the county government will also collaborate with the national government agencies e.g. the ICT authority to fund various activities such as development of wide area network.

In agriculture, the county government will explore PPP in value addition of agricultural produce focusing on the agro processing industry that will brand our tea, coffee, cut flowers, and horticulture, dairy and fruit products. Donor support will be enlisted in improving the agricultural training centers and extension programmes to ensure food security. The above interventions will be considered in seeking to finance market chains and cooperative programmes to ease on the county's resource needs. The county will therefore explore all possible resource mobilization strategies to ensure the programmes in this blueprint are executed as planned.

CHAPTER SIX

MONITORING AND EVALUATION FRAMEWORK

6.0 INTRODUCTION

This chapter outlines the rationale for a robust county monitoring and evaluation system, as well as highlighting the key outcomes for the various sectors programs and the desired targets for the plan period. The county monitoring and evaluation framework acknowledges the fact that the county's policies, procedures and systems associated with the inter-related areas of performance management have been progressively changing. The main changes have been attributed to: the county government's imperative to deliver essential services and commitments made to various stakeholders; the need for accurate and up to date data, and tracking and reporting of results to support continuous and improved service delivery; the need for meaningful engagement with stakeholders regarding results; need to comply with legislative and regulatory requirements; and the need to respond to changes in county government's delivery model.

The county government will ensure that there is clear linkage between this CIDP and other plans for effective tracking of progress towards achievement of projects and programmes. The targets set in this plan will be cascaded to departmental level and further to individual work plans annually. Therefore, the focus of county departments' indicators and targets will be alignment to the county's long term direction. Monitoring and evaluation forms part of the Performance Management Framework, which encompasses setting performance indicators, measuring them over time, evaluating them periodically and finally, making course corrections as needed.

6.1 Rationale for County Monitoring and Evaluation Framework

The county monitoring and evaluation framework will facilitate the county government to assess if the policies, programs and projects are implemented according to the planned timelines and targets. The M&E results will be helpful in providing feedback to citizens and resource allocation. Through the monitoring and evaluation system, the county aims to establish: a countywide understanding of monitoring and evaluation issues; create harmony in understanding expectations on results from various actors; enhance culture of focusing on results; clarify roles and responsibilities and also advance the institutionalization of monitoring and evaluation in service delivery. The county government will ensure that this framework will be translated into M&E practices that support public participation, planning, budgeting, delivery, policy development, oversight, reporting and other governance related processes. Further, the transparency and accountability agenda will be advanced through the generation of sound information – to be used in reporting, communication and the improvement of service delivery.

6.2 Data Collection, Analysis and Reporting

The county has a monitoring and evaluation unit that is responsible for data collection, analysis and reporting on projects and programmes implementation. The unit will be strengthened through staffing and continuous training to execute its mandate. There will be a designated officer in every department responsible for monitoring and evaluation in every department. The data collected at the departmental

level will be submitted to the county monitoring and evaluation unit for analysis, compilation and presentation. The county monitoring and evaluation unit will conduct regular surveys to ensure the available data is accurate, authentic and up to date. The data will then be analyzed to inform decision making in planning and budgeting.

There will be establishment of a County Monitoring and Evaluation Committee (CM&EC) that will spearhead monitoring and evaluation activities at the county level. At the county level, the monitoring committee will continue to build the capacity of departments and agencies on monitoring and evaluation. This will ensure that monitoring and evaluation activities are carried out on a continuous basis and the reports are accurate and reliable.

6.3 Legal basis for the County Monitoring and Evaluation framework

The Constitution of Kenya 2010 requires that governments use monitoring and evaluation mechanisms as an integral part of developing and executing government policies, programmes and projects and in resource allocation and management at the two levels of governments.

The County Government Act 2012 requires the county executive committee to design performance management plan (with objective, measurable and time bound performance indicators) to evaluate performance of the county public service and the implementation of county policies. It also requires that the County Integrated Development Plan should have key performance indicators and that the annual county budget be informed by the performance targets of the county. The CIDP should provide clear input, output and outcome performance indicators including but not limited to: the percentage of households with access to basic services Article 43 of the Bill of Rights of the constitution; the percentage of a county’s capital budget actually spent on capital projects identified for a particular financial year in terms of the county’s integrated development plan; the number of jobs created through any local economic development initiatives including capital projects; and financial viability of the integrated development plan in accordance with nationally applicable ratios.

These requirements are in line with those of the Public Financial Management Act 2012 that requires county governments to prepare annual development plans that detail programs to be delivered including measurable indicators of performance where feasible; and the Public Service (values and principles) Act 2015 that requires every public institution develop mechanisms for monitoring and evaluating the effectiveness of public service delivery.

6.4 Monitoring and Evaluation Outcome Indicators

The following table summarises the outcome indicators based on sector priorities and programs. It also highlights the targets at midterm and end of term of the County Integrated Development Plan.

Table 20: Summary of Monitoring and Evaluation

Sector	Programme	Outcome indicators	Baseline	Source of Data	Reporting Responsibility	Mid-term Target (2020)	End-term Target (2022)
Office of the Governor	Administration and Coordination	% departments with Performance Contracts Signed, Implemented and Evaluated	20	Monthly reports	Head of performance	100	100

Sector	Programme	Outcome indicators	Baseline	Source of Data	Reporting Responsibility	Mid-term Target (2020)	End-term Target (2022)
Finance and Economic Planning	Revenue mobilization and administration	% change in revenue collected	-9.4	Annual report	Director of revenue	20	50
	Financial management	% absorption rate	61.5	Annual budget implementation reports	CECM Finance and Economic planning	80	90
		Reduction in number of audit queries	9	Audit reports	CECM Finance and Economic planning	4	3
	Economic planning and management	% of department submitting M&E reports to CMEU	80	M&E reports	Chief Officers in all departments	100	100
		Number of M&E reports	4	M&E reports	Chief Officers in all departments	4	4
Lands, Physical Planning, Housing and Urbanization	Advancement of affordable and suitable housing	% of county officers housed	5	Annual reports	Director of housing	8	10
	Controlled and sustainable land use	% compliance to spatial plan	-	Annual reports	Director of physical planning	100	100
	Urban Development	Km of drainage constructed		Annual project reports	Director of Physical Planning	25	50
		No of Km of street lighting		Annual project reports	Director of Physical Planning	50	100
		Number of Km of roads tarmacked		Annual project reports	Director of Physical Planning	12.5	25
Health, Public Health and Sanitation Services	Health systems Planning and Support services	Percentage level of clients satisfaction	40	Health report	CECM, Health Services	60	70
		Nurse patient ratio	1:834	Health report	CECM, Health Services	1:750	1:650
		Doctor patient ratio	1:7610	Health report	CECM, Health Services	1:7,300	1:7,000
	Preventive and Promotive Health Services	Under Five Mortality rate	52	Health report	CECM, Health Services	40/1,000	30/1,000
		Infant mortality rate	39	Health report	CECM, Health Services	30/1000	25/1000
		Maternal mortality ratio	110/100,000	Health report	CECM, Health Services	85/100,000	70/100,000
	Curative and Rehabilitative services	Facility mortality rate	5.7	Health report	CECM, Health Services	5	4.7
		% of healthcare facilities reporting stock out of essential drugs and supplies	10%	Health report	CECM, Health Services	5	2
	% of hospitals with specialized services	40	Health report	CECM, Health Services	70	100	
Gender and Social Services	Social Welfare	Average number of days in a month girls attend school		Gender and social services reports	CECM, Gender and social services		
			3077	Department reports	CECM Gender and Social Services	8700	12500
				Department reports	CECM Gender and Social Services	62	142
	Community Empowerment	Percentage of either gender attending public forums		Department reports	CECM Gender and Social Services	30	35
	Disaster Response	% of disaster incidences reported and responded to		Department reports	CECM Gender and Social Services	100	100
		No of deaths, missing person and directly		Department reports	CECM Gender and Social Services	0	0

Sector	Programme	Outcome indicators	Baseline	Source of Data	Reporting Responsibility	Mid-term Target (2020)	End-term Target (2022)
		affected person per 100 persons					
	Sports Development	Number of ward based multidisciplinary sports tournaments held		Department reports	CECM Gender and Social Services	22	40
		Number of inter-county sports tournaments participated in		Department reports	CECM Gender and Social Services	10	10
County Public Service, Administration and Youth Affairs	Public administration and management.	Level of customer satisfaction		Department reports	CECM County Public service, Administration and youth affairs	40	70
	County public service management	% of department performance score		Department reports	CECM County Public service, Administration and youth affairs	100	101
Agriculture, Livestock and Fisheries Development	Agriculture Management	Percentage change in agricultural output		Department report	Agriculture, Livestock and fisheries	3	5
		Amount of crop production per hectare		Department report	Agriculture, Livestock and fisheries		
	Agricultural training services	Percentage of farmers adopting modern farming technologies		Department report	Agriculture, Livestock and fisheries	30	50
	Livestock production Management	Percentage change in livestock production		Department report	Agriculture, Livestock and fisheries	3	5
	Veterinary services	Percentage decrease in notifiable diseases outbreak		Department report	Agriculture, Livestock and fisheries	12%	20%
	Agriculture Mechanization services	Percentage of farmers practicing agricultural mechanization		Department report	Agriculture, Livestock and fisheries	30	50
Trade, Culture, Tourism and Cooperative Development	Trade Development	Number of markets developed/rehabilitated/renovated		Department report	CECM Trade, Culture Tourism and Cooperatives	30	50
	Fair Trade practice	Percentage of equipment inspected and verified		Department report	CECM Trade, Culture Tourism and Cooperatives		
	Investment promotion	Number of Producer Business Groups established and linked to market		Department report	CECM Trade, Culture Tourism and Cooperatives	3	5
	Regional economic integration	Number of joint projects		Department report	CECM Trade, Culture Tourism and Cooperatives	3	5
	Industrial and Enterprise Development	Number of new jobs created in the industries		Department report	CECM Trade, Culture Tourism and Cooperatives	2,000	5,000
	Tourism promotions and diversification	Number of tourist arrivals recorded	73,000	Department report	CECM Trade, Culture Tourism and Cooperatives	100,000	120,000
	Cultural development	Number of groups that are actively involved Cultural activities	10	Department report	CECM Trade, Culture Tourism and Cooperatives	20	40
	Cooperatives development and management	% of active cooperatives societies	79	Department report	CECM Trade, Culture Tourism and Cooperatives	85	95

Sector	Programme	Outcome indicators	Baseline	Source of Data	Reporting Responsibility	Mid-term Target (2020)	End-term Target (2022)
Education, Science and Technology	Vocational training development	Enrollment rate		Department report	CECM, Education, Science and Technology	95	100
		Completion rate		Department report	CECM, Education, Science and Technology	95	100
		Retention rate		Department report	CECM, Education, Science and Technology	95	100
	Early childhood development and education management	Enrollment rate		Department report	CECM, Education, Science and Technology	95	100
		Transition rate to primary		Department report	CECM, Education, Science and Technology	95	100
	Elimu fund	Retention rate		Department report	CECM, Education, Science and Technology	100	100
	ICT development	Percentage level of internet connectivity	10	Department report	CECM, Education, Science and Technology	60	90
Water, Environment and Natural Resources	Water supply and management	Percentage of HH with access to affordable clean and safe water	62	Department report	CECM, Water, Environment and Natural Resources	70	85
		Acreage under irrigation	2600Ha	Department report	CECM Water Environment and Natural Resources	3520	4370
	Environment & Natural Resources	% area under tree cover	38.30%	Department report	CECM Water Environment and Natural Resources	40.10	40.30
		Percentage change in river volume and level	5	Department report	CECM Water Environment and Natural Resources	35	55
		% reduction in Unaccounted for Water reported by Water Service Providers		Department report	CECM Water Environment and Natural Resources	15	20
County Assembly	Physical infrastructure development	Number of legislators and officers housed		Department report	Clerk of the County Assembly	140	140
	Capacity Development	Percentage of bills received and approved annually		Department report	Clerk of the County Assembly	100	100
County Public Service Board	Public service management	Percentage of staff requested and recruited		Department report	Secretary to the CPSB	100	100
Transport, Public Works, Infrastructure and Communication	County access and feeder roads	Percentage of tarmacked road	15	Department report	CECM, Transport, Public Works, Infrastructure and Communication	16	17
		Percentage of graveled road network	77	Department report	CECM, Transport, Public Works, Infrastructure and Communication	80	95
	Transport management and safety	Number of bus parks constructed		Department report	CECM, Transport, Public Works, Infrastructure and Communication	3	5
	Building and construction services	Number of reported incidence of collapsed building and bridges		Department report	CECM, Transport, Public Works, Infrastructure and Communication	0	0
	Lighting, power supply and management	Number of street light poles installed	1750	Department report	CECM, Transport, Public Works, Infrastructure and Communication	1948	2080
		Percentage of households connected to electricity		Department report	CECM, Transport, Public Works, Infrastructure and Communication		
	Renewable Energy promotion	Number of alternative energy projects initiated/supported	0	Department report	CECM, Transport, Public Works, Infrastructure and Communication	3	5

ANNEX 1

SECTOR PROJECTS DERIVED FROM PROGRAMMES

7.1 Office of the Governor

7.1.1 Ongoing projects

The projects are funded by County Government of Nyeri and implemented by the County Secretary's office.

Project Name/ Location	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs.)	Source of funding	Timeframe
Electronic Performance Management System and Automated Dashboard	Improved Performance in Service Delivery	1	Design, installation, testing and implementation of an electronic performance management system based		24 million	CGN	April 2018-2019
Main Gate to the County Headquarters	Enhanced security of the Governors office	1	Completed and operational security gate		0.5M	CGN	

7.1.2 New project proposals

The projects will be funded by County Government of Nyeri and implemented by the County Secretary's office.

Project Name/ Location	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs.)	Source of funding	Time frame
Construction of office block	County Wide	Improved working conditions	Office block constructed	Designing, construction and commissioning	500 M	CGN	2018-2022
Construction of Governors residence	County Wide	Improved working conditions	Governor's residence constructed	Designing, construction and commissioning	200 M	CGN	2018-2022

7.2 County Assembly

7.3.1 Ongoing projects

The projects are funded by County Government of Nyeri and implemented by the County Assembly.

Project Name/ Location	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs.)	Timeframe
Refurbishment of the Assembly Canteen	Improve the welfare of Members and staff	1	Refurbish the Canteen to modern status.	Natural Lighting	8M	June 2018
Main Gate to the County Assembly	Enhanced security of the Assembly	1	Completed and operational security gate		4M	June 2018

7.3.2 New project proposals

The projects will be funded by County Government of Nyeri and implemented by the County Assembly.

Project Name/ Location	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs.)	Time frame
Refurbishment of Assembly offices and Chamber	Improved working condition	3	Face-lifting of Assembly building	Reduce environment risk	30M	June 2019
Refurbishment of pathways	Improved working condition	6	Face lifting of pathways	Reduce environment risk	5 M	June 2019
Construction of parking bay canopy	Protect the vehicles	80	Improving the parking lot	Designing, construction and commissioning	20 M	2018-2022
Construction of office block	Improved working condition	1	Office block constructed	Designing, construction and commissioning	200 M	2018-2022
Construction of Speaker's and Clerk's residence	Accommodation of the officers	2	Speaker's and Clerk's residence constructed	Designing, construction and commissioning	50 M	2018-2022
Construction of Police post and housing units	Improve security and working conditions	1	Completed and operational police post	Designing, construction and commissioning	50 M	2018-2022
Construction of new Chamber and Library	Improvement of record keeping and research work	1	Completed and operational library and Chamber	Designing, construction and commissioning	300 M	2018-2022
Hansard and broadcasting systems	To enhance production and security of hansard reports	1	Operational systems in place	Installation of equipment and system Training of personnel	20M	2018-2022
Installation of CCTV Camera	To enhance security	1	Operational system in place	Installation of equipment and system Training of personnel	5 M	2018-2022
Installation of biometric register	To enhance accountability	1	Operational system in place	Installation of equipment and system Training of personnel	5 M	2018-2022

7.4 Finance and Economic Planning

7.4.1 On-going projects

This project is getting funding from County Government and implementation by the department of Finance and Economic Planning.

Project Name/Location	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs.)	Timeframe
Refurbishment of treasury offices	Improve working conditions	Treasury office refurbished	Partitioning and painting	Natural lighting	20 M	2017/18-2018/19

6.4.2 New Project Proposals

These projects will get funding from County Government and implementation by the department of Finance and Economic Planning.

Project Name/Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Timeframe	
Revenue automation	County Wide	To enhance revenue collection	System in place and use	Procurement and Installation of a revenue system Training	50 M	2018-2022
Decentralization of IFMIS	County Wide	Improved service delivery	IFMIS decentralises in 13 departments	Installation of equipment and system Training of personnel	10 M	2018-2022
Automation of internal audit	County Wide	Compliance with all laid down financial regulations	Internal audit system in place and use	Procurement and Installation of an Audit system Training	20 M	2018-2022
Asset management	County Wide	Identification of county assets	100%	Asset tagging and valuation; Asset register	10M	2018-2022
Construction of revenue offices	County Wide	Improvement of working conditions	Office block built	Construction of offices	20 M	2018-2022
Institutional capacity building	County Wide	Improved service delivery	Offices trained	Training of staff	50 M	2018-2022

7.5 Lands, Housing, Physical Planning and Urbanisation

7.5.1 On-going projects

Project Name/Location	Objectives	Targets	Description of Activities (Key Outputs)	Cost (Ksh)	Source of funding	Timeframe	Implementing Agency
Planning and survey of colonial villages	To ensure security of Tenure to the residents	KISIP Ngorano – Mathira West SC Ruruguti – Othaya SC, Giakaibii – Mathira West SC; Njoguini – Tetu SC; Kanjora, - Tetu SC County Government Kihome- Othaya SC, Warazo jet – Kieni East SC; Githiru – Nyeri town SC; Ngaini – Mathira West SC; Chieni – Mathira West SC; Gikoe – Othaya SC; Njigari – Othaya SC; Thunguma – Nyeri Town SC; Uasonyiro – Kieni West SC; Witima – Othaya SC; Karundu- Mukurweini SC	Participatory planning, Development of the local physical development plan(LPDP),Surveying,Validation, Approval of the LPDP and survey plan	123 M	County Government of Nyeri and Kenya Informal settlements Improvement Project (KISIP),	12 months	CGN/ KISIP

7.5.2 New Project Proposals

The projects will be implemented by the department of Lands, Housing, Physical Planning and Urbanisation.

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe
Planning & survey	Iriaini ward (Mathira)	To provide security of tenure	(Kiamwangi, Kahuru, Kiarathiaini, Itundu, Mbari ya Njagi- Thengeini, Gatondo)	Planning & survey & issuance of title deeds	50M	GoK/ CGN	2018-2022
Iria-ini Land Survey and Mapping	Iria-ini Ward (Othaya)	To provide security of tenure		Survey and mapping	5M	GoK/ CGN	2018-2022
Refurbishment of 200 No. county government residential houses	County Wide	To provide modern affordable and decent housing.	Blue Valley, Karatina, Mweiga, NaroMoru,	Designing; Tendering; Implementation; Commission	100 M	CGN	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Time frame
			Mukurweini, Ruringu, Kimathi and Ringroad Estates.				
Development of a housing bill and policy	County Wide	To provide a legal framework for administration of county government of Nyeri houses	An Act on Housing	Drafting stage; Public Participation; Legislation	1 M	CGN	2018-2022
Training of youth groups on Appropriate Building Technologies	County Wide	To establish ToTs on ABTs	Two groups per sub county	Identifying the groups; Training	10M	CGN	2018-2022
Feasibility study	County Wide	To guide on project viability	Blue Valley, Karatina, Mweiga, NaroMoru, Mukurweini, Ruringu, Kimathi and Ringroad Estates.	Develop TORs; Procurement; Report implementation	30M	CGN	2018-2022
Establishment of a G.I.S laboratory	County Wide	Provide a modern facility for analysing spatial data	-Land records and plans.	Purchasing of G.I.S equipment and softwares; Training of Staff	100 M	CGN	2018-2022
Survey and processing of ownership documents for all commercial centres in the county	County Wide	To provide security of tenure	All unsurveyed public land.	Tendering; Participatory planning; Development of the local physical development plan (LPDP); Surveying, Approval of LPDP and Survey Plan.	250 M	CGN	2018-2022
Preparation of a valuation roll	County Wide	Provide basis for charging land rates	All rateable areas in the county	Develop TORs; Procurement; Report implementation	200 M	CGN	2018-2022
Development of a county spatial plan	County Wide	Provide basis for optimal land use.	countywide	Develop TORs; Procurement; Report implementation	250M	CGN	2018-2022
Demarcation of public land	Dedan Kimathi Ward	Security of tenure	All public land, Markets, Schools, Churches, Villages	Surveying and demarcating	20 M	GoK / CGN	2018-2022
Kiamutiga Public Land	Wamagana Ward	Security of tenure	1 Village	Surveying and Planning	10 M	GoK / CGN	2018-2022
Ewasonyiro trading centre	Endarasha Mwiyo	Security of tenure	1 Centre	Surveying and planning	10 M	GoK/ CGN	2018-2022
Demarcation of public land	Dedan Kimathi Ward	Security of tenure	All public land, Markets, Schools, Churches, Villages	Surveying and demarcating	10 M	GoK / CGN	2018-2022
Kiamutiga Public Land	Wamagana Ward	Security of tenure	1 Village	Surveying and Planning	10 M	GoK / CGN	2018-2022
Ewasonyiro trading centre	Endarasha Mwiyo	Security of tenure	1 Centre	Surveying and planning	10 M	GoK/ CGN	2018-2022
Pura Trading Centre	Endarasha Mwiyo	Security of tenure	1 Centre	Surveying and planning	10 M	GoK/ CGN	2018-2022
Kanyagia Trading Centre	Endarasha Mwiyo	Security of tenure	1 Centre	Surveying and planning	10 M	GoK/ CGN	2018-2022
Mwihoko Trading Centre	Endarasha Mwiyo	Security of tenure	1 Centre	Surveying and planning	10 M	GoK/ CGN	2018-2022
Wendiga Exwilly's	Endarasha Mwiyo	Security of tenure	1 Centre	Surveying and planning	10 M	GoK/ CGN	2018-2022
Gatarakwa Public Land	Gatarakwa Ward	Security of tenure	10acres	Procurement of land for public utilities	10 M	GoK/ CGN	2018-2022
Mweiga Town Planning and Survey	Mweiga Ward	Security of tenure	1 town	Planning and Surveying of Town	10 M	GoK/ CGN	2018-2022
Mweiga County Estate	Mweiga Ward	Security of tenure	1 estate	Rehabilitation of County Owned houses and Estates	10 M	GoK/ CGN	2018-2022
Samaki Village Allocation Project	Mweiga Ward	Security of tenure	1 village	Surveying and Issuance of Title deeds	10 M	GoK/ CGN	2018-2022
Njeng'u Dam, Kiguru Dam, Bondeni Dam	Mweiga Ward	Security of tenure	1 village	Surveying and demarcation	10 M	GoK/ CGN	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Time frame
Gikoe colonial villages	Mahiga Ward	Security of tenure	2 village	Demarcation and issuance of title deeds	10 M	GoK/CGN	2018-2022
Kamakwa/ Mukaro Public Land	Kamakwa/ Mukaro Ward	Security of tenure	10acres	Acquisition for Youth and Sport	10 M	GOK/CGN	2018-2022
Chinga Dam Surveying	Chinga Ward	Security of tenure	1 Dam	Surveying	10 M	GOK/CGN	2018-2022
Ngaru plot/ Shopping Centre Survey	Chinga Ward	Security of tenure	1 Town	Surveying	10 M	GOK/CGN	2018-2022
Nyarugumu	Kiganjo Mathari	Security of tenure	1 Centre	Surveying and planning	10 M	GoK/CGN	2018-2022

7.6 Health and Sanitation

7.6.1 On-going Projects

These projects are to be funded and implemented by the County Government of Nyeri in collaboration with the National Government

Project Name/Location	Objectives	Targets	Description of Activities(Key Outputs)	Green economy Considerations	Cost Kshs	Time frame
Upgrading of Othaya Level-4 hospital-Phase 1.	Upgrade the hospital to fully-fledged level 4, tier 3 county hospital with all facilities	A fully-fledged level 4 hospital	Completion of Phase 1. Outpatients, wards, maternity, Theatre, departments.	Solar water heating system to be provided.	100M	2018
Muthangira Dispensary	Improve Access to health care	12 room OPD block	Completion Of outpatient block	Use of natural lighting and solar	1M	2019
Ruruguti Dispensary	Improve Access to health care	One maternity Wing	Complete One maternity Wing with 12 beds	Use of natural lighting and solar	8.5M	2018
Karaba Health Centre	Improve Access to health care	one of X-ray unit	Install an x-ray unit	Use of natural lighting and solar	4M	2018
Ichamara Dispensary	Improve Access to health care	One maternity Wing	Complete One maternity Wing with 12 beds	Use of natural lighting and solar	7.5M	2018
Wamagana Health Centre	Improve Access to health care	12 room OPD block	Completion Of outpatient block	Use of natural lighting and solar	7.5M	2017
Kinyaiti Dispensary	Improve Access to health care	12 room OPD block	Completion Of outpatient block	Use of natural lighting and solar	0.5M	2018
Kiambogo Dispensary	Improve Access to health care	12 room OPD block	Operationalization	Use of natural lighting and solar	1M	2018
Ihwagi,Ragati,Kiawara and Maragima colonial villages	Improve Access to health care	4 mobile health facilities	Construction of mobile clinics in selected sites	Use of natural lighting and solar	0.2M	2018
Community health services	To enhance household health and dissemination of health information	251 Community health units	Training ,equipping and stipends	none	350M	2018 to 2022
Capacity Development on specialized health skills	To upscale the level of skills	40 health workers per year	In-service Training of health workers on critical skills.	None	15M	2018-2022
Solid waste Management wastes management	Upscale refuse collection	35,000 tonnes of waste in Nyeri county	Sweeping, collection, disposal and dumpsite management.	Controlled tipping	175M	2018-2022
		20 acres land	Procurement and development of land for dumpsite	Controlled tipping	30M	2018
		3 cemeteries.	Procurement of cemetery		20M	2018
		5 dump sites in the urban centers	Rehabilitation of 5 dumpsites		30M	2018

7.6.2 New project proposals

The projects are to be funded and implemented through collaboration between County Government of Nyeri, National Government and Partners.

Project Name	Location	Objectives	Targets	Description of Activities(Key Outputs)	Cost Kshs	Time frame
Upgrading of Othaya Level -4 hospital. Phase2	Othaya	Upgrade the hospital to fully-fledged level 4, tier 3 county hospital with all facilities	A fully-fledged level 4 hospital	Construction of Radiology, kitchen /Laundry / Mtce unit, Admin block and mortuary.	500M	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities(Key Outputs)	Cost Kshs	Time frame
Upgrading of Othaya Level -4 hospital. Phase3	Othaya	Upgrade the hospital to fully-fledged level 4, tier 3 county hospital with all facilities	A fully-fledged level 4 hospital with a training facility	Construction of am Medical college.	400M	2018-2022
Installation of ICT infrastructure to support EMR in all County health facilities, County & Sub-County Headquarters	County wide	Improve medical records data capture and Financial Management (HMIS)	1 One(1)Electronic medical records system	Installation of electronic medical records system	20M	2018-2022
Installation of CCTV systems in our level IV hospitals	County wide	Improve transparency and accountability	Functional CCTV system	4 functional CCTV systems	20M	2018-2022
Renovation and refurbishment of PGH Hospital and a car park	Nyeri Town	Improve service delivery	PGH hospital	Renovation of entire PGH hospital	500M	2018-2022
Nyeri CRH Hospital Mortuary	Nyeri Town	Improve Mortuary services	1 Mortuary	Refurbishment and renovation Mortuary	20M	2018-2022
Nyeri CRH twin orthopedic ward	Nyeri Town	Reduce congestion	A twin orthopedic ward		20M	2018-2022
Nyeri CRH palliative care unit	Nyeri Town	Improve access to health service	A palliative care unit		20M	2018-2022
Mukurweini Hospital	Mukurweini	Improve access to health service	An outpatient and admistration block	Construction of outpatient and admistration block	50 M	2018-2022
Mukurweini Hospital	Mukurweini	Improve maternal and neonatal outcomes	A maternity with a born unit	Construction of a maternity including new born unit	100M	2018-2022
Karatina Hospital New born unit	Karatina	Improved neonatal outcomes	1 New born unit	Construction of 1(one) newborn unit (6 rooms)	15M	2018-2022
Karatina Hospital paediatric unit	Karatina	Reduce child mortality	1 pediatric ward	Construction of 1(one) pediatric consisting of 6 rooms	20M	2018-2022
Karatina Hospital General Store	Karatina	Improve supply chain management	1 general store	Construction of 1 general store	10M	2018-2022
Karatina radiology Unit	Karatina	Improve radiology services	1 radiology unit	Construction and equipping a radiology unit	10M	2018-2022
Karatina Hospital Mortuary	Karatina	Improve Mortuary services	1 Mortuary	Refurbishment and renovation Mortuary	20M	2018-2022
Mt Kenya Hospital Outpatient	Nyeri Town	Improve management of outpatient services	Outpatient block	Expansion of Outpatient block to level 4 standards with at least 10 rooms	12M	2018-2022
Mt Kenya Hospital Inpatient	Nyeri Town	Improve management of inpatient services	Inpatient block	Expansion of inpatient block to level 4 standards with at least 144 beds	100M	2018-2022
Mt Kenya radiology Unit	Nyeri Town	Improve radiology services	1 radiology unit	Construction and equipping a radiology unit	10M	2018-2022
Mt Kenya Hospital Maternity unit	Nyeri Town	Improve maternal Health	1 maternity ward	Construction of 1(one) maternity ward consisting of 40 beds	50M	2018-2022
Mt Kenya Hospital General Store and laundry	Nyeri Town	Improve supply management	1 general store and laundry	Construction of 1 general store and laundry	15M	2018-2022
County Isolation ward at Mt. Kenya Hospital	Nyeri Town	Prevent disease spread in health care settings	A specialized isolation unit	Construction of a specialized isolation unit	20M	2018-2022
Mukurweini Hospital Outpatient casualty and Admin Block.	Mukurweini	Improve on health Service delivery	Outpatient,Casualty and Administration Block	Construction of outpatient,Casualty and Administration Block	100M	2018-2022

Mutitu Play Ground	Gikondi Ward	To promote sports activities and physical fitness	One Play ground	Fencing and rehabilitation	1M	2018-2022
Irathimiro Play ground	Gikondi Ward	To promote sports activities and physical fitness	One Play ground	Grading and levelling	1M	2018-2022
Kaharo Sport Field	Gikondi Ward	To promote sports activities and physical fitness	One Play ground	Grading and levelling	1M	2018-2022
Gikumbo Talent Centre	Magutu Ward	To establish a holistic talent academy	1 talent centre	Establish a talent centre (Art and Sports)	2.5M	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs)	Time frame
Munungaini Talent Centre	Kamakwa/ Mukaro Ward	To establish a holistic talent academy	One talent center	Construction and equipping of Youth, Sports, ICT Centre and a Social Hall at Tetu Nursery	2.5M	2018-2022
Marua Social Hall	Gatitu/ Muruguru Ward	Provide conducive meeting conference facility	1 Social Hall	Construction of a Social Hall.	1M	2018-2022
Muruguru Social Hall	Gatitu/ Muruguru Ward	Provide conducive meeting conference facility	1 Social Hall	Construction of a Social Hall.	1M	2018-2022
Thunguma Vocational Centre	Gatitu/ Muruguru Ward	To establish a holistic talent academy	1 Centre	Construction	1.5M	2018-2022
Gichiche Library	Chinga Ward	Promote reading culture	1 Library	Rehabilitation and equipping	2M	2018-2022
Chinga South West Library	Chinga Ward	Promote reading culture	1 Library	Construction	2M	2018-2022
Chinga Community Library	Chinga Ward	Promote reading culture	1 Library	Upgrading	2 million	2018-2022
Chinga Community Hall	Chinga Ward	Provide conducive meeting conference facility	1 Hall	Upgrading	1 Million	2018-2022
Kiriti Stadium	Mukurwe-ini Central	To promote sports activities and physical fitness	One Stadium	Rehabilitation, Drainage improvement.	3 million	2018-2022
Ichamara Social Hall	Mukurwe-ini Central	Provide conducive meeting conference facility	1 Social Hall	Construction	1 Million	2018-2022
Githungungu Social Hall	Mukurwe-ini Central	Provide conducive meeting conference facility	1 Social Hall	Rehabilitation and equipping	1 Million	2018-2022
Old Municipal Hall	Rware Ward	Provide conducive meeting conference facility	1 hall	Renovation	1M	2018 - 2022

7.7.3 Stalled Projects

Project Name	Location	Description of activities	Reasons for stalling	Proposed measures
Gichira Stadium	Tetu	Perimeter wall	No-funds from G.O.K	County Government to fund
Karatina Stadium	Mathira East	Perimeter Wall, Pavillion, Gate, washrooms and changing rooms	No funds from G.O.K	County Government to fund
Kiriti Stadium	Mukurwe-ini	Fencing, Pavillion, upgrade track and football pitch	No-funds from G.O.K	County Government to fund

7.8 County Public Service, Administration and Youth Affairs

7.8.1 On-going Projects

The projects are to be funded by the County Government of Nyeri and implemented by the department

Project Name/ location	objectives	Targets	Description of activities (key output)	Cost (Kshs.)	Time frame
Contracted Professional Services	Assess employee level of job satisfaction; Ascertain conduciveness of working environment; Level of service delivery	County workforce; Working stations; County clients/ customers	Employee satisfaction survey; Work environment survey; Customer satisfaction survey	6,752,846	2017-19
Construction of Buildings	Efficient and effective service delivery	Construct 6 Wards and Sub County offices	Construction of buildings	21M	2017-19

7.8.2 New Project Proposals

The projects are to be funded by the County Government of Nyeri and implemented by the department

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Timeframe
36 sub county and ward offices	County wide	Improve Service delivery.	36 office blocks	Construction and equipping	350M	2018-2022
Construction of 38 notice boards	County wide	Disseminate information to citizens.	38 notice boards	Construction of the notice boards	1.9M	2018-2022
Capacity building	County wide	Improve staff performance.	200 Staff	Training staff and performance improvement programs.	30M	2018-2022
Pre-Feasibility, feasibility and appraisal on alcohol	County wide	Improve regulation of manufacturing, sale and consumption of alcohol.	8 Sub Counties.	Conducting research on effects of alcohol on the populace.	10M	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Timeframe
Licensing	County wide	Improve regulation of manufacturing, sale and consumption of alcohol.	1700 alcoholic premises.	Licensing of alcoholic drinks premises,	25M	2018-2022
Digitisation of alcoholic drinks control and management records	County wide	Improve regulation of manufacturing, sale and consumption of alcohol.	1 database	Creating a database of all licensed premises.	7M	2018-2022
Digitization of H.R records	County wide	Improve records management	3,070 employees	Procurement of hardware, software and	7M	2018-2022
Human Resource Plan	County wide	Provide staffing levels in relation to strategic objectives of the county	1 validated HR Plan	Collection and analysis of information on employees and posts; Workload analysis; Analysis of CIDP vis a vis its human resource requirements	3M	2018-2022
Surveys	County wide	Establish levels of job satisfaction among employees and customer satisfaction.	3,070 employees.	Conduct employee and work environment survey; Conduct customer satisfaction survey.	6M	2018-2022
Staff welfare	County wide	Improve employee safety and work performance; Improve staff morale and development.	200 staff ; 3,070 staff	Purchase of staff uniform; Availing loan facilities for car and mortgage to staff at subsidised rate.	5M; 1 billion	2018-2022
Civic Education	County wide	Enlightened citizenry.	30 wards.	Conducting workshops, TOT training,	50M	2018-2022
Public Participation	County wide	Increase participation in local governance	30 Wards	Mobilisation of citizens,	100M	2018-2022
Purchase of enforcement vehicle	County wide	Reduction on compliance of county laws	6 vehicles	Purchase of motor vehicles	30M	2018-2022
Purchase of riot gear	County wide	Reduction on non-compliance of county laws	80 riot gears	Purchase of riot gears-helmets,	2.4M	2018-2022
Staff motivation	County wide	Enhance staff morale and productivity	3,070 staff	Team building, County staff sports day, End of year parties	20M	2018-2022
Wamagana Ward Offices	Wamagana Ward	Improve Service delivery.	1 Office block	Construction and Equipping	7M	2018-2022
Ward office (Kiawamururu)	Mukurweini west Ward	Enhance service delivery	1 No. Office	construction and refurbishment	3M	2018-2022
Mahiga Ward Office	Mahiga Ward	To enhance service delivery	1 Ward Office	Construction and Equipping	7M	2018/2022

7.9 Agriculture Livestock and Fisheries Development

7.9.1 On- going Projects

These projects are being implemented by the Department of Agriculture, Livestock and Fisheries Development.

Project Name/ location	objectives	Targets	Description of activities (key output)	Cost (Kshs.)	Source of funding	Time frame
County Agriculture, Livestock and Fisheries extension/county wide	To Increase agricultural production and productivity	By 5%	Capacity building of farmers through demos, field days FFS etc.; Recruitment of staff; Linking farmers to market organization via proposal writing; Procurement of motor cycles and vehicles; Enhancing research; Exhibiting in ASK Show; Organizing and facilitating of World food day	1.92B	CGN/ SIVAP/ ASDSP/ KCSAP/ UTaNRMP	2018-2022
Improvement of working environment	To improve working environment	six sub-county offices	Procurement and implementation of building works	420M	CGN	2018-2022
Transport of staff	To improve staff mobility	16	Procurement of 7 motor cycles and 16 vehicles	150M	CGN/ KVA/GoK	2018-2022
Dairy farming improvement /Countywide	To improve milk quality	7%	Procurement and distribution of milk coolers	60M	CGN	2018-2022
Clean fodder/pastures planting materials/ Countywide	To bulk and provide farmers with clean planting materials	1 acre per sub county	Procurement and distribution of clean planting materials from research stations, ATC, ADC and existing sites	25M	CGN/ NDMA	2018-2022

Project Name/ location	objectives	Targets	Description of activities (key output)	Cost (Kshs.)	Source of funding	Time frame
Bee keeping	To improve apiary production and productivity	5%	Capacity building of youth Procurement of hives and accessories	10M	CGN	2018-2022
Breeding /Countywide	To improve livestock breeds	5% for the period	Procurement of semen and A.I. equipment; provision of the AI Services	90M	CGN/ SIVAP	2018-2022
Disease and pest control in livestock / Countywide	To reduce disease and pest infestation of livestock	25 % over the period	Procurement and administering of vaccines to livestock; Disease surveillance in livestock; Capacity building of both staff and farmers	150M	CGN/ KVA/GoK/N DMA	2018-2022
Disease and pest control in crops / Countywide	To reduce disease and pest infestation of crops	30 % over the period	Capacity building of staff and farmers; demonstrations; surveillance in both crops	10M	CGN/GoK	2018-2022
Coffee value chain / Tetu, Othaya, Nyeri central, Mukurweini and Mathira East and West	To increase coffee production and productivity	8kgs per bush	Capacity building of staff and farmers; Top working of coffee trees	30M	CGN	2018-2022
Horticulture crops / Kieni East and West	To reduce post-harvest losses	By 2% per year	Construction of storage accessories for farm produce, produce collection centers and other storage facilities	14M	CGN/ SIVAP	2018-2022
Bulking of clean crop planting materials / Countywide	To provide farmers with clean planting materials	1.5 acre per sub county	Procurement and distribution of clean planting materials from research stations, ATC, ADC and existing sites	50M	CGN	2018-2022
Soil Health / Countywide	To increase crop production and productivity	15%	Procurement and distribution of lime	500M	CGN	2018-2022
Fruit trees / Countywide	To improve food security	5%	Capacity building of farmer- Procurement and distribution of fruit tree seedlings	250M	CGN	2018-2022
Wamagana Processing plant /Tetu	To improve on fish keeping quality	100 tons per year	Maintenance of the plant; Collection of fish from sub county freezers; Marketing	10M	CGN	2018-2022
Ponds and dams /Countywide	To increase fish production and productivity	By 30%	Rehabilitation of dams and pods; Restocking of dams and ponds	90M	CGN	2018-2022
Wambugu ATC/Nyeri Central	To provide quality agricultural training Services and facilities	By 20%	Completion of hostel; Construction of a modern gate; Construction of a cottage industry; Expansion of the irrigated area	100M	CGN	2018-2022
AMS Naromoru /Kieni East	To offer mechanization services to the Agricultural Sector	4M in revenue	Procurement of plant and equipment	150 M	CGN	2018-2022

7.9.2 New Project Proposals

The projects are to be funded by the County Government of Nyeri, National Government and development partners.

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Time frame
Gakindu dairy milk	Mukurweini west Ward	To improve quality of milk	One of 3000 liters	Purchase of cooler, subsidised vaccination, AI Services and clinic facility	4M	CGN/ GoK	2018-2022
Kagarii coffee collection Centre	Mukurweini west Ward	To reduce post harvest losses	One of 3000 liters	Building of a coffee collection centre	6 M	CGN/ GoK	2018-2022
Kagunyu dam	Mukurweini west Ward	To improve fish productivity	One of 3000 liters	Dredging, Fencing and purchase of fingerlings	10 M	CGN/ GoK	2018-2022
Kaheho dam	Mukurweini west Ward	To improve fish productivity	One of 3000 liters	Dredging, Fencing and purchase of fingerlings	10 M	CGN/ GoK	2018-2022
Kahigaini cattle watering point	Gikondi Ward	To improve livestock nutrition	One of 3000 liters	Construction of cattle watering point	0.2M	CGN/ GoK	2018-2022
Wakararu cattle watering point	Gikondi Ward	To improve livestock nutrition	One of 3000 liters	Construction of cattle watering point	0.2M	CGN/ GoK	2018-2022
NgumaKahinga cattle watering point	Gikondi Ward	To improve livestock nutrition	One of 3000 liters	Construction of cattle watering point	0.2M	CGN/ GoK	2018-2022
WanjikuMutahi cattle watering point	Gikondi Ward	To improve livestock nutrition	One of 3000 liters	Construction of cattle watering point	0.2M	CGN/ GoK	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Time frame
KirurumokiaNyange cattle watering point	Gikondi Ward	To improve livestock nutrition	One of 3000 liters	Construction of cattle watering point	0.2M	CGN/ GoK	2018-2022
Kibutio milk cooling plant	Gikondi Ward	To improve milk quality	One of 3000 liters	Construction and Equipment	4M	CGN/ GoK	2018-2022
Karaba Milk cooling Plant	Gikondi Ward	To improve milk quality	One of 3000 liters	Construction, Equipment and installation	4M	CGN/ GoK	2018-2022
Kiharo Milk Cooling Plant	Gikondi Ward	To improve milk quality	One of 3000 liters	Construction, Equipment and installation	4M	CGN/ GoK	2018-2022
Gikondi Milk cooling Plant	Gikondi Ward	To improve milk quality	One of 3000 liters	Construction, Equipment and installation	4M	CGN/ GoK	2018-2022
Endarasha dairy Cooperative Society Feed mixture	Endarasha/ Mwiyo	To formulate quality feeds for farmers	1	Procurement and installation of the mixture	1M	CGN	2018-2022
Endarasha dairy Cooperative Society Digital weighing machines	Endarasha/ Mwiyo	To ensure accuracy in weighing milk	10	Procurement and distribution of the machines	1.2M	CGN	2018-2022
Endarasha dairy Cooperative Society Standby generator	Endarasha/ Mwiyo	To mitigate against power blackout	1	Procurement and installation	1M	CGN	2018-2022
Endarasha dairy Cooperative Society Nitrogen containers	Endarasha/ Mwiyo	To reduce AI cost services	5	Procurement and installation	1M	CGN	2018-2022
Endarasha dairy Cooperative Society Milk Chiller	Endarasha/ Mwiyo	To increase shelf life of milk	1	Procurement and installation	1.5M	CGN	2018-2022
Ndimaini, Kieni, Gathugu, Karindundu, Gatwe Cattle dips	Konyu Ward	To control diseases outbreak	5	rehabilitation	1M	GOK/CGN	2018-2022
Kiganjo slaughter house	Kiganjo/ Mathari Ward	To improve food security	1	rehabilitation	0.2M	GOK/CGN	2018-2022
Kirimukuyu Green houses	Kirimukuyu Ward	To promote marketing	20	Construction & equipping	8M	GoK/ CGN	2018-2022
Gaikundu agricultural research centre	Mukurwe-ini West Ward	To enhance productivity	1 Centre	Construction and Equipping	5M	CGN/ GOK	2018-2022
Mutitu Factory Selection Sheds	Mukurwe-ini Central Ward	To enhance productivity	1 Factory Sheds block	Construction and Equipping	0.8M	CGN/ GoK	2018-2022
Kanyagia Onion Store	Endarasha/M wiyogo Ward	To promote productivity	1 Store	Construction and Equipping	3M	CGN/ GoK	2018-2022
Gura River Fish pond projects	Wamagana Ward	To promote productivity	20 Fish ponds	Construction and equipping	2M	CGN/ GoK	2018-2022
Kagumo River Fish ponds	Wamagana Ward	To promote productivity	20 Fish ponds	Construction and equipping	2M	CGN/ GoK	2018-2022
Ruirie Cattle Dip	Mugunda Ward	To control diseases outbreak	1 Cattle Dip	Construction and Equipping	0.2M	CGN/ GoK	2018-2022
Thungari Dam	Thegu River Ward	To improve food security	1 Dam	Disilting and Restocking of dams with fish fingerings	0.5M	CGN/ GoK	2018-2022
Kamiru Dam	Thegu River Ward	To improve food security	1 Dam	Disilting and Restocking of dams with fish fingerings	0.5M	CGN/ GoK	2018-2022
Mirera Dam	Thegu River Ward	To improve food security	1 Dam	Disilting and Restocking of dams with fish fingerings	0.5M	CGN/ GoK	2018-2022
Karicheni Dam	Thegu River Ward	To improve food security	1 Dam	Disilting and Restocking of dams with fish fingerings	0.5M	CGN/ GoK	2018-2022
Lusoi Dam	Thegu River Ward	To improve food security	1 Dam	Disilting and Restocking of dams with fish fingerings	0.5M	CGN/ GoK	2018-2022
Ams Dam	Thegu River Ward	To improve food security	1 Dam	Disilting and Restocking of dams with fish fingerings	0.5M	CGN/ GoK	2018-2022
Kamuhuria dam	Thegu River Ward	To improve food security	1 Dam	Disilting and Restocking of dams with fish fingerings	0.5M	CGN/ GoK	2018-2022
Richardson Dam	Thegu River Ward	To improve food security	1 Dam	Disilting and Restocking of dams with fish fingerings	0.5M	CGN/ GoK	2018-2022
Gathathi-ini Dam	Thegu River Ward	To improve food security	1 Dam	Disilting and Restocking of dams with fish fingerings	0.5M	CGN/ GoK	2018-2022
Wamagana Milk Coolers	Wamagana Ward	To promote marketing	10 Milk Coolers	Installation and equipping	8M	CGN/ GoK	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Time frame
Muthuaini Milk Cooler	Kamakwa/ Mukaro	To promote marketing	10 Milk Coolers	Installation and equipping	8M	CGN/ GoK	2018-2022
Lamuria Dairy Cooling Plant	Mugunda Ward	To promote marketing	1 Cooler	Installation and Equipping	0.8M	CGN/ GoK	2018-2022
Karicheni Cattle Dip	Thegu River Ward	To control diseases outbreak	1 Cattle Dip	Rehabilitation and equipping	0.2M	CGN/ GoK	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Time frame
Kieni School's Feeding Program	All Kieni Wards	Increase enrolment, provide conducive learning environment	All ECDEs	Upscale of school meal programmes	20 M	2018-2022

7.11.3 Stalled Projects

Project Name	Location	Description of activities	Reasons for stalling	Proposed measures
Workshop - Kianduiga YP	Iriaini (Mathira)	Construction	Waiting the next Phase of National Government Funding	Collaboation between County and National Govt for completion
Workshop and Hostel - Karatina YP	Karatina town	Construction	Waiting the next Phase of KIDDP Funding	Collaboation between County and KIDDP for completion

7.12 Water, Environment and Natural Resources

7.12.1 On-going projects

These are projects being implemented by the department of Water, environment and natural resources.

Project Name/ Location	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs)	Source of funding	Time frame
Iruri Irrigation Project Ruguru Ward	To increase area under irrigation.	500HH	Laying of distribution lines and infield systems.	Spur Economic growth through irrigation and agricultural development; Create employment for women and youth empowerment.	25m	CGNCommunity	2018-2019
Sagana Irrigation Project Ruguru Ward	To increase area under irrigation.	500HH	Construction of 2No. 225m ³ masonry storage tank.	Sustainable food security; Intensification of land through use of safe farm inputs and chemicals; Introduction of drip irrigation for efficient use and water management	8m	CGN Community	2018-2019
Kariithi Irrigation Project Karatina/Kirimukuyu wards	To increase area under irrigation.	500HH	Construction of 2No. 225m ³ masonry storage tank; Procurement of pipes & installation of distribution lines.	Intensification of land use through better land and water management.	15m	CGN Community	2018-2019
Muthira Water Project Ruguru Ward	To provide water for domestic use	8000 HH	Construction of intake,tank& distribution Pipeline	Social Economics improvement; Poverty reduction; Environmental improvement will be realized; Health standard will be improved; Time used to fetch water will be reduced	20m	CGN Community	2018-2020
Lower Magutu Irrigation Project Karatina Ward	-To increase area under irrigation.	1000 HH	Construction of intake & Pipeline	The project will improve the livelihood of the community through:-Social interactions; Economical improvement; Environmental improvement will be realized.	60m	CGN/GOK Community Donors	2018-2021
Kaguyu/ Kienja-ini Irrigation Project Iria-ini Ward	-To increase area under irrigation.	800 HH	Pipes for 13km main line & for 30km distribution lines.	Intensification of land through use of safe farm inputs and chemicals	40m	CGN/GOK Community Donors	2018-2021
Kanjuri water Project Magutu Ward	To provide water for domestic use.	300 HH	Construction of Intake (common intake for 3 W/Ps) hydraulics features installations and L/V/Cs	Social Economics improvement; Poverty reduction; Environmental improvement will be realized; Health standard will be improved; Time used to fetch water will be reduced	15m	CGN Community	2017-2018
Kagochi/Kahurathi Magutu Ward	To provide water for domestic use	130 HH	Construction of intake(common Intake for 3 intakes) & tank, hydraulic fixtures installation and L/V/Cs	Social Economics improvement; Poverty reduction; Environmental improvement will be realized; Health standard will be improved; Time used to fetch water will be reduced	8m	CGN Community	2017-2018
Ihwagi/Kahachu Magutu/Iriaini	To provide water for domestic use	250 HH	Laying of main pipeline, distributions and intake construction	Social Economics improvement; Poverty reduction; Environmental improvement will be realized; Health standard will be improved; Time used to fetch water will be reduced	10m	CGN Community	2017-2020
Karembu Konyu Ward	To provide water for domestic use	150 HH	Construction of Pump House, Procure and install solar system,	Social Economics improvement; Poverty reduction; Environmental improvement will be realized; Health standard will be	7M	CGN Community	2017-2018

Project Name/ Location	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs)	Source of funding	Timef rame
			Tank rehabilitation, replacement & repair of sand filter media & Scooping of the Intake	improved; Time used to fetch water will be reduced			
Chehe water project Iriaini Ward (Mathira)	To provide water for domestic use	1500 HH	Desilting of Intake, Trenching & Laying of pipeline and construction of 150m ³ masonry tank	Social Economics improvement; Poverty reduction; Environmental improvement will be realized; Health standard will be improved; Time used to fetch water will be reduced	27M	CGN Community	2017-2022
West Magutu Magutu ward	To provide water for domestic use and minor Irrigation.	500 HH	Construction of Intake & 150m ³ masonry tank Trenching & Laying of pipeline	Social Economics improvement; Poverty reduction; Environmental improvement will be realized; Health standard will be improved; Time used to fetch water will be reduced	5m	CGN Community	2017-2022
Iria-ini Water Project Iria-ini Ward (Mathira)	To provide water for domestic use and minor Irrigation.	400HH	Construction of 150m ³ masonry tank	Social Economics improvement; Poverty reduction; Environmental improvement will be realized; Health standard will be improved; Time used to fetch water will be reduced	2.5m	CGN Community	2017-2020
Kairia Water Project Iria-ini Ward (Mathira)	To provide water for domestic use and minor Irrigation.	600HH	Construction of 150m ³ masonry tank	Social Economics improvement; Poverty reduction; Environmental improvement will be realized; Health standard will be improved; Time used to fetch water will be reduced	2.5m	CGN Community	2017-2018
Kanjuri Water Project Iria-ini Ward (Mathira)	To provide water for domestic use and minor Irrigation.	800HH	Construction of 150m ³ masonry tank	Social Economics improvement; Poverty reduction; Environmental improvement will be realized; Health standard will be improved; Time used to fetch water will be reduced	2.5m	CGN Community	2017-2018
Mukore water project Konyu ward	To improve & increase water access	5 km	Piping	Social Economics improvement; Poverty reduction; Environmental improvement will be realized; Health standard will be improved; Time used to fetch water will be reduced	7m	CGN	2018-2022
Mbogoini springs project Kirimukuyu Ward	To improve & increase water access	5 springs	Rehabilitation of springs at Giathathu, Iraguma, Kiangero, Giakibura and Gaburiri	Social Economics improvement; Poverty reduction; Environmental improvement will be realized; Health standard will be improved; Time used to fetch water will be reduced	2.5m	CGN	2018-2022
Mathira Water & Sanitation Company	To improve water & Sewerage services	2000 HH	Procurement of pipes & installation of distribution lines. Rehabilitation of distribution lines & existing storage Tanks. Expansion of existing pipe lines, storage facilities, sewerage treatment plant & network. Construction of full treatment plants. Procurement of district master & Consumer meters	Social Economics improvement; Poverty reduction; Environmental improvement will be realized; Health standard will be improved; Time used to fetch water will be reduced	1.6B	CGN GOK Company Donors	2018-2022
Othaya Mukurweini Water Services Company Ltd	To improve water & Sewerage services	4000 HH	Rehabilitation of Othaya town reticulation system Construction of treatment works, new intake at Gatango, Sludge drying beds, Masonary tank at Nduma & Pipeline. Replacement & relocation of pipeline.	Health standard will be improved Social Economics improvement. Poverty reduction Environmental improvement will be realized. Time used to fetch water will be reduced	303M	CGN GOK Company Donor	2018-2022

Project Name/ Location	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs)	Source of funding	Timef rame
			Decentralised sanitation facilities in various towns. Sewer lines extension for Othaya Procurement of district master & Consumer meters				
Naromoru township water project Naromoru/Kiamathaga ward	To provide water for domestic use, improve water quality and Sanitation.	2200 HH	Construction of pipeline , storage tanks, Sewerage system, Completion of Treatment Works, Drilling & equipping borehole Procurement of district master & Consumer meters	The project will improve the livelihood of the community through. -Social impact. -Economical improvement -Environmental improvement will be realized.	628m	CGN GOK Company Donors	2018-2022
Kaing'ore Hydrum project (Kirurumo Kianyange) Gikondi Ward	To Increase area under irrigation by 12.5 acres and increase food production.	100HH.	Construction of 1no reinforced Hydrum platform and extension of 0.5km pipeline system	Promote food production and wealthy creation as per vision 2030	0.65M	CGN Community	2018-2019
Thiha Sagana Irrigation project in Rugi ward	To Increase area under irrigation by 75 acres and increase food production.	150HH	Rehabilitation of intake works, fitting and extension of piping system to about 20Km	Promote food production and wealthy creation as per vision 2030	8m	CGN Community	2017-2019
Thiha Micro Irrigation project in Rugi ward	To Increase area under irrigation by 50 acres and increase food production.	100HH	Rehabilitation of intake ,fitting and extension of piping system to about 25Km.	Promote food production and wealthy creation as per vision 2030	10m	CGN Community	2017-2020
Mukurwe-ini Rural Water Project (Gathugu) Rugi Ward	To provide water for domestic use and minor Irrigation.	100HH	Construction of 100m ³ masonry tank	Social Economics improvement. Poverty reduction Environmental improvement will be realized. Health standard will be improved Time used to fetch water will be reduced	2m	CGN Community	2017-2018
Kamoko/ Mahiga Irrigation Project, phase 2 – Mahiga Ward	Increase area under irrigation	250 HH	Laying of pipeline for 12kms	Water use efficiency strategies to increase water utilization in irrigation Sustainable crop production for food security; Intensification of land use through better land and water management eg Use of soil and water conservation measures in irrigated land to reduce land degradation	11 M	TARDA CGN CDF Community	2017-2019
Changachicha /Kagongo irrigation project-Chinga Ward	Increase area under irrigation	800acres (3200 HH)	Construction of intake laying of pipeline for 120km of mainline and distribution network	Create employment for women and youth in green economy Sustainable food security and empower the resident economically and socially. Intensification of land use	125M	CGN Gok Community Donors	2016-2022
Kahuro-Kianjoro irrigation project-Karima ward	Increase area under irrigation	30acres (120 HH)	laying of pipeline for the mainline and distribution network Installation of Hydrum and 100CM storage tank	Spur Economic growth through irrigation and development Create employment for women and youth in green economy Sustainable food security Intensification of land through use of safe farm inputs and chemicals Introduction of drip irrigation for efficient use of water	10m	CGN Community	2016-2020
Ichagethi irrigation project-Iria-ini ward, Othaya	Increase area under irrigation	260HH	laying of pipeline for the mainline, distribution network and Construction of the Intake	Sustainable food security Intensification of land use Introduction of drip irrigation for efficient use of water	10m	CGN Community	2018-2021

Project Name/ Location	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs)	Source of funding	Time frame
Ihwa irrigation project Kamakwa/ Mukaro	Increase area under irrigation	35 ha	Construction of pipelines Ranging from 225-32 mm Ø upvc pipes total distance 10km construction of 2 No BPT and river crossings	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	15m	CGN Community	2018- 2022
Wangi Kanuna irrigation project Mathari Kiganjo (UTaNRMP, IFAD) (Donor)	Increase area under irrigation	70 ha	Construction of pipelines Ranging from 355-32 mm Ø upvc pipes total distance 33km & Rehabilitation of 1 No. Tank.	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	15m	IFAD CGN Community	2018
Kihuyo irrigation project Mathari Kiganjo	Increase area under irrigation	40 ha	Construction of pipelines Ranging from 225-32 mm Ø upvc pipes total distance 20km & Construction of 1 No 225 m ³ masonry tank	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	30m	CGN Community Donor	2018- 2022
Njengu irrigation project Mathari Kiganjo	Increase area under irrigation	225 acres	Construction of pipelines ranging from 225-32mmØ upvc and GI pipes total distance about 25 km & construction of 2 No 225m ³ tanks	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	87m	CGN GOK Community Donors	2018- 2022
Riamukurwe irrigation project Gatitu / Muruguru	Increase area under irrigation	700 acres	Construction of pipelines ranging from 355-20 mm dia with total distance of 52 km & 3No major road crossings	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	90 m	NIB CGN Community	2018- 2022
Mwiyo water project Endarasha/ Mwiyo ward	To provide water for domestic use.	3000 HH	Construction of the new Intakes, main pipeline and construction of tanks	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	50m	CGN GOK Community Donors NDMA	2017- 2022
Endarasha self-help water project Endarasha ward	To provide water for domestic use.	2700 HH	Extension of pipeline and construction of tanks.	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	30m	CGN GOK Community NDMA Donors	2017- 2019
Nganyuthe Water project	To provide water for domestic use.	1000 HH	Construction of the new Intakes, main pipeline and construction of tanks.	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	35m	CGN GOK Community Donors NDMA	2017- 2022
Gatarakwa Water Project Mugunda Ward	To provide water for domestic use.	3600 HH	Construction of tanks and distribution network.	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	50m	CGN GOK Community Donors NDMA	2017- 2019
Mutitu B Water project Mugunda Ward	To provide water for domestic use.	1100 HH	Construction of Water Storage tanks and 2 nd phase pipeline.	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	25m	CGN GOK Community Donors NDMA	2018- 2022
Simbara-Bondeni Irrigation Project Mweiga Ward	To provide water for domestic use.	1100 HH	Trenching, pipe laying and construction of 135m ³ storage tanks.	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	25m	CGN GOK Community Donors NDMA	2018- 2022

Project Name/ Location	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs)	Source of funding	Timef rame
Simbara Amboni Water Project Mweiga Ward	To provide water for domestic use.	3000 HH	Construction of storage tank, new intake and pipeline.	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	30m	CGN GOK Community Donors NDMA	2018- 2022
Simbara Kamatongu Water Project Mweiga Ward	To provide water for domestic use.	1500 HH	Construction of water storage tanks, extension of distribution lines.	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	25m	CGN GOK Community Donors NDMA	2018- 2022
Bamboo Hill Water project Gataragwa ward	To provide water for domestic use.	700HH	Construction of storage tank, new intake and pipeline.	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	15m	CGN Community NDMA	2017- 2019
Treffos/ Kiburuti Water Project Enderasha/Mwiyo g o ward	To provide water for domestic use.	2600 HH	Rehabilitation of the Intake, upgrading of the main pipeline and construction of water storage tanks.	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	20m	CGN GOK Community Donors NDMA	2018- 2022
Kirinyaga Nyange Water Project Kabaru ward	To provide water for domestic use.	550HH	Construction of water storage tanks 3No.of 225m ³ and 9km pipeline. Rehabilitation to allow for re-routing gravity main.	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	27m	CGN GOK Community Donors NDMA	2018- 2022
Kihoto Water project (Kambura-ini splinter group) Narumoru/ Kiamathaga	To provide water for domestic use.	680HH	Rehabilitation of intake, Kambura-ini 7-acre dam & Borehole. Construction of water storage tanks 2No.of 225m ³ and 9km pipeline	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	25m	CGN GOK Community Donors NDMA	2018- 2022
Kirika Water project (Kambura-ini splinter group) Narumoru/ Kiamathaga Ward	To provide water for domestic use.	750HH	Rehabilitation of intake & Borehole. Construction of water storage tanks 2No.of 225m ³ and 7km pipeline.	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	19m	CGN GOK Community Donors NDMA	2018- 2022
Huku Water project Gakawa Ward	To provide water for domestic use.	1220 HH	Rehabilitation of intake, Equipping new Borehole. Construction of water storage tank 225m ³ and 9 km pipeline.	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	14m	CGN Community NDMA	2018- 2022
Warazo jet water project Kabaru Ward	To provide water for domestic use.	3000 HH	Construction of water storage tank 225m ³	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	4m	CGN	2017- 2018
Mwea B Water Project (Mlima Kenya) Gakawa Ward	To provide water for domestic use.	450HH	Completion of water storage tank 225m ³	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	1.5m	CGN	2017- 2018
Ngongithi Water Project Thegu Ward	To provide water for domestic use.	250HH	Construction of water storage tank 150m ³	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	2.5m	CGN	2017- 2018

Project Name/ Location	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs)	Source of funding	Time frame
Guraga Water project (Kaga splinter group) Gakawa Ward	To provide water for domestic use.	600HH	Rehabilitation & Equipping Guara Borehole. Construction of Intake, water storage tanks 3No. of 225m ³ and 18 km pipeline.	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	38m	CGN GOK Community Donors NDMA	2018-2022
Maka Green Water project Gakawa Ward	To provide water for domestic use.	560HH	Rehabilitation of intake. Construction of 10.5km pipeline & 1No. 225m ³ storage tanks. Drilling new borehole.	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	13m	CGN Community NDMA	2018-2022
Mureru water project Gakawa Ward	To provide water for domestic use.	870HH	Rehabilitation of intake. Construction of 36km pipeline & 3No. 225m ³ storage tanks. Drilling new borehole.	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	47m	CGN GOK Community Donors NDMA	2018-2022
Njogu-ini-Gitero-Kabati (NGK) Kiamathaga ward	To provide water for domestic use.	600HH	Rehabilitation of intake. Construction of 12.6km pipeline & 3No. 225m ³ storage tanks.	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	31m	CGN GOK Community Donors NDMA	2018-2022
Thung'are water project (Honi intake) Thegu River ward	To provide water for domestic use.	500HH	Construction of intake. Construction of 32km pipeline & 3No. 225m ³ storage tanks. Drilling new borehole	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	60m	CGN GOK Community Donors NDMA	2018-2022
Lower Kakuret water project Thegu River ward	To provide water for domestic use.	310HH	Rehabilitation of intake & Borehole. Construction of water storage tanks 1No. of 225m ³ and 9 km pipeline.	It will improve the livelihood of the community through:- Social impact; Economical improvement; Environmental improvement will be realized; Technological improvement within the community.	14m	CGN Community NDMA	2018-2022
Giakagu Irrigation Wamagana Ward	Increase area under irrigation	160HH	Laying of pipeline for the mainline and distribution network & Construction of the Intake	Create employment for women and youth in green economy Sustainable food security and empower the resident economically and socially. Intensification of land use	5M	CGN Community	2018 – 2022
Kimathi Muhoya Irrigation Dedan Kimathi Ward	Increase area under irrigation	1000 HH	Laying of pipeline for the mainline and distribution network	Proper land use for agricultural productivity. Create employment for women and youth in green economy Sustainable food security and empower the resident economically and socially.	10M	CGN Community	2018 – 2022
Gaithuri Irrigation Dedan Kimathi Ward	Increase area under irrigation	60HH	Laying of pipeline for the mainline and distribution network	Create employment for women and youth in green economy Sustainable food security and empower the resident economically and socially	1.5M	CGN Community	2018 – 2019
Aberslopes Irrigation	Increase area under irrigation to cover with irrigation water by	80HH	Laying of pipeline for the mainline, distribution network & storage tank (150m ³)	Create employment for women and youth in green economy Sustainable food security and empower the resident.	5.5M	CGN Community	2018 – 2019
Kaigonji Aguthi Gaaki Irrigation Gaaki Aguthi Ward	Increase area under irrigation	2700 HH	Laying of pipeline for the mainline, distribution network & Construction of 225 m ³ and 90 day storage facility	Proper land use for agricultural productivity. Create employment for women and youth in green economy Sustainable food security and empower the resident economically and socially.	40M	CGN GOK Community Donors	2018 – 2022
Kinaini water project Dedan Kimathi	To increase water supply.	1000 Households	Construction of a treatment plant, 2no. storage tanks, expansion	Proper land use for agricultural productivity.	30m	CGN GOK Community	2018 – 2022

Project Name/ Location	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs)	Source of funding	Timef rame
			of intake and 7km pipeline.	Create employment for women and youth in green economy Sustainable food security and empower the resident economically and socially.		Donors	
Titie – Tetu & Thegenge water project.	To increase water supply.	3000 Households	Completion Titie treatment works and Rehabilitation of Wamagana T/Works.	Proper land use for agricultural productivity. Create employment for women and youth in green economy Sustainable food security and empower the resident economically and socially.	30m	CGN GOK Community Donors	2018 – 2022
Kienjero dam Mugunda Ward	Increase water supply coverage area.	15000 m ³	Rehabilitation and fencing.	The project will improve the livelihood of the community through. Social impact. Economical improvement Environmental improvement will be realized.	3M	CGN NDMA	2018 – 2022
Mugaka Dam Mugunda Ward	Increase water supply coverage area.	40000 m ³	Rehabilitation and fencing.	The project will improve the livelihood of the community through. Social impact. Economical improvement Environmental improvement will be realized.	6M	CGN NDMA	2018 – 2022
Bondeni Dam Mweiga Ward	Increase water supply coverage area.	20000 m ³	Rehabilitation and fencing.	The project will improve the livelihood of the community through. Social impact. Economical improvement Environmental improvement will be realized.	3M	CGN NDMA	2018 – 2022
Githima Dam Gakawa ward	Increase water supply coverage area.	60000 m ³	Rehabilitation and fencing.	The project will improve the livelihood of the community through. Social impact. Economical improvement Environmental improvement will be realized.	4.5M	CGN NDMA	2018 – 2022
Guara II Dam Gakawa ward	Increase water supply coverage area.	60000 m ³	Rehabilitation and fencing.	The project will improve the livelihood of the community through. Social impact. Economical improvement Environmental improvement will be realized.	5M	CGN NDMA	2018 – 2022
Kaheho Dam Rugi Ward	Increase water supply coverage area.	14000m ³	Rehabilitation and fencing.	The project will improve the livelihood of the community through. Social impact. Economical improvement Environmental improvement will be realized.	3M	CGN NDMA	2018 – 2022
Muturanguru Mwiyo Ward	Increase water supply coverage area.	30000 m ³	Rehabilitation and fencing.	The project will improve the livelihood of the community through. Social impact. Economical improvement Environmental improvement will be realized.	5M	CGN NDMA	2018 – 2022
Hiriga Dam Ruguru Ward	Increase water supply coverage area.	60000 m ³	Rehabilitation and fencing	The project will improve the livelihood of the community through. Social impact. Economical improvement Environmental improvement will be realized.	4.5M	CGN NDMA	2018 – 2022
Waraza Lusoi Dam Kabaru Ward	Increase water supply coverage area.	108000 m ³	Rehabilitation and fencing	The project will improve the livelihood of the community through. Social impact. Economical improvement Environmental improvement will be realized.	22M	CGN GOK Donors NDMA	2018 – 2022

Project Name/ Location	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs)	Source of funding	Timef rame
Ruthagati Ruguru	Increase water supply coverage area.	250000 m ³	Rehabilitation and fencing	The project will improve the livelihood of the community through. Social impact. Economical improvement Environmental improvement will be realized.	10M	CGN GOK Community Donors NDMA	2018 – 2022
Nganyuthe Dam Gataragwa Ward	Increase water supply coverage area.	25000 m ³	Rehabilitation and fencing	The project will improve the livelihood of the community through. Social impact. Economical improvement Environmental improvement will be realized.	4M	CGN NDMA	2018 – 2022
Nyeri Water and Sewerage Company Limited	Iprove sewerage services and fecal sludge management	2,500 H/H	Construction of reticulation and expansion of Kangemi sewerage treatment plant	Health standard will be improved	865 m	CGN GOK Company Donors	2018- 2022
Tetu Aberdare Water and Sanitation Company	To provide water for domestic use, improve water quality and Sanitation.	16,000 H/H	Construction of water conservation reservoir ,Full Treatment Works,Bulk trunk mains,New distribution networks,Augumentation of Existing system,Storage tanks, 4No modern public toilets in majoe market centres,procurement of zonal and customer meters and water catchment preservation and protection	The project will improve the livelihood of the community through. -Social impact. -Economical improvement -Environmental improvement will be realized.	527 m	CGN GOK Company Donors	2018- 2022
County school greening programs Mukurweini	Increase area under forest cover	200,000 tree seedling s 20,000 fruit seedling s	Procuring and planting of tree and fruit seedlings.	The project will improve the livelihood of the community through. -Social impact. -Economical improvement -Environmental improvement will be realized.	9 m	CGN NDMA	2018- 2022
County greening (Agro forestry)	Increase area under forest household level.	123,600 fruit seedling s and 680,000 Grevilli a seedling s	Procuring and planting of tree seedlings.	The project will improve the livelihood of the community through. -Social impact. -Economical improvement -Environmental improvement will be realized.	44.5m	CGN	2018- 2022
Protection of riparian area and river bank stabilization. County wide	Increase River flows	10km	Procuring and planting of tree seedlings.	The project will improve the livelihood of the community through. -Social impact. -Economical improvement -Environmental improvement will be realized.	2.0 m	CGN	2018- 2022
County towns and GOK offices beautification	Clean and beautiful towns	Town streets and office compou nd	Procuring and planting of tree seedlings.	The project will improve the livelihood of the community through. -Social impact. -Economical improvement -Environmental improvement will be realized.	2.5 m	CGN	2018- 2022
Climate change mitigation	Reduced woodfuel usage	150 instituti ons	Procuring energy saving Jikos		20milli on	CGN/ NDMA Donors	2018- 2022
Karemenu Mega dam	Endarasha/Mwiy ogo,Gataragwa	200Ha	Excavation and piping		13B	National Government	2017- 2022

Project Name/ Location	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs)	Source of funding	Time frame
	and Mugunda wards						
Naromoru Mega dam	Naromoru- Kiamathaga and Gakawa wards	200Ha	Excavation and piping		17B	National Government	2017- 2022
Othaya /Mukurweini water and sanitation company	Othaya and Mukurweini sub- counties	1000H H	Provision of clean portable water and improved sanitation services		303M	CGN/Natio nal Government	2017- 2022
Mathira water and sanitation company	Mathira West and East sub-counties	1000H H	Provision of clean portable water and improved sanitation services		1.6B	CGN/Natio nal Government	2017- 2022
County Water Boozers	County Hqs	5 No.	Provision of clean portable water		30M	National Government NDMA	2017- 2022

7.12.2 New Project Proposals

These projects will be implemented by the department of Water, environment and natural resources. They will be funded by Count Government of Nyeri in collaboration with the national government.

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs)	Timefram e
Thungari Dam	Thegu River Ward	Increase water storage	1 no. dam	Rehabilitation	5M	2018-2022
Nyeri Water & Sewerage Company project	Kirimukuyu (Ruthagati, Kiangoma, Karogoto, Ngunguru, Ngorano, Ngurumo, Thaiithi, Kiawarigi. Tumu Tumu and Rititi)			Land acquisition for water storage tanks sites; Way leave acquisition for the pipelines and other installations; Laying of the transmission main from Ngargarithi to the pumping station near Hohwe dam; Construction of the pumping station and water tanks; Laying of the rising main from the pumping station to the tumutumu tank; Laying of the gravity and distribution mains to; Laying of the service lines		
Thirigitu Dam	Thegu River Ward	Increase water storage	1 no. dam	Construction	10M	2018-2022
Lusio Dam	Thegu River Ward	Increase water storage	1 no. dam	Rehabilitation	5M	2018-2022
Mugi Dam	Thegu River Ward	Increase water storage	1 no. dam	Rehabilitation	5M	2018-2022
Ndambuki Dam	Thegu River Ward	Increase water storage	1 no. dam	Rehabilitation	15M	2018-2022
Upper Rongai Borehole	Thegu River Ward	Increase access to water	1 No. borehole	Drilling and equipping	5M	2018-2022
Lower Rongai Borehole	Thegu River Ward	Increase access to water	1 No. borehole	Drilling and equipping	5M	2018-2022
Karicheni Boreholes	Thegu River Ward	Increase access to water	2 No. borehole	Drilling and equipping	10M	2018-2022
Warazo-Lusoi Water Project	Thegu River Ward	Increase access to water	3.3km	Laying of 150pipes-6inches; 200 pipes-4 inches; 100 pipes- 3inches and 100pipes- 2 inches.	2M	2018-2022
Ngonde – Gatei Water Project	Thegu River Ward	Increase access to water	8.1km,1No. intake &1No. Dam	Laying of 400pipes-3inches; 800 pipes-2 inches; 150pipes -½" inches; rehabilitation of intake and Rukurwe valley dam	12M	2018-2022
Maragima Water Project	Thegu River Ward	Increase access to water	1 No. intake	Construction of intake at Gakurwa	8M	2018-2022
Bio Gas Project(All Homes)	Gakawa Ward	To enhance access to safe environment	16,000 homes	construction of Biogas project	8M	2018-2022
Lower Muthu-ini Dam	Endarasha Ewiyogo	Increase water storage	1 Dam	Desilting	4M	2018-2022
Mwiyogo Water Project	Endarasha Ewiyogo	Increase water supply	1 Project	Purchase of water pipes	5M	2018-2022
Marua Irrigation Project	Gatitu/Muruguru Ward	To enhance access to clean and safe water	Water supply	Water supply	6M	2018-2022
Thunguma Irrigation Project	Gatitu/Muruguru Ward	To enhance access to clean and safe water	Water supply	Water supply	8M	2018-2022
Githiru Irrigation Project	Gatitu/Muruguru Ward	To enhance access to clean and safe water	1 storage Tank	Construction of a storage tank	3M	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs)	Timeframe
Riagamuru Irrigation Project	Gatitu/Muruguru Ward	To enhance access to clean and safe water	1 storage Tank	Construction of a storage tank	5M	2018-2022
Muruguru Water Project	Gatitu/Muruguru Ward	To enhance access to clean and safe water	1 Dam	Construction of a Water Dam	2M	2018-2022
Thunguma Water Project	Gatitu/Muruguru Ward	To enhance access to clean and safe water	Water supply	Water supply	2M	2018-2022
Nyeri Primary ECD Centre	Rware Ward	Increase access to water	Water supply	1 tank	5M	2018-2022
Mount Kenya Salvation ECD Centre	Rware Ward	Increase access to water	Water supply	1 tank	5M	2018-2022
Gaikundo Gikira Water Irrigation Project	Mukurweini west Ward	Increase access to water	One Water project	Water harvesting from rivers	1M	2018-2022
Githagara Hdro Water Irrigation Project	Mukurweini west Ward	Increase access to water	One Water project	Water harvesting from rivers	1M	2018-2022
Gaikundo Iganjo Water Irrigation project	Mukurweini west Ward	Increase access to water	One Water project	Water harvesting from rivers	1M	2018-2022
Ningaini Ngurunga Water Irrigation Project	Mukurweini west Ward	Increase access to water	One Water project	Water harvesting from rivers	1M	2018-2022
Gathanji Go Green Water Irrigation Project	Mukurweini west Ward	Increase access to water	One Water project	Water harvesting from rivers	1M	2018-2022
Thunguri Kabuku Water Irrigation Project	Mukurweini west Ward	Increase access to water	One Water project	Water harvesting from rivers	1M	2018-2022
Gikumbo Water Tank	Magutu ward	Improve access to Clean water	Construction of Water Tank	Construction of Water Tank	1M	2018-2022
Gitunduti Water Tank	Magutu ward	Improve access to Clean water		Construction of Water tank	1M	2018-2022
Bush Clearing	Magutu ward	Improve access Security		Employment of Permanent Work Force		2018-2022
Water Conservation	Magutu ward	Improve access to Clean water		Rehabilitation of Dams	2M	2018-2022
Forest Conservation	Magutu ward	Improve access to Clean water	Planting of Trees	Forest Conservation	2M	2018-2022
Naromoru water treatment plant	Naromoru/ Kiamathaga Ward	Increase water storage	1No.	Construction of storage tanks	4M	2018-2022
Mugunyu Water Project	Naromoru/ Kiamathaga Ward	Increase access to water	3km	Laying of distribution pipes	2M	2018-2022
Gitero Boreholes	Naromoru/ Kiamathaga Ward	Increase access to water	2 No. boreholes	Rehabilitation and equipping; Solar installation	6M	2018-2022
Gatune Borehole	Naromoru/ Kiamathaga Ward	Increase access to water	1 No. Borehole	Construction, equipping and storage tank	5M	2018-2022
Warazo Jet water project	Kabaru Ward	Increase water storage	1 No. tank & 1No. Intake	Construction of water tank ; sub-surface water weir	5M	2018-2022
Charati Water Project	Kabaru Ward	Increase access to water	3km & 1 No. borehole	Laying of distribution pipes; drilling and equipping of borehole;	8M	2018-2022
Mwema Water Project	Kabaru Ward	Increase access to water	3km and 1No. tank	Rehabilitation of existing pipeline; construction of storage tank	5M	2018-2022
Migwi's land borehole	Kabaru Ward	Increase access to water	1 No. borehole	Drilling and equipping of borehole	5M	2018-2022
Muthigani's water tank	Kabaru Ward	Increase water storage	1 No. storage tank	Construction of tank	4M	2018-2022
Cherati water project	Kabaru Ward	Increase water storage	1 No. intake	Renovation of intake	2M	2018-2022
Warazo /Lusoi/Jet water project	Kabaru Ward	Increase access to water	3km	Laying of distribution lines(120-6"; 180-4"; 80-3" pipes)	1.5M	2018-2022
Kandune water project	Kabaru Ward	Increase access to water	2km	Laying of distribution lines(160-2"; 130-1 ½ " pipes)	0.5M	2018-2022
Kabaru Mega Intake Irrigation Water Project	Kabaru Ward	Increase access to water and reduce conflicts.	1 no. Intake 2 No. storage tanks 5Km Pipeline	Clustering of all water projects along Thegu river, construction water tanks and intake; laying of pipes	50M	2018-2022
Mawasco water project	Kirimukuyu ward (Ngandu, Kaiyaba, Kanyama, Mbogoini , Tumutumumu, Karogoto, Gathogorero areas)	Increase water distribution and access (Domestic)		Construction of intakes, Reservoir tanks, distribution pumping and piping	2M	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs)	Timeframe
Nyewasco Water project	Kirimukuyu ward (Thaithi, Rititi, Kiangoma, Ngurumo, Gathogorero ,Gathagana - Thiu areas)	Increase water distribution and access (Domestic)		Construction of intakes, Reservoir tanks, distribution pumping and piping	2M	2018-2022
Caliba Springs and Caves	Kirimukuyu Ward	Fencing and tree planting		Fencing	2M	2018-2022
Nyaruguma Water Project Storage Tank	Kiganjo/Mathari Ward	Construction of Water Tank	One water Project	Construction	1M	2018-2022
Tanks for 10 ECDE Centres	Kiganjo/Mathari Ward	Purchase of 10, 000 Litres for 10 ECDE Centres	10 Water Storage Tanks	Purchase of Water Tanks	3M	2018-2022
Gikanga Water Project	Kabaru Ward	Increase access to water	3km, 1No. tank & 1No. pan	Expansion of pipeline, construction of storage tank and a water pan	15M	2018-2022
Nairobi river Irrigation Water Project	Kabaru Ward	Improved food security	1 No. storage tank 1 No. office block	Construction of water tank and laying of pipeline Construction of an office	4M	2018-2022
Ruai Water Project	Gakawa Ward	Increase access to water	1 No. borehole	Drilling and equipping borehole; laying of 6" pipes-4km	10M	2018-2022
Kamangura borehole	Gakawa Ward	Increase access to water	1 No. borehole	Rehabilitation and installation of solar power	3M	2018-2022
Kibururti borehole	Gakawa Ward	Increase access to water	1 No. borehole	Rehabilitation and installation of solar power	3M	2018-2022
Mikambune dam	Gakawa Ward	Increase water storage	1 No. dam	Rehabilitation	5M	2018-2022
Kaaga water project	Gakawa Ward	Increase water storage	1No. tank	Construction of a storage tank	4M	2018-2022
Mwea B water project	Gakawa Ward	Increase access to water	2No. boreholes	Drilling and equipping of boreholes	5M	2018-2022
Gakawa agricultural farmers SHG	Gakawa Ward	Improved food security	2No. drip kits & 1No. pan	Provision of drip irrigation kits and excavation of water pans	2M	2018-2022
Gura/ Ugachiku water project	Mahiga Ward	Increase access to water	Newly completed by NIB	Rehabilitation of pipeline	5M	2018-2022
Kahuro / Kirai water project	Mahiga Ward	Increase access to water	wash out chambers	Construction of wash out chambers	10M	2018-2022
Mbafu water spot	Mahiga Ward	Increase access to water	600HHs	Rehabilitation of the community water point	5M	2018-2022
Miiri-ini water project	Mahiga Ward	Improved food security	3km	Laying of pipes for irrigation water	5M	2018-2022
Kamumu water project	Mahiga Ward	Improved food security	3km	Laying of pipes for irrigation water	5M	2018-2022
Njigari irrigation project	Mahiga Ward	Improved food security	800HHs	Excavation of a dam (njigari forest); Construction of intake and piping	10M	2018-2022
Rukira irrigation project	Mahiga Ward	Improved food security	3km	Construction of intake and Laying of pipes	25M	2018-2022
Kahuro irrigation project	Karima ward	Improved food security	3km	Laying of pipes	2M	2018-2022
Unjiru dam	Karima ward	Increase water storage	1No. Dam	Levelling of the dam	1M	2018-2022
Karathi irrigation project	Karima ward	Improved food security	3km	Laying of pipes	2M	2018-2022
Kiandegu water project	Karima ward	Improved food security	1 No. intake	Construction of an intake	1M	2018-2022
Gikeu water project	Karima ward	Improved food security	1 No. hydram	Construction of a hydram	1.5M	2018-2022
Kinaiyu water project	Karima ward	Improved food security	1 No. hydram	Construction of a hydram	1.5M	2018-2022
Kagongo water project	Karima ward	Improved food security	1 No. hydram	Construction of a hydram	1.5M	2018-2022
Mbari ya Ngai water project	Karima ward	Improved food security	1 No. hydram	Construction of a hydram	1.5M	2018-2022
Gura River Irrigation Scheme	Karima	Improved food security	1300HHs	Construction of intake and piping	5M	2018-2022
Thuti River Irrigation Scheme	Karima	Improved food security	1300HHs	Construction of intake and piping	5M	2018-2022
Karu Water Project	Ruguru Ward	Improved food security	1300HHs	Completion	5M	2018-2022
Ruguru Water Project	Ruguru Ward	Improved food security	1300HHs	Completion	100M	2018-2022
Kianyange Dam	Ruguru ward	Increase water storage	1300HHs	Rehabilitation	8M	2018-2022
Kanyata Water Pan	Kirimukuyu Ward	Increase water storage	1300HHs	Rehabilitation	3M	2018-2022
Rimai Water Pan	Kirimukuyu Ward	Increase water storage	1300HHs	Rehabilitation	3M	2018-2022
Kianjogu water project	Kirimukuyu Ward	Increase water storage	1300HHs	Construction of water tank; Purchase of pipes	5M	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs)	Timeframe
Gatamuki water Pan	Kirimukuyu Ward	Increase water storage	1 No. Water Pan	Rehabilitation	3M	2018-2022
Galiba water pan	Kirimukuyu Ward	Increase water storage	1 No. Water Pan	Rehabilitation	3M	2018-2022
Giakabura Water Pan	Kirimukuyu Ward	Increase water storage	1 No. Water Pan	Rehabilitation	3M	2018-2022
Rwanda Water Pan	Kirimukuyu Ward	Increase water storage	1 No. Water Pan	Rehabilitation	3M	2018-2022
Kirimukuyu Community Water Project	Kirimukuyu Ward	Increase water storage	1500HHs	Completion	50M	2018-2022
Tumutumu Water Project	Kirimukuyu Ward	Increase water storage	1 No. Water intake	Construction of intake.	5M	2018-2022
Njima Dam	Kirimukuyu Ward	Increase water storage	1 Dam	Renovation (Digging and Fencing)	4M	2018-2022
Tumutumu Hill	Kirimukuyu Ward	Increase water storage	10km	Fencing and Guarding	3M	2018-2022
Githima Water Project	Kirimukuyu Ward	Increase access to water	1300HHs	Purchase of Water Tank; Piping	2.5M	2018-2022
Ruthagati Water Project	Kirimukuyu Ward	Increase access to water	1300HHs	Purchase of Water Tank; Piping	2.5M	2018-2022
Kiangi Water Project	Kirimukuyu Ward	Increase access to water	1300HHs	Purchase of Water Tank; Piping	2.5M	2018-2022
Konyu boreholes	Konyu Ward	Increase access to water	Four	Drilling of boreholes	20M	2018-2022
Gathugu/mukore water project	Konyu Ward	Increase access to water	One water project	Completion	4M	2018-2022
Karembu water project	Konyu Ward	Increase access to water	One water project	Completion	4M	2018-2022
Peter chira water project	Konyu Ward	Increase access to water	One water project	Completion	4M	2018-2022
Mutui water project	Konyu Ward	Increase access to water	One water project	Completion	4M	2018-2022
Kahara water project	Konyu Ward	Increase access to water	One water project	Completion	5M	2018-2022
Chania Tropical Rae water supply	Rware Ward	Increase access to water	3km	Piping	5M	2018-2022
Kiunyu Dam	Ruringu Ward	Increase water storage	1500 HHs	Rehabilitation and Fencing/ Fish farming	5M	2018-2022
Ithenguri Dam	Ruringu Ward	Increase water storage	1500 HHs	Rehabilitation and Fencing/ Fish farming	3M	2018-2022
Kanoga Dam	Ruringu Ward	Increase water storage	1500 HHs	Tree Nurseries/Fish farming	0.1M	2018-2022
Othaya Polytechnic water supply	Iriaini Ward (Othaya)	Increase access to water	1500 HHs	Supply of reliable water	5M	2018-2022
Gitundu Primary	Iriaini Ward (Othaya)	Increase access to water	1 No. Borehole	Drilling of borehole	5M	2018-2022
Munaini Primary	Iriaini Ward (Othaya)	Increase access to water	1 No. Borehole	Drilling of borehole	5M	2018-2022
Kiandukia Water Project	Iriaini Ward (Othaya)	Increase access to water	1500 HHs	Purchase of pipes	8M	2018-2022
Gikurwe water project	Konyu Ward	Increase access to water	One water project	Completion	5M	2018-2022
Iriaini water project	Konyu Ward	Increase access to water	One water project	Completion	5M	2018-2022
Nguka water project	Konyu Ward	Increase access to water	One water project	Completion	5M	2018-2022
West Magutu Water Project	Magutu Ward	Increase access to water	2500HHs	Rehabilitation and completion of projects, Building dams, Building of water pans and boreholes	20M	2018-2022
Uppper Magutu Water Project	Magutu Ward	Increase access to water	2000HHs	Purchase of more pipes, Construction of intake.	5M	2018-2022
Kanoga Dam	Kamakwa/ Mukaro Ward	Increase water storage	1500HHs	Operationalize and Fencing	2M	2018-2022
Kamakwa-Mukaro / Huhoini Irrigation Project	Kamakwa/ Mukaro Ward	Increase access to water	2500HHs	Rehabilitation and equipping	20M	2018-2022
Chinga roof water harvesting	Chinga Ward	Increase water storage	24 schools	Construction of storage tanks and gutters	96M	2018-2022
Chinga Boreholes	Chinga Ward	Increase access to water	24 schools	Drilling Boreholes	120M	2018-2022
Gichami Water Project	Chinga Ward	Increase access to water	2km	Procurement and Laying of Pipes	1M	2018-2022
Kianda-ini Water Project	Chinga Ward	Increase access to water	2.5km	Procurement and Laying of Pipes	8M	2018-2022
Chinga Dam	Chinga Ward	Increase water storage	1 Dam	Fencing	5M	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs)	Timeframe
Ichamara Orthodox Community Tank	Mukurwe-ini Central	Increase water storage	1 No. Tank	Rehabilitation of the Tank	1M	2018-2022
Ngimaini Dam	Mukurwe-ini Central	Increase water storage	3km	Piping water, pumping, fish pond & tree nursery	2M	2018-2022
Ichamara Market Borehole	Mukurwe-ini Central	Increase access to water	1 Borehole	Drilling.	5M	2018-2022
Rwaarai River Irrigation Project	Mukurwe-ini Central	Improved food security		Construction and piping	40M	2018-2022
Gaturiri /Thung'ari boreholes	Thegu River ward	Increase access to water	2 No. boreholes	Equipping of Boreholes	4M	2018-2022
Naromoru/Kimathaga/Gakawa boreholes	Naromoru/Kimathaga/ Gakawa wards	Increase access to water	3 No. boreholes	Drilling & equipping of borehole	6M	2018-2022
Water Trucking project	All Kieni East Wards	Increase access to water	600 HHs	Provision of water to institutions with empty tanks	0.9 M	2018-2022
Water harvesting project	All Kieni East Wards	Increase water storage	600 HHs	Provision of water tanks to all institutions with gutted roof	0.65M	2018-2022
Kieni East dams	Gakawa/Thegu River/Naromoru Kiamathaga/Kabaruu wards	Increase water storage	1200 HHs	De-silting of Dams & Pans	80M	2018-2022
Kieni East Water Projects	All Kieni East Wards	Increase access to water	3000 HHs	Extension of Pipelines to water stressed areas	8.0M	2018-2022
Gatogo water project	Gataragwa ward	Increase water storage	800 HHs	Construction Of 225m ³ masonry tank	2.6 M	2018-2022
Hospital and Schools Roof water harvesting project	All Kieni Wards	Increase water storage	5000 people 800 HHs	Installation of Rain water harvesting systems(Gutters); No.10 M ³ Plastic water tanks and construction of tank platforms; Assist operational Boreholes with Fuel	5.5 M	2018-2022
Kamuhuriia/ Gatuamba boreholes	Thegu River ward	Increase access to water	2 No. boreholes	Repair of Boreholes	1.0M	2018-2022
Zamua Irrigation Project	Dedan Kimathi Ward	Improved food security	1500HHs	Reservoir tank and distribution pipes	8M	2018-2022
Kahiga-ini/Kanjora Water Project	Dedan Kimathi Ward	Improved food security	1500HHs	Reservoir tank and distribution pipes	4M	2018-2022
Kiandongoro/Gatumbiro Water Project	Dedan Kimathi Ward	Improved food security	1500HHs	Reservoir tank and distribution pipes	4M	2018-2022
Zaina Forest Project	Dedan Kimathi Ward	Increase tree cover	1500HHs	Planting of tree seedlings	0.5M	2018-2022
Kindongoro Forest project	Dedan Kimathi Ward	Increase tree cover	1500HHs	Planting of tree seedlings	0.5M	2018-2022
Kabage Forest project	Dedan Kimathi Ward	Increase tree cover	1500HHs	Planting of tree seedlings	0.5M	2018-2022
Ihitha Irrigation Project	Wamagana Ward	Improved food security	1500HHs	Intake, piping and reservoir tanks	8M	2018-2022
Tucha Irrigation Project	Wamagana Ward	Improved food security	1500HHs	Intake, piping and reservoir tanks	8M	2018-2022
Gura Irrigation Project	Wamagana Ward	Improved food security	1500HHs	Intake, piping and reservoir tanks	8M	2018-2022
Gathuthi (Thiriku) Water Project	Wamagana Ward	Improved food security	1500HHs	Intake, piping and reservoir tanks	8M	2018-2022
Water harvesting Project	Mweiga Ward	Increase water storage	1500HHs	Construction of Micro Dams	20M	2018-2022
Kamatongu-Simbara Water Project	Mweiga Ward	Improved food security	1500HHs	Construction of tank and distribution pipes	25M	2018-2022
Samaki Borehole (Kamatongu)	Mweiga Ward	Increase access to water	1500HHs	Construction and electrification of a borehole	5M	2018-2022
Expanges Borehole	Mweiga Ward	Increase access to water	1500HHs	Construction and drilling of a borehole	5M	2018-2022
Mweiga Water Project	Mweiga Ward	Increase access to water	1500HHs	Construction of a water reservoir, Distribution to Mweiga Primary and Secondary Sch	5M	2018-2022
Amboni Water Projects	Mweiga Ward	Increase access to water	1500HHs	Distribution Pipes	30M	2018-2022
Bondeni Riru Water Project	Mweiga Ward	Increase access to water	1500HHs	Construction of tank	8M	2018-2022
Simbara-Bondeni Water Project	Mweiga Ward	Increase access to water	1500HHs	Completion of Intake and distribution pipes supply	25M	2018-2022
Karega Friends Water Project	Endarasha Mwiyo Ward	Increase access to water	3.5 Km 2" pipes and 100m ³ Tank	Piping and reservoir tank	3M	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs)	Timeframe
Nganyuthe Water Project	Endarasha Mwiyo Ward	Increase access to water	2000HHs	Sinking boreholes	5M	2018-2022
Karaguriro Water Project	Endarasha Mwiyo Ward	Increase access to water	1500HHs	Piping and reservoir tank	4M	2018-2022
Wendiga water Project	Endarasha Mwiyo Ward	Increase access to water	3.5 Km 4" Pipes and 100m3 Tank	Piping and reservoir tank	4M	2018-2022
Wasongiro Water Pan	Endarasha Mwiyo Ward	Increase water storage	1 Water pan	Desilting	4M	2018-2022
Karaguriro Dam	Endarasha Mwiyo Ward	Increase water storage	1 Dam	Desilting and embankments enforcement	4M	2018-2022
Muthu-ini Dam	Endarasha Mwiyo Ward	Increase water storage	1 Dam	Desilting	4M	2018-2022
Kiburuti Dam	Endarasha Mwiyo Ward	Increase water storage	1 Dam	Desilting	4M	2018-2022
Kagiri Dam	Endarasha Mwiyo Ward	Increase water storage	1 Dam	Desilting	4M	2018-2022
Kiburuti Borehole(Muthu-ini)	Endarasha Mwiyo Ward	Increase access to water	1 Bore hole	Drilling of Borehole and Piping	5M	2018-2022
Kiburuti Water Project	Endarasha Mwiyo Ward	Increase access to water	1500HHs	Piping and Water tank Construction	7M	2018-2022
Kanyiriri Water Project	Endarasha Mwiyo Ward	Increase access to water	1 Bore hole	Drilling of Borehole and Piping	5M	2018-2022
Mahiga Cattle dip Borehole	Endarasha Mwiyo Ward	Increase access to water	1 Bore hole	Drilling of Borehole and Piping	5M	2018-2022
Githunguri Borehole	Endarasha Mwiyo Ward	Increase access to water	1 Bore hole	Rehabilitation, Sub-mersive pump and solar panels installation	3M	2018-2022
Karera Area	Endarasha Mwiyo Ward	Increase access to water	1200HHs	Construction of reservoir tank and piping	1M	2018-2022
Kamune Borehole	Endarasha Mwiyo Ward	Increase access to water	1 Bore hole	Rehabilitation, Sub-mersive pump and solar panels installation	5M	2018-2022
Thuruthuru River	Endarasha Mwiyo Ward	Increase access to water	2000HHs	Intake construction and piping	3M	2018-2022
Kiburuti Borehole	Endarasha Mwiyo Ward	Increase water storage	2000HHs	Rehabilitation and Construction of 100m3 reservoir tank	3M	2018-2022
Mwihoko Water Project	Endarasha Mwiyo Ward	Increase access to water	2000HHs	Piping and 100m3 Tank reservoir tank	5M	2018-2022
Karima Water Tank	Endarasha Mwiyo Ward	Increase access to water	2000HHs	Pipes for Service Line	4M	2018-2022
Honi Assistant Chief Borehole	Endarasha Mwiyo Ward	Increase access to water	1 No. borehole	Drilling of Borehole and Piping	5M	2018-2022
Mburu Dam	Endarasha Mwiyo Ward	Increase water storage	1 Dam	Rehabilitation	4M	2018-2022
Labura Twin Dam	Endarasha Mwiyo Ward	Increase water storage	1 Dam	Desilting	4M	2018-2022
Rurii Dam	Endarasha Mwiyo Ward	Increase water storage	1 Dam	Desilting	4M	2018-2022
Kimita Dam	Endarasha Mwiyo Ward	Increase water storage	1 Dam	Desilting	4M	2018-2022
Mutongu Dam	Endarasha Mwiyo Ward	Increase water storage	1 Dam	Desilting	4M	2018-2022
Kiburuti (Gitegi) Water Project	Gatarakwa Ward	Increase access to water	2000HHs	Piping and Reservoir tank	7M	2018-2022
Kaaga Gitegi Water projects	Gatarakwa Ward	Increase access to water	2000HHs	Drilling of borehole, Distribution pipes and reservoir tanks	5M	2018-2022
Kabati –Gitegi Water Project	Gatarakwa Ward	Increase water storage	2000HHs	Construction of reservoir tanks	6M	2018-2022
Kiria Water Project	Gatarakwa Ward	Increase access to water	2000HHs	Drilling of borehole, Distribution pipes and reservoir tanks	5M	2018-2022
Kimunyuru Water Project	Gatarakwa Ward	Increase access to water	800pipes -6"; 800 pipes – 3"	Drilling of borehole, Distribution pipes and reservoir tanks	5M	2018-2022
Endarasha Water Project	Gatarakwa Ward	Improved food security	400pieces 4" Pipes	Distribution pipes and reservoir tanks	15M	2018-2022
Charity Water Project (Kamochu)	Gatarakwa Ward	Improved food security	300 pieces 3" Pipes	Distribution pipes and reservoir tanks	0.7M	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs)	Timeframe
Embaringo Water Project	Gatarakwa Ward	Improved food security	700 pieces 6" pipes	Distribution pipes and reservoir tanks	4M	2018-2022
Treffos Kiburuti Water Projects	Gatarakwa Ward	Improved food security		Distribution pipes and reservoir tanks	20M	2018-2022
Kimunyuru Kwa Wamuriithi Water Project (Embaringo)	Gatarakwa Ward	Increase water storage	Reservoir Tanks - 2 ; 1500pipes -6"; 400 pipes - 2"	Reservoir Tank- 225cc	8M	2018-2022
Gituchu –Gakanga	Gatarakwa Ward	Increase access to water	1.5km; 2 No. tanks	Distribution pipes and reservoir tanks	5M	2018-2022
Bamboo Water Project	Gatarakwa Ward	Increase access to water	1350 pipes – 4" ; 2 No. tanks	Distribution pipes and reservoir tanks	5M	2018-2022
Watuka Water Project	Gatarakwa Ward	Increase access to water	2250 pipes – 4"; 1500 pipes – 3"; 5 No. tanks	Distribution pipes and reservoir tanks	8M	2018-2022
Mwiyogo Water Project (Kiahuria)	Gatarakwa Ward	Increase access to water	4 No. tanks	Distribution pipes and reservoir tanks	10M	2018-2022
Gatarakwa Water Harvesting	Gatarakwa Ward	Increase water storage	2000HHs	Water harvesting dams, waterpans, reservoir tanks and liners	20M	2018-2022
Wasonyiro River Conservation Project	Gatarakwa Ward	Riparian conservation	800HHs	Planting of bamboo trees	0.5M	2018-2022
Mutitu B Water Project	Mugunda Ward	Increase access to water	1000HHs	Construction of intake and piping	25M	2018-2022
Lamuria Water Project	Mugunda Ward	Improved food security	1200HHs	Relocation of Intake	2.5M	2018-2022
Muthangira/ Garumu Water Project (Tanyai, Ndiritui, Birisha)	Mugunda Ward	Increase water storage	3000HHs	Storage tank construction	4M	2018-2022
Kabendera Borehole Project	Mugunda Ward	Increase access to water	One Borehole	Drilling of borehole	5M	2018-2022
Gachuma Borehole Project	Mugunda Ward	Increase access to water	One Borehole	Drilling of borehole	5M	2018-2022
Kienjero Borehole Project	Mugunda Ward	Increase access to water	One Borehole	Drilling of borehole	5M	2018-2022
Ruai Borehole Project	Mugunda Ward	Increase access to water	One Borehole	Drilling of borehole	5M	2018-2022
Muthangira Borehole Project	Mugunda Ward	Increase access to water	One Borehole	Drilling of borehole	5M	2018-2022
Mugunda Water Dam/ Pans Project	Mugunda Ward	Increase water storage	2000HHs	Rehabilitation of Lamuria, Karemeno, Ruai, Birisha Water Dams/ Pans	25M	2018-2022
Muringa CFA (Berevue) Tree Planting Project	Mugunda Ward	Increase forest cover	2500HHs	Establishing tree nurseries	0.5M	2018-2022
Gura Irrigation Project	Mukurweini west Ward	Improved food security	2800HHs	Purchase of pump,Construction of water tank and purchase of pipes	15M	2018-2022
Gatura Irrigation Project	Mukurweini west Ward	Increase access to water	1 No. borehole	Drilling & equipping of borehole; piping	3M	2018-2022
Gakindu Irrigation Project	Mukurweini west Ward	Increase access to water	1 No. borehole	Drilling & equipping of borehole; piping	5M	2018-2022
Wanjithi Irrigation Project	Mukurweini west Ward	Increase access to water	1 No. borehole	Drilling & equipping of borehole; piping	5M	2018-2022
Mbiyuini Irrigation Project	Mukurweini west Ward	Increase access to water	1 No. borehole	Drilling & equipping of borehole; piping	5M	2018-2022
Ruthanji Irrigation Project	Mukurweini west Ward	Increase access to water	1 No. borehole	Drilling & equipping of borehole; piping	5M	2018-2022
Njiruini Irrigation Project e	Mukurweini west Ward	Increase access to water	1 No. borehole	Drilling & equipping of borehole; piping	5M	2018-2022
Munyu(Kaheti) Irrigation Project	Mukurweini west Ward	Increase access to water	1 No. borehole	Drilling & equipping of borehole; piping	5M	2018-2022
Mutitu Borehole	Gikondi Ward	Increase access to water	1 No. borehole	Drilling and equipping	5M	2018-2022
Mukui water Tank	Gikondi Ward	Increase access to water	1 No. Tank	Construction and Piping	8M	2018-2022
Mbari ya Ituu dam	Gikondi Ward	Increase area under irrigation	1 Dam	Rehabilitation, construction and extension of pipes	2M	2018-2022
Kabi Dam	Gikondi Ward	Increase area under irrigation	1 Dam	Rehabilitation to provide water for irrigation	2M	2018-2022
Kiirungi irrigation scheme	Gikondi Ward	Increase area under irrigation	1000 HHs	Design, survey and Piping	3M	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs)	Timeframe
Ithemogi dam	Gikondi Ward	Increase area under irrigation	1000 HHs	Fencing and construction of water pump station	2M	2018-2022
KirumokiaNyange irrigation Scheme	Gikondi Ward	Increase area under irrigation	800 HHs	Upgrading, Design, survey and Piping	5M	2018-2022
Kanyiriri water project	Gikondi Ward	Increase area under irrigation	1200 HHs	Up grading and piping	5M	2018-2022
Kaguj Water Project	Gikondi Ward	Increase area under irrigation	700 HHs	Up grading and piping	5M	2018-2022
Rukira Irrigation Project	Mahiga Ward	Increase area under irrigation	1100 HHs	Laying of pipeline for 55kms &Construction of intake	66 M	2018-2022
Mutoigo Irrigation	Wamagana Ward	Increase area under irrigation	800 Ha(1000 Hh)	Laying of pipeline for the mainline, distribution network &Construction of intake	120M	2018-2022
Huhoini-Mukaro Irrigation	Dedan Kimathi Ward	Increase area under irrigation	300 Ha(2500 Hh)	Laying of pipeline for the 10Km mainline, distribution network &Construction of intake	100M	2018-2022
KahigainiKanjora Irrigation	Dedan Kimathi Ward	Increase area under irrigation	50ha(400Hhs)	Laying of pipeline for the 50Km mainline, distribution network & Construction of intake	30M	2018-2022
Lamuria Dam	Mugunda Ward	Increase water supply coverage & area under Irrigation	60,000m3	Prefeasibility studies, design & construction.	35m	2018-2022
West Magutu Water Project	Magutu Ward	To enhance access to clean and safe water	1500HHs	Construction of Intake and laying of Pipes	5M	2018/2022
Upper Magutu Water Project	Magutu Ward	To enhance access to clean and safe water	1500HHs	Construction of Intake and laying of Pipes	5M	2018/2022
Muthira Gathirathiru Water Project	Magutu Ward	To enhance access to clean and safe water	1500HHs	Construction of Intake and laying of Pipes	5M	2018/2022
Kihuri Water Project	Magutu Ward	To enhance access to clean and safe water	1500HHs	Construction of Intake and laying of Pipes	5M	2018/2022
Kagochi Kahurathi Water Project	Magutu Ward	To enhance access to clean and safe water	1500HHs	Construction of Intake and laying of Pipes	5M	2018/2022
Tumutumu hill	Kirimukuyu Ward	To conserve the ecosystem	1 hill	Aforestation program	1M	2018-2022
Kaguyu/Kienjaini water project	Iriaini ward (Mathira)	To enhance access to clean and safe water	2000HHs	completion	5M	2018-2022
Wangi Kanuna water project	Kiganjo/Mathari Ward	To enhance access to clean and safe water	2000HHs	completion	5M	2018-2022
Kairia five water project	Iriaini ward (Mathira)	To enhance access to clean and safe water	1 tank	Completion of tank, piping network	5M	2018-2022
Kiria dam	Gatarakwa Ward	To enhance access to clean and safe water	1	construction	4M	2018-2022
Cheche water project	Iriaini ward (Mathira)	To enhance access to clean and safe water	2000HHs	Construction of a water reservoir network	4M	2018-2022
Gatundu Water project	Iriaini ward (Mathira)	To enhance access to clean and safe water	2000HHs	Construction of tanks	4M	2018-2022
Ereir Kirumia Water Project	Kiganjo/Mathari Ward	To enhance access to clean and safe water	2000HHs	Construction of Water Reservoir	4M	2018-2022
Cheru dam	Iriaini ward (Mathira)	To enhance access to clean and safe water	1 dam	Desilting of dam	4M	2018-2022
Gitero – Kabati Water project	Naromoru/Kiamat haga Ward	To enhance access to clean and safe water	1500HHs	Distribution pipes	6M	2018-2022
Karage Bara Minor water project	Gatarakwa ward	To enhance access to clean and safe water	1500HHs	Distribution pipes (1000 pipes 4” 150 pipes 3”), 3 reservoir tanks	6M	2018-2022
Mutoigu water project	Ruringu ward	To enhance access to clean and safe water	1500HHs	Distribution pipes, reservoir tank etc	6M	2018-2022
Mukaro water project	Ruringu ward	To enhance access to clean and safe water	1500HHs	Distribution pipes, reservoir tank etc	6M	2018-2022
Kabuda water project	Naromoru/Kiamat haga Ward	To enhance access to clean and safe water	1	Drilling of borehole & equipping	3M	2018-2022
Gitwe water project	Naromoru/Kiamat haga Ward	To enhance access to clean and safe water	1	Drilling of borehole & equipping	3M	2018-2022
Kandara water project	Naromoru/Kiamat haga Ward	To enhance access to clean and safe water	1000HHs	Equipping with solar panel	3M	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs)	Timeframe
Kiawaiguru water project	Iriaini ward (Mathira)	To enhance access to clean and safe water	1000HHs	Intake & piping network	6M	2018-2022
Kiawaiguru water project (Ihwagi Location)	Iriaini ward (Mathira)	To enhance access to clean and safe water	1000HHs	Intake and pipes	6M	2018-2022
Kihuyo/ Nyarugumu water project	Kiganjo/Mathari Ward	To enhance access to clean and safe water	1000HHs	Pipes & construction of storage tank	6M	2018-2022
Njengu – Nyaribo water project	Kiganjo/Mathari Ward	To enhance access to clean and safe water	1000HHs	Pipes & construction of storage tank	6M	2018-2022
Kamburaini borehole	Naromoru/Kiamat haga Ward	To enhance access to clean and safe water	1	Rehabilitation	1M	2018-2022
Kiamwangi, Miiri & Kahuru	Iriaini ward (Mathira)	To enhance access to clean and safe water	3	Sinking of boreholes	9M	2018-2022
Chorongi factory wetmill	Ruringu ward	To enhance access to clean and safe water	1 borehole	Drilling and equipping	3M	2018-2022
Kigwandi factory wetmill	Ruringu ward	To enhance access to clean and safe water	1 borehole	Drilling and equipping	3M	2018-2022
Riagamuru water project	Gatitu/Muruguru Ward	To enhance access to clean and safe water	2000HHs	completion	5M	2018-2022
Aguthi Gaaki Irrigation Project	Aguthi Gaaki Ward	To enhance access to clean and safe water	2500HHs	Completion, Distribution pipes and reservoir tanks	5M	2018-2022
Ihwa Irrigation Project	Kamakwa/ Mukaro Ward	To enhance access to clean and safe water	2500HHs	Completion/ Distribution pipes	5M	2018-2022
Githiru irrigation project	Gatitu/Muruguru Ward	To enhance access to clean and safe water	2500HHs	Construction of a water reservoir	5M	2018-2022
Lower Kakuret Water Project	Thegu River Ward	To enhance access to clean and safe water	2000HHs	Construction, distribution pipes and equipping	5M	2018-2022
Thegenge Irrigation Water Project	Wamagana Ward	To enhance access to clean and safe water	2000HHs	Construction, distribution pipes and equipping	5M	2018-2022
Kaigonji Water Project	Wamagana Ward	To enhance access to clean and safe water	2000HHs	Construction, distribution pipes and equipping	5M	2018-2022
Wandwethi Water Project	Iria-ini Ward (Othaya)	To enhance access to clean and safe water	2000HHs	Distribution Pipes	5M	2018-2022
Gate Village Bore Hole	Thegu River Ward	To enhance access to clean and safe water	1 Borehole	Drilling, distribution pipes and equipping	3M	2018-2022
Karicheni Borehole	Thegu River Ward	To enhance access to clean and safe water	1 Borehole	Drilling, distribution pipes and equipping	3M	2018-2022
Coffee Factories Borehole Projects	Aguthi Gaaki Ward	To enhance access to clean and safe water	6 Boreholes	Drilling, Distribution pipes and reservoir tanks	3M	2018-2022
Gachatha Borehole	Wamagana Ward	To enhance access to clean and safe water	1 Borehole	Drilling, piping and equipping	3M	2018-2022
Kaiguri Factory Borehole	Wamagana Ward	To enhance access to clean and safe water	1 Borehole	Drilling, piping and equipping	3M	2018-2022
Kiandu Coffee Factory Borehole	Wamagana Ward	To enhance access to clean and safe water	1 Borehole	Drilling, piping and equipping	3M	2018-2022
Giakanja Coffee Factory Borehole	Wamagana Ward	To enhance access to clean and safe water	1 Borehole	Drilling, piping and equipping	3M	2018-2022
Thiriku Coffee Factory Borehole	Wamagana Ward	To enhance access to clean and safe water	1 Borehole	Drilling, piping and equipping	3M	2018-2022
Gura River Fish pond projects	Wamagana Ward	To enhance food security	20 Fish ponds	Drilling, piping and equipping	3M	2018-2022
Kamuyu factory borehole	Kamakwa/ Mukaro Ward	To enhance access to clean and safe water	1 Borehole	Drilling, Piping and Equipping	3M	2018-2022
Muthua-ini Factory bore	Kamakwa/ Mukaro Ward	To enhance access to clean and safe water	1 Borehole	Drilling, Piping and Equipping	3M	2018-2022
Rurichu Borehole	Mugunda Ward	To enhance access to clean and safe water	1 Borehole	Drilling, Piping and Equipping	3M	2018-2022
Wangata Borehole	Mugunda Ward	To enhance access to clean and safe water	1 Borehole	Drilling, Piping and Equipping	3M	2018-2022
New city Borehole	Mugunda Ward	To enhance access to clean and safe water	1 Borehole	Drilling, Piping and Equipping	3M	2018-2022
Karogoto river community water project	Kirimukuyu Ward	To enhance access to clean and safe water	1500HHS	land acquisition Hydrum pump Reservoir, Piping & Distribution	4M	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs)	Timeframe
Gathagana Gaiti community water project	Kirimukuyu Ward	To enhance access to clean and safe water	1500HHS	land acquisition Hydrump pump Reservoir, Piping & Distribution	4M	2018-2022
Hohwe dam community water project	Kirimukuyu Ward	To enhance access to clean and safe water	1500HHS	Pumping, Reservoir tank, Piping & Distribution	4M	2018-2022
Sindoro Forest	Thegu River Ward	To enhance food security	1 Forest	Rehabilitation and tree planting	2M	2018-2022
Tree Nurseries Project (Birisha, Belevue and Tanyai)	Mugunda Ward	To enhance food security	3 Areas	Rehabilitation and tree planting	2M	2018-2022
Hohwe dam	Kirimukuyu Ward	To enhance food security	2 Areas	rehabilitation, tree planting & nursery, fish pods	2M	2018-2022
Muteithia water project (Gachuuro)	Kirimukuyu Ward	To enhance food security	2 Areas	Reservoir tank, Piping & Distribution	5M	2018-2022
Iria-ini Tree planting and greening Project	Iria-ini Ward (Othaya)	To enhance food security	3 Areas	Tree planting	0.5M	2018-2022
Tree Planting and rehabilitation (River Rongai, Gathogo Springs)	Thegu River Ward	To enhance food security	3 Rivers	Tree planting Project and river rehabilitation	0.5M	2018-2022
Othaya Sewerage Project	Iria-ini Ward (Othaya)	To promote cleanliness in towns	1 System	Upgrade	10M	2018-2022
Giakagiria Borehole	Magutu Ward	To enhance access to clean and safe water	1 borehole	Drilling and equipping	3M	2018-2022
Gitunduti Bore hole	Magutu Ward	To enhance access to clean and safe water	1 Borehole	Drilling and equipping	3M	2018-2022
Kagodii Borehole	Magutu Ward	To enhance access to clean and safe water	1 Borehole	Drilling and equipping	3M	2018-2022
Iruri Water Project	Ruguru Ward	To enhance access to clean and safe water	1 Project	Completion, piping and reservoir tank	5M	2018-2022
Nyana Water Project	Ruguru Ward	To enhance access to clean and safe water	1 Project	Completion, piping and reservoir tank	5M	2018-2022
Sagana Irrigation and water Project	Ruguru Ward	To enhance access to clean and safe water	1 Project	Completion, piping and reservoir tanks	5M	2018-2022
Ruturu Water Project	Ruguru Ward	To enhance access to clean and safe water	1 Project	Completion, piping and reservoir tanks	5M	2018-2022
Kiamariga Town Water project	Ruguru Ward	To enhance access to clean and safe water	1 Project	Distribution	5M	2018-2022
Hika Water Project	Ruguru Ward	To enhance access to clean and safe water	1 Project	Completion, piping and reservoir tanks	5M	2018-2022
Hiriga secondary borehole project	Ruguru Ward	To enhance access to clean and safe water	1 Project	Drilling and Equipping	3M	2018-2022
Kiagenina-Gatung'ang'a water project	Ruguru Ward	To enhance access to clean and safe water	1 Project	Completion, piping and reservoir tanks	5M	2018-2022
Karurumo- Kiahia	Ruguru Ward	To enhance access to clean and safe water	1 Project	Completion, piping and reservoir tanks	5M	2018-2022
Gitugi Kiwa Irrigation Water Project	Mahiga Ward	To enhance access to clean and safe water	1300HHS	Distribution pipes and Reservoir Tanks	5M	2018/2022
Kihome Irrigation Scheme	Mahiga Ward	To enhance access to clean and safe water	1300HHS	Distribution pipes and Reservoir Tanks	5M	2018/2022
Kagonye Irrigation Water Project	Mahiga Ward	To enhance access to clean and safe water	1300HHS	Distribution pipes and Reservoir Tanks	5M	2018/2022
Rukira Irrigation Water Project	Mahiga Ward	To enhance access to clean and safe water	1300HHS	Distribution pipes and Reservoir Tanks	5M	2018/2022
Mbari ya Ngai Irrigation Water Project	Karima Ward	To enhance access to clean and safe water	1500HHS	Distribution pipes and Reservoir Tanks	5M	2018/2022
Kihuguru Irrigation Water Project	Karima Ward	To enhance access to clean and safe water	1500HHS	Distribution pipes and Reservoir Tanks	5M	2018/2022
Gura Irrigation Water Project	Karima Ward	To enhance access to clean and safe water	1500HHS	Distribution pipes and Reservoir Tanks	5M	2018/2022
Wachira Gituru Water Project	Karima Ward	To enhance access to clean and safe water	1500HHS	Distribution pipes and Reservoir Tanks	5M	2018/2022
Gataro hydrum Pumps	Mukurwe-ini Central Ward	To enhance access to clean and safe water	1 Hydrum	Construction and Equipping	3M	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs)	Timeframe
Githi hydrom Pumps	Mukurwe-ini Central Ward	To enhance access to clean and safe water	1 Hydrom	Construction and Equipping	3M	2018-2022
Githung'ung'u hydrom Pumps	Mukurwe-ini Central Ward	To enhance access to clean and safe water	1 Hydrom	Construction and Equipping	3M	2018-2022
Naromoru Water and Sewerage Company	Gakawa Ward	To enhance access to clean and safe water	1 treatment plant	Construction of water treatment plant	8M	2018-2022
Gakawa water project	Gakawa Ward	To enhance access to clean and safe water	1 treatment plant	Construction of water treatment plant	8M	2018-2022
Burguret/ Gathiuru Water project	Gakawa Ward	To enhance access to clean and safe water	1 treatment plant	Construction of water treatment plant	8M	2018-2022
Mukurweini Water and Sewerage Company	Mukurwe-ini Central Ward	To enhance access to clean and safe water	15 Villages	Distribution pipes	7M	2018-2022
Burguret Centre Borehole	Gakawa Ward	To enhance access to clean and safe water	1 Borehole	Drilling and Equipping	3M	2018-2022
Waruru Borehole	Gakawa Ward	To enhance access to clean and safe water	1 Borehole	Drilling and Equipping	3M	2018-2022
Kamangura Water Project	Gakawa Ward	To enhance access to clean and safe water	2 Boreholes	Drilling and Equipping	6M	2018-2022
Mikumbere Water Project	Gakawa Ward	To enhance access to clean and safe water	2 Boreholes	Drilling and Equipping	6M	2018-2022
Ragati Water Project	Gakawa Ward	To enhance access to clean and safe water	3 Boreholes	Drilling and Equipping	9M	2018-2022
Mururu Water Project	Gakawa Ward	To enhance access to clean and safe water	2 Boreholes	Drilling and Equipping	6M	2018-2022
KWahuku Water Project	Gakawa Ward	To enhance access to clean and safe water	2 Boreholes	Drilling and Piping	6M	2018-2022
Mlima kenya water project	Gakawa Ward	To enhance access to clean and safe water	2 Boreholes	Drilling and Piping and Reservoir tank	6M	2018-2022
Ruai Water Project	Gakawa Ward	To enhance access to clean and safe water	2 Boreholes	Drilling and Piping and Reservoir tank	6M	2018-2022
Equator Village Borehole	Gakawa Ward	To enhance access to clean and safe water	1 Boreholes	Drilling and Piping and Reservoir tank	3M	2018-2022
Burguret Water Project	Gakawa Ward	To enhance access to clean and safe water	1000HHs	Reservoir tank and piping	3M	2018-2022
Naromoru Township Borehole	Naromoru/Kiamat haga Ward	To enhance access to clean and safe water	1 Boreholes	Drilling and Piping and Reservoir tank	3M	2018-2022
Ithemugi dam	Gikondi Ward	To enhance access to clean and safe water	1 dam	De-silting & piping	2M	2018-2022
Karindi Borehole	Gikondi Ward	To enhance access to clean and safe water	1 borehole	Drilling and pipe installation	3M	2018-2022
Igutha/Kamuthanga/Mii gwa/Well/Gakira water project	Gikondi Ward	To enhance access to clean and safe water	800HHs	Piping	3M	2018-2022
Kirurumo Kia Nyange Hydrom Water	Gikondi Ward	To enhance access to clean and safe water	800HHs	Construction and equipping	3M	2018-2022

7.13 County Public Service Board

7.13.1 New Project Proposals

These are the projects that will be implemented by the board. They will be funded by the county government of Nyeri, KDSP and Donor agencies.

Project Name	Location	Objectives	Targets	Description of Activities (Key Outputs)	Cost (Kshs.)	Timeframe
Rationalization of staff (CARPS)	County wide	To establish optimal staffing levels	County wide 500 staff	Targeted Voluntary Early Retirement, (payment of incentive)	0.8B	Two years
Development of County HR Plan	County wide	To align HR requirements to county strategic objectives	Approved County HR Plan	Desk review, Comprehensive collection and analysis of data on employees and posts; Comprehensive work analysis; Stakeholders meetings, drafting of report; Validation meetings/conference	2M	1 year
Formulation/ Domestication of policies and guidelines	County wide	To entrench National norms and standards	All policies issued by PSC & new ones	Policies review and customization	5M	Two years

Project Name	Location	Objectives	Targets	Description of Activities (Key Outputs)	Cost (Kshs.)	Timeframe
Training,Development and retooling	County wide	Improve productivity and service delivery	To fill identified gaps	Training needs analysis report	300M	5 years
Change management	County wide	Institutional capacity building	Optimal approved staff establishment	Review structures; Streamline processes to make them more efficient and effective	0.5M	5 years
Promotion of values & principle	County wide	Sensitization of staff on regulations, policies	No of Staff sensitized	Baseline Survey on compliance of values and principle	15M	5 years
Establish CPSB Offices	County wide	provision of adequate office space	Establish Board offices-2000 sq metres	Create BQ ; Tender the work, construct office block/refurbish	10M	5 year
Nyeri County School of Government	County wide	Development of transformative leadership	Annual Training of all the staff in the County to drive change management.	Feasibility study; Signed MOU with KSG & other training institutions; Development of training	10M	5 years
Strengthening CPSB	County wide	Ensuring independence and succession management	Development of CPSB Act & enabling regulations	Drafting of the Act & regulations; Tabling of the same in the County Assembly; Debating & subsequent passing of the same; Signing of the Act by H.E the Governor; Operationalization of the Act	3M	
Internship programme	County wide	To impart skills and capacity build on interns	1,500 interns	Advertise, shortlist, interview and recruit	270M	5 years

7.14 Transport, Public works, Infrastructure and Communication

7.14.1 New project proposals

These are the projects to be funded by the County Government, National Government /Partners and implemented by the department.

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Timeframe
County waste bio-digest	County	To improve waste Management	Clean and safe towns	Construction	300 M	2018-2022
Kabaru Ward roads	Kabaru Ward	Improve communication	100 Km	Grading and gravelling and culvert installation	1500M	2018-2022
Thunguma Shopping Centre	Gatitu/ Muruguru Ward	Improve security and increase hours of doing business	1 High Mast Floodlight	Installation of High Mast Floodlights	3.2M	2018-2022
Micha Shopping Centre Electrification	Gatitu/ Muruguru Ward	Improve security and increase hours of doing business	1 High Mast Floodlight	Installation of High Mast Floodlights	3.2M	2018-2022
Riamukurwe Shopping Centre Electrification	Gatitu/ Muruguru Ward	Improve security and increase hours of doing business	1 High Mast Floodlight	Installation of High Mast Floodlights	3.2M	2018-2022
Thuti Primary Street Lights	Karima	To promote access and connectivity	1km	Installation of Street lights	0.8M	2018-2022
Mbari ya Aturi Road	Karima	To improve access and open up new areas	2km	Grading and Gravelling Installation of culverts	3M	2018-2022
Maina Muturo Road	Karima	To improve access and open up new areas	2km	Grading and Gravelling Installation of culverts	3M	2018-2022
Kinoko Road	Karima	To improve access and open up new areas	2km	Grading and Gravelling Installation of culverts	3M	2018-2022
Kihuro Road	Karima	To improve access and open up new areas	2km	Grading and Gravelling Installation of culverts	3M	2018-2022
Gichuki Mwaniki Road	Karima	To improve access and open up new areas	2km	Grading and Gravelling Installation of culverts	3M	2018-2022
Gathambara Kiganjo Road	Karima	To improve access and open up new areas	2km	Grading and Gravelling Installation of culverts	3M	2018-2022
Kihuru Road	Gatitu/Muruguru Ward	To enhance access and connectivity	1.5km	widening	2.3M	2018-2022
Micha-Gichagi road	Gatitu/Muruguru Ward	To enhance access and connectivity	2km	Grading and Gravelling; Installation of culverts	3M	2018-2022
Kwa power (kengen road)	Gatitu/Muruguru Ward	Improve security and increase hours of doing business	2km	Installation of street lights	3M	2018-2022
Kiamuiru(Muruguru)	Gatitu/Muruguru Ward	Improve security and increase hours of doing business	1km	Installation of street lights	1.5M	2018-2022
Huruma road	Iriaini Ward (Othaya)	To improve access and open up new areas	2km	Grading and Gravelling; Installation of culverts	3M	2018-2022
Munai-ini-Kanyange road	Iriaini Ward (Othaya)	To improve access and open up new areas	2km	Grading and Gravelling; Installation of culverts	3M	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Timeframe
Munai-ini road adjacent to ACK	Iriaini Ward (Othaya)	To improve access and open up new areas	2km	Grading and Gravelling; Installation of culverts	3M	2018-2022
Githunguri-Kanyange road	Iriaini Ward (Othaya)	To improve access and open up new areas	2km	Grading and Gravelling; Installation of culverts	3M	2018-2022
Kanyange-Othaya Police Station Rad	Iriaini Ward (Othaya)	To improve access and open up new areas	2km	Grading and Gravelling; Installation of culverts	3M	2018-2022
Silent Mugumo-ini Road	Iriaini Ward (Othaya)	To improve access and open up new areas	2km	Grading and Gravelling; Installation of culverts	3M	2018-2022
Wakulina Market Road	Iriaini Ward (Othaya)	To improve access and open up new areas	2km	Grading and Gravelling; Installation of culverts	3M	2018-2022
Mugikuyu-Tene Road	Iriaini Ward (Othaya)	To improve access and open up new areas	2km	Grading and Gravelling; Installation of culverts	3M	2018-2022
Githanguni-Gatuyai-ini Road via Ndiara Bridge	Iriaini Ward (Othaya)	To improve access and open up new areas	2km	Grading and Gravelling; Installation of culverts	3M	2018-2022
Museveni-Ihuti Bridge Road	Iriaini Ward (Othaya)	To improve access and open up new areas	2km	Grading and Gravelling; Installation of culverts	3M	2018-2022
Ruruguti Catholic Church-Sub Chief Office	Iriaini Ward (Othaya)	To improve access and open up new areas	2km	Grading and Gravelling; Installation of culverts	3M	2018-2022
Gathumbi Secondary School Road	Iriaini Ward (Othaya)	To improve access and open up new areas	1km	Grading and Gravelling; Installation of culverts	1.5M	2018-2022
Road behind Gathumbi secondary School	Iriaini Ward (Othaya)	To improve access and open up new areas	2km	Grading and Gravelling; Installation of culverts	3M	2018-2022
Othaya Bus Park	Iriaini Ward (Othaya)	To improve access and open up new areas	2km	Maintenance and; Installation of culverts	3M	2018-2022
Gathumbi gwa Gitiki Road	Iriaini Ward (Othaya)	To improve access and open up new areas	1km	Grading and Gravelling; Installation of culverts	1.5M	2018-2022
Kirini Tea buying Centre - Karega Road	Iriaini Ward (Othaya)	To improve access and open up new areas	1km	Grading and Gravelling; Installation of culverts	1.5M	2018-2022
Kirini Primary-Gatuya-ini shopping centre (passing behind coffe factory)	Iriaini Ward (Othaya)	To improve access and open up new areas	1km	Grading and Gravelling; Installation of culverts	1.5M	2018-2022
Bishop Kagunda Kihuri-gwa Muthungu Land	Iriaini Ward (Othaya)	To improve access and open up new areas	1km	Grading and Gravelling; Installation of culverts	1.5M	2018-2022
Near D.O Bus park	Iriaini Ward (Othaya)	To reduce congestion in town	3 No. bus parks	Opening up of 3 new bus parks	10M	2018-2022
Kanyange - Kanyange bridge Road	Iriaini Ward (Othaya)	Improve security and increase hours of doing business	3km	Street lighting	1.5M	2018-2022
Behind Ruguruti Primary School – Gikurwe	Iriaini Ward (Othaya)	Improve security and increase hours of doing business	Installation of a transformer	Transformer	1M	2018-2022
Gathumbi Polytechnic	Iriaini Ward (Othaya)	Improve security and increase hours of doing business	Installation of electricity	Electrification	0.5M	2018-2022
Kabebero Polytechnic	Iriaini Ward (Othaya)	Improve security and increase hours of doing business	Installation of electricity	Electrification	0.5M	2018-2022
Kiambuthi Ithiriro Road	Naromoru/ Kiamathaga Ward	To improve access and open up new areas	2km	Grading, gravelling and culvert installation	3M	2018-2022
Kandara M'bigwe,Karioko Road	Naromoru/ Kiamathaga Ward	To improve access and open up new areas	6km	Grading, gravelling and culvert installation	9M	2018-2022
Gathurungai Kariithi Coke Road	Naromoru/ Kiamathaga Ward	To improve access and open up new areas	2km	Grading, gravelling and culvert installation	3M	2018-2022
Kimbo Kibere Road	Naromoru/ Kiamathaga Ward	To improve access and open up new areas	2km	Grading, gravelling and culvert installation	3M	2018-2022
Mdizi Aguthi Primary upto Blueline	Naromoru/ Kiamathaga Ward	To improve access and open up new areas	2km	Grading, gravelling and culvert installation	3M	2018-2022
Naromoru Market	Naromoru/ Kiamathaga Ward	To improve access and open up new areas	2km	Grading, gravelling and culvert installation	3M	2018-2022
Dam along Kibaki upto Blueline	Naromoru/ Kiamathaga Ward	To improve access and open up new areas	3km	Grading, gravelling and culvert installation	4.5M	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Timeframe
Muchemi to Michael Road	Naromoru/ Kiamathaga Ward	To improve access and open up new areas	0.5km	Grading, gravelling and culvert installation	0.8M	2018-2022
Nduru/Rosemary to Ngumi Bosko Road	Naromoru/ Kiamathaga Ward	To improve access and open up new areas	1km	Grading, gravelling and culvert installation	1.5M	2018-2022
Kimbo Juda and forest Road	Naromoru/ Kiamathaga Ward	To improve access and open up new areas	1km	Grading, gravelling and culvert installation	1.5M	2018-2022
Kabati ECDE	Naromoru/ Kiamathaga Ward	Increase enrolment, provide conducive learning environment	Installation of electricity	Power Supply	1M	2018-2022
Kandara ECDE	Naromoru/ Kiamathaga Ward	Increase enrolment, provide conducive learning environment	Installation of electricity	Power Supply	1M	2018-2022
Kimbo ECDE	Naromoru/ Kiamathaga Ward	Increase enrolment, provide conducive learning environment	Installation of electricity	Power Supply	1M	2018-2022
Kaguongo ECDE	Naromoru/ Kiamathaga Ward	Increase enrolment, provide conducive learning environment	Installation of electricity	Power Supply	1M	2018-2022
Kamburaini ECDE	Naromoru/ Kiamathaga Ward	Increase enrolment, provide conducive learning environment	Installation of electricity	Power Supply	1M	2018-2022
Camal Hall ECDE	Naromoru/ Kiamathaga Ward	Increase enrolment, provide conducive learning environment	Installation of electricity	Power Supply	1M	2018-2022
Manyatta ECDE	Naromoru/ Kiamathaga Ward	Increase enrolment, provide conducive learning environment	Installation of electricity	Power Supply	1M	2018-2022
PGH Kangemi Road	Rware Ward	To enhance access and connectivity	1km	Tarmacking	31M	2018-2022
St. Mary Mortuary Road	Rware Ward	To enhance access and connectivity	1km	Tarmacking	31M	2018-2022
Dominion Kandara Road	Rware Ward	To enhance access and connectivity	1km	Tarmacking	31M	2018-2022
Chaka town	Thegu River Ward	To improve security and increase hours of doing business	3km	Installation of street lights	1.5M	2018-2022
Kakuret Village	Thegu River Ward	To improve access and open up new areas	2.5km	Grading and Gravelling	3.8M	2018-2022
Chaka Town Bus Park	Thegu River Ward	To reduce congestion in town	Bus Parks	lorries parking bay and taxi parking bay	10M	2018-2022
Kiandu – Gwa Kibiru- Thandii Bridge	Wamagana Ward	To improve access and open up new areas	1 Bridge	Construction of Bridge	3M	2018-2022
Mathakwa-ini -Kianjogu Road- Machako tarmac	Wamagana Ward	To improve access and open up new areas	1.5 Km	Grading and gravelling	2.5M	2018-2022
Karangia-Mutitu Gathaithi Road	Wamagana Ward	To improve access and open up new areas	1.5 Km	Grading and gravelling	2.5M	2018-2022
Gachatha –Makutano Road –Muthinga	Wamagana Ward	To improve access and open up new areas	2km	Grading and gravelling and Tarmac	3M	2018-2022
Wamagana DC Road	Wamagana Ward	To improve access and open up new areas	2km	Grading and Murraming	3M	2018-2022
Kamoni to Primary School Road(Kaiguri)	Wamagana Ward	To improve access and open up new areas	2km	Grading and gravelling and Tarmac	3M	2018-2022
Karicheni Wagura Road	Wamagana Ward	To improve access and open up new areas	1Km	Grading and gravelling, Tarmacking	1.5M	2018-2022
Giagaita Karicheni Road	Wamagana Ward	To improve access and open up new areas	2km	Grading and gravelling, Tarmacking	3M	2018-2022
Classic Kiandu Karima Road	Wamagana Ward	To improve access and open up new areas	0.5Km	,bump installation	0.8M	2018-2022
Giakanja High HighMast Flood Light	Wamagana Ward	Improve security and increase hours of doing business	1 Flood light	Installation of a high mast flood light	3.2M	2018-2022
Karangia - Kahuria Bridge	Wamagana Ward	To promote access and connectivity	One bridge	Construction of bridge	3M	2018-2022
Karangia - Wagathecha bridge	Wamagana Ward	To promote access and connectivity	One bridge	Construction of bridge	3M	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Timeframe
Gachatha –Kihuro Road Makutano	Wamagana Ward	To promote access and connectivity	6Km	Culvert, Grading and gravelling	9M	2018-2022
Kingongo Riverroad	Rware Ward	To improve access and open up new areas	2km	Road maintenance	3M	2018-2022

Gitiri gwa Kungu Road	Gikondi Ward	To improve access and open up new areas	0.5km	Grading,Murraming and Culvert installation	0.8M	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Timeframe
Gitiri Itanga Road	Gikondi Ward	To improve access and open up new areas	1km	Grading,Murraming and Culvert installation	1.5M	2018-2022
Kaharo Kambogo Road	Gikondi Ward	To improve access and open up new areas	1 km	Grading,Murraming and Culvert installation	1.5M	2018-2022
Kahithe Gathera Road	Gikondi Ward	To improve access and open up new areas	1km	Grading,Murraming and Culvert installation	1.5M	2018-2022
Kinyogondo Road	Gikondi Ward	To improve access and open up new areas	1 km	Grading,Murraming and Culvert installation	1.5M	2018-2022
Mbuiiri – Weru Farmroad	Gikondi Ward	To improve access and open up new areas	2 km	Grading,Murraming and Culvert installation	3M	2018-2022
Njoka road from Gathera –Muthathara-Kanyiriri-Kabuta	Gikondi Ward	To improve access and open up new areas	10 km	Grading,Murraming and Culvert installation	15M	2018-2022
Mbuiiri- Kiamuthanga – Warega Road	Gikondi Ward	To improve access and open up new areas	1.2km	Grading,Murraming and Culvert installation	1.8M	2018-2022
Kwa esteri – Kagwi Road	Gikondi Ward	To improve access and open up new areas	1.2km	Grading,Murraming and Culvert installation	1.8M	2018-2022
Kwa Esteri –Kahoro Dispensary	Gikondi Ward	To improve access and open up new areas	1.2km	Grading,Murraming and Culvert installation	1.8M	2018-2022
Gathiriri Kibuthu Road	Gikondi Ward	To improve access and open up new areas	0.7km	Grading,Murraming and Culvert installation	1.1M	2018-2022
Wamatu Nduta Road	Gikondi Ward	To improve access and open up new areas	1km	Grading,Murraming and Culvert installation	1.5M	2018-2022
St.Irene Wamuibara Road	Gikondi Ward	To improve access and open up new areas	0.5km	Grading,Murraming and Culvert installation	0.8M	2018-2022
Wagichuki John Road	Gikondi Ward	To improve access and open up new areas	1km	Grading,Murraming and Culvert installation	1.5M	2018-2022
Kabatha- Gacui-Kariuki Waihoya Road	Gikondi Ward	To improve access and open up new areas	2.5 km	Grading,Murraming and Culvert installation	3M	2018-2022
Icagua –Kihato Road	Gikondi Ward	To improve access and open up new areas	1km	Grading,Murraming and Culvert installation	1.5M	2018-2022
Thama Nyakahuhu dispensary Road	Gikondi Ward	To improve access and open up new areas	3km	Grading,Murraming and Culvert installation	4.5M	2018-2022
St. Irene Kariuki Rongo Road	Gikondi Ward	To improve access and open up new areas	1km	Grading,Murraming and Culvert installation	1.5M	2018-2022
Kiamurathe Gikui Road	Gikondi Ward	To improve access and open up new areas	1.5km	Grading,Murraming and Culvert installation	2.5M	2018-2022
Nyagaitwa Kihui Road	Gikondi Ward	To improve access and open up new areas	1km	Grading,Murraming and Culvert installation	1.5M	2018-2022
Kiangima Road	Gikondi Ward	To improve access and open up new areas	2km	Grading,Murraming and Culvert installation	3M	2018-2022
Wanyongo Road	Gikondi Ward	To improve access and open up new areas	2km	Grading,Murraming and Culvert installation	3M	2018-2022
Karindi Kabucho Kiamwangi Road	Gikondi Ward	To improve access and open up new areas	3km	Grading,Murraming and Culvert installation	3M	2018-2022
Karini Road	Gikondi Ward	To improve access and open up new areas	2km	Grading,Murraming and Culvert installation	3M	2018-2022
Mbari ya Migwi Road	Gikondi Ward	To improve access and open up new areas	3km	Grading,Murraming and Culvert installation	4.5M	2018-2022
Chungu Road	Gikondi Ward	To improve access and open up new areas	2km	Grading,Murraming and Culvert installation	3M	2018-2022
Nyakahuho –Kamuchuni Road	Gikondi Ward	To improve access and open up new areas	2km	Grading,Murraming and Culvert installation	3M	2018-2022
Kwa Jemima –Kiandugu Road	Gikondi Ward	To improve access and open up new areas	2km	Grading,Murraming and Culvert installation	3M	2018-2022
Ngorano – Muthuthini Road	Gikondi Ward	To improve access and open up new areas	10 km	Grading,Murraming and Culvert installation	15M	2018-2022
Gikondi – Igoka Road	Gikondi Ward	To improve access and open up new areas	1km	Grading,Murraming and Culvert installation	1.5M	2018-2022
Rumathi- Marunge Road	Gikondi Ward	To improve access and open up new areas	2km	Grading,Murraming and Culvert installation	3M	2018-2022
Ezekial – Wambia Road	Gikondi Ward	To improve access and open up new areas	3km	Grading,Murraming and Culvert installation	4.5M	2018-2022
Gathungu – Nyakahuhu Primary Road	Gikondi Ward	To improve access and open up new areas	1km	Grading,Murraming and Culvert installation	1.5M	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Timeframe
Reuben – Gachiri Bridge Road	Gikondi Ward	To improve access and open up new areas	1km	Grading,Murraming and Culvert installation	1.5M	2018-2022
Karuri wa Njaki Road	Gikondi Ward	To improve access and open up new areas	1km	Grading,Murraming and Culvert installation	1.5M	2018-2022
Murungo –Kamuchuni Road	Gikondi Ward	To improve access and open up new areas	1km	Grading,Murraming and Culvert installation	1.5M	2018-2022
Maina Gathinji and Kangaru Muguno - Gatungo Road	Gikondi Ward	To improve access and open up new areas	2km	Grading,Murraming and Culvert installation	3M	2018-2022
Karindi Primary Round About	Gikondi Ward	To improve access and open up new areas	2km	Grading,Murraming and Culvert installation	3M	2018-2022
Kariuki Kariri Road	Gikondi Ward	To improve access and open up new areas	1km	Grading,Murraming and Culvert installation	1.5M	2018-2022
Rural-Kigano-Chachi-Karaba Road	Gikondi Ward	To improve access and open up new areas	1km	Grading,Murraming and Culvert installation	1.5M	2018-2022
Tumbu- Nyumu Road	Gikondi Ward	To improve access and open up new areas	0.4km	Grading,Murraming and Culvert installation	0.6M	2018-2022
Muraya- Kangarure Road	Gikondi Ward	To improve access and open up new areas	0.4km	Grading,Murraming and Culvert installation	0.6M	2018-2022
Wahari- Gitu Road	Gikondi Ward	To improve access and open up new areas	1.5km	Grading,Murraming and Culvert installation	2.5M	2018-2022
Nyaga-Gitwa Road	Gikondi Ward	To improve access and open up new areas	0.5km	Grading,Murraming and Culvert installation	0.8M	2018-2022
Murimbichi-Thiongo-Ngari-Kihia Road	Gikondi Ward	To improve access and open up new areas	1km	Grading,Murraming and Culvert installation	1.5M	2018-2022
Muitam-Mwaniki Kababa Road	Gikondi Ward	To improve access and open up new areas	0.5km	Grading,Murraming and Culvert installation	0.8M	2018-2022
Mbuthia – Kariara Road	Gikondi Ward	To improve access and open up new areas	0.3km	Grading,Murraming and Culvert installation	1.5M	2018-2022
Waithaka-Ndiani Road	Gikondi Ward	To improve access and open up new areas	0.5km	Grading,Murraming and Culvert installation	0.8M	2018-2022
Kirahi- Gachie Road	Gikondi Ward	To improve access and open up new areas	0.6km	Grading,Murraming and Culvert installation	0.9M	2018-2022
Nguura-Nyagichu-Kaguaini Road	Gikondi Ward	To improve access and open up new areas	0.6km	Grading,Murraming and Culvert installation	0.9M	2018-2022
Kahuho – Kamanda Road	Gikondi Ward	To improve access and open up new areas	0.8km	Grading,Murraming and Culvert installation	1.2M	2018-2022
Gichuri-Kamanjiri – Mukiri Road	Gikondi Ward	To improve access and open up new areas	0.3km	Grading,Murraming and Culvert installation	0.5M	2018-2022
Njigua Chache –Main connect Muranja	Gikondi Ward	To improve access and open up new areas	0.4km	Grading,Murraming and Culvert installation	0.6M	2018-2022
Kibutio Primary school – muita-Kanyango-Gitwa bridge road	Gikondi Ward	To improve access and open up new areas	4km	Grading,Murraming and Culvert installation	6M	2018-2022
Gathora Rwaru Irathaniro Road	Gikondi Ward	To improve access and open up new areas	3km	Grading,Murraming and Culvert installation	4.5M	2018-2022
Njagaini road	Gikondi Ward	To improve access and open up new areas	3km	Grading,Murraming and Culvert installation	4.5M	2018-2022
Kingongi Road	Gikondi Ward	To improve access and open up new areas	2km	Grading,Murraming and Culvert installation	3M	2018-2022
Kaina Road	Gikondi Ward	To improve access and open up new areas	2km	Grading,Murraming and Culvert installation	3M	2018-2022
Kiangombe Road	Gikondi Ward	To improve access and open up new areas	4km	Grading,Murraming and Culvert installation	6M	2018-2022
Miiriini Road	Gikondi Ward	To improve access and open up new areas	1.5km	Grading,Murraming and Culvert installation	2.5M	2018-2022
Ruahungu Road	Gikondi Ward	To improve access and open up new areas	1.5km	Grading,Murraming and Culvert installation	2.5M	2018-2022
Ndimbe Road	Gikondi Ward	To improve access and open up new areas	1.5km	Grading,Murraming and Culvert installation	2.5M	2018-2022
Gachuri Road	Gikondi Ward	To improve access and open up new areas	2km	Grading,Murraming and Culvert installation	3M	2018-2022
Njukiini Road	Gikondi Ward	To improve access and open up new areas	1Km	Grading,Murraming and Culvert installation	1.5M	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Timeframe
Kiriguini Road	Gikondi Ward	To improve access and open up new areas	1km	Grading,Murraming and Culvert installation	1.5M	2018-2022
Gatengu Road	Gikondi Ward	To improve access and open up new areas	2km	Grading,Murraming and Culvert installation	3M	2018-2022
Gakenyura Road	Gikondi Ward	To improve access and open up new areas	2km	Grading,Murraming and Culvert installation	1.5M	2018-2022
Solid(Weru) Road	Gikondi Ward	To improve access and open up new areas	1km	Grading,Murraming and Culvert installation	1.5M	2018-2022
Karima Road	Gikondi Ward	To improve access and open up new areas	2km	Grading,Murraming and Culvert installation	3M	2018-2022
Umbui Road	Gikondi Ward	To improve access and open up new areas	2km	Grading,Murraming and Culvert installation	3M	2018-2022
Kaingore Road	Gikondi Ward	To improve access and open up new areas	2km	Grading,Murraming and Culvert installation	3M	2018-2022
Kwa Muthungu Road	Gikondi Ward	To improve access and open up new areas	1km	Grading,Murraming and Culvert installation	1.5M	2018-2022
Karikwe –Karaba – Karaba coffee Factory Road	Gikondi Ward	To improve access and open up new areas	1.8km	Grading,Murraming and Culvert installation	2.4M	2018-2022
Karaba police post Road	Gikondi Ward	To improve access and open up new areas	1.8km	Grading,Murraming and Culvert installation	2.4M	2018-2022
Kanyiriri Road	Gikondi Ward	To improve access and open up new areas	1.8km	Grading,Murraming and Culvert installation	2.4M	2018-2022
Ndindima Road	Gikondi Ward	To improve access and open up new areas	1.8km	Grading,Murraming and Culvert installation	2.4M	2018-2022
Githunguri Road	Gikondi Ward	To improve access and open up new areas	1.8km	Grading,Murraming and Culvert installation	2.4M	2018-2022
Muthagathi Road	Gikondi Ward	To improve access and open up new areas	1.8km	Grading,Murraming and Culvert installation	2.4M	2018-2022
Kirurumo kia Nyaga Road	Gikondi Ward	To improve access and open up new areas	1.8km	Grading,Murraming and Culvert installation	2.4M	2018-2022
Gakinda soko Road	Gikondi Ward	To improve access and open up new areas	1.8km	Grading,Murraming and Culvert installation	2.4M	2018-2022
Kawahu Road	Gikondi Ward	To improve access and open up new areas	1.8km	Grading,Murraming and Culvert installation	2.4M	2018-2022
Gathera -Mwothathera-Kinoruo-Kanyiriri-kabuta Road	Gikondi Ward	To improve access and open up new areas	1.8km	Grading,Murraming and Culvert installation	2.4M	2018-2022
Maragima Electricity Project	Thegu River Ward	Improve access to electricity	3 No. Transformers	Installation	6M	2018-2022
Thirigitu Electricity Project	Thegu River Ward	Improve access to electricity	1 No. Transformer	Installation	2M	2018-2022
Lusoi Electricity Project	Thegu River Ward	Improve access to electricity	4 No. Transformers	Installation	4M	2018-2022
Mbugua Market Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	Street Lights	Installation of Street Lights 0.5 KM	3.2M	2018-2022
Maganjo Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	Street Lights	Installation of Street Lights 0.6 KM	3.2M	2018-2022
Ngoru Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	Street Lights	Installation of Street Lights 0.5 KM	3.2M	2018-2022
Mutwewathi Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	Street Lights	Installation of Street Lights 0.5 KM	3.2M	2018-2022
Wamutitu Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	Street Lights	Installation of Street Lights 1.5 KM	3.2M	2018-2022
Githung'ung'u Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	Street Lights	Installation of Street Lights 0.5 KM	3.2M	2018-2022
Karifonia Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	Street Lights	Installation of Street Lights 1KM	3.2M	2018-2022
Kiuu Shopping Centre Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	Street Lights	Installation of Street Lights 1KM	3.2M	2018-2022
Ujamaa Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	Street Lights	Installation of Street Lights 1KM	3.2M	2018-2022
Thangathi Shopping Centre Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	Street Lights	Installation of Street Lights 1KM	3.2M	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Timeframe
Kihuti Shopping Centre Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	Street Lights	Installation of Street Lights 0.3KM	3.2M	2018-2022
Kiangondu Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	Street Lights	Installation of Street Lights 0.5KM	3.2M	2018-2022
Githagara Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	Street Lights	Installation of Street Lights 0.5KM	3.2M	2018-2022
Kigutu – Gathanga-Kiboya Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	Street Lights	Installation of Street Lights 1.5KM	1.5M	2018-2022
Kiriro Electrification	Mukurwe-ini Central	Improve security and increase hours of doing business	2km	Installation of Streetlights	1.5M	2018-2022
Gatura Electrification Project	Mukurweini west Ward	Improve security and increase hours of doing business	1km	Installation of street lights	2M	2018-2022
Ngooru Shopping Centre Street- lighting	Dedan Kimathi Ward	Improve security and increase hours of doing business	3.2km	Installation of streetlights	1.5M	2018-2022
Soweto Electricity Project	Naromoru/ Kiamathaga Ward	Improve security and increase hours of doing business	1 No. High mast lighting	Installation of a high mast flood light	3.2M	2018-2022
Mutitu/Kenneth Bridge	Kabaru Ward	To improve access and open up new areas	1 No. bridge	Installation of a concrete bridge	3M	2018-2022
Githerere High Mast Flood Lights	Wamagana Ward	Improve security and increase hours of doing business	1 Flood light	Installation of a high mast flood light	3.2M	2018-2022
Mbaa-ini Polytechnic High Mast Flood Light	Wamagana Ward	Improve security and increase hours of doing business	1 Flood light	Installation of a high mast flood light	3.2M	2018-2022
Gachatha Coffee Factory High Mast Flood Light	Wamagana Ward	Improve security and increase hours of doing business	1 Flood light	Installation of a high mast flood light	3.2M	2018-2022
Wamagana DC's Office High Mast Flood Light	Wamagana Ward	Improve security and increase hours of doing business	1 Flood light	Installation of a high mast flood light	3.2M	2018-2022
Giakanja High Mast Flood Light	Wamagana Ward	Improve security and increase hours of doing business	1 Flood light	Installation of a high mast flood light	3.2M	2018-2022
Kagwathi High Mast Flood Light	Wamagana Ward	Improve security and increase hours of doing business	1 Flood light	Installation of a high mast flood light	3.2M	2018-2022
Gathaithi Tea Buying Centre High Mast Flood Light	Wamagana Ward	Improve security and increase hours of doing business	1 Flood light	Installation of a high mast flood light	3.2M	2018-2022
Gathuthi High Mast Flood Light	Wamagana Ward	Improve security and increase hours of doing business	1 Flood light	Installation of a high mast flood light	3.2M	2018-2022
Gura Electrification Project	Wamagana Ward	Improve security and increase hours of doing business	1 Transformer	Installation of a high mast flood light	3.2M	2018-2022
Kariguini High Mast Flood Light	Wamagana Ward	Improve security and increase hours of doing business	1 Flood light	Installation of a high mast flood light	3.2M	2018-2022
Kagonye shopping centre electrification project	Mahiga Ward	Improve security and increase hours of doing business	1 No.	Installation of a high mast flood light	3.2M	2018-2022
Mugaa shopping centre electrification project	Mahiga Ward	Improve security and increase hours of doing business	1 No.	Installation of a high mast flood light	3.2M	2018-2022
Kihome shopping centre electrification project	Mahiga Ward	Improve security and increase hours of doing business	1 No.	Installation of a high mast flood light	3.2M	2018-2022
Gitugi Coffee factory electrification project	Mahiga Ward	Improve security and increase hours of doing business	1 No.	Installation of a high mast flood light	3.2M	2018-2022
Kagere shopping centre electrification project	Mahiga Ward	Improve security and increase hours of doing business	1 No.	Installation of a high mast flood light	3.2M	2018-2022
Munyange shopping centre electrification project	Mahiga Ward	Improve security and increase hours of doing business	1 No.	Installation of a high mast flood light	3.2MM	2018-2022
Gaturuturu electrification project	Mahiga Ward	Improve security and increase hours of doing business	1 No.	Installation of a high mast flood light	3.2M	2018-2022
Muringa electrification project	Mahiga Ward	Improve security and increase hours of doing business	1 No.	Installation of a high mast flood light	3.2M	2018-2022
Thugunagwo electrification project	Mahiga Ward	Improve security and increase hours of doing business	1 No.	Installation of a high mast flood light	3.2M	2018-2022
Msafiri Market electrification project	Mahiga Ward	Improve security and increase hours of doing business	1 No.	Installation of a high mast flood light	3.2M	2018-2022
Karigu-ini Shopping Centre	Wamagana Ward	Improve security and increase hours of doing business	2km	Installation of a street light	1.5M	2018-2022
Kwa Joseph	Wamagana Ward	Improve security and increase hours of doing business	3km	Installation of a street light	1.5M	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Timeframe
Gachatha Market Street lighting	Wamagana Ward	Improve security and increase hours of doing business	1 Line of Streetlights	Installation of a street light	1.5M	2018-2022
Kaiguri Market Street lighting	Wamagana Ward	Improve security and increase hours of doing business	1 Line of Streetlights	Installation of a street light	1.5M	2018-2022
Wandumbi Electricity Project	Wamagana Ward	Improve security and increase hours of doing business	2km	Installation of a street light and High flood Mast light	4.7M	2018-2022
Kiawaitanji Shopping Centre	Aguthi/Gaaki Ward	Improve access to electricity	2km	Installation of a street light and High flood Mast light	4.7M	2018-2022
Ngutik electrification project	Gakawa Ward	Improve access to electricity	1 No.	Installation of a transformer	2M	2018-2022
Kiririchua electrification project	Gakawa Ward	Improve access to electricity	1 No.	Installation of a transformer	2M	2018-2022
Gachuru electrification project	Gakawa Ward	Improve access to electricity	1 No.	Installation of a transformer	2M	2018-2022
Wildwide electrification project	Gakawa Ward	Improve access to electricity	1 No.	Installation of a transformer	2M	2018-2022
Kianda electrification project	Gakawa Ward	Improve access to electricity	1 No.	Installation of a transformer	2M	2018-2022
Wanguku electrification project	Gakawa Ward	Improve access to electricity	1 No.	Installation of a transformer	2M	2018-2022
Kamau inoro electrification project	Gakawa Ward	Improve access to electricity	1 No.	Installation of a transformer	2M	2018-2022
Wachira electrification project	Gakawa Ward	Improve access to electricity	1 No.	Installation of a transformer	2M	2018-2022
Ihwa Electrification	Kamakwa/ Mukaro Ward	Improve access to electricity	1 No.	Installation of a Transformer	1.5M	2018-2022
Kandara Electrification	Kamakwa/ Mukaro Ward	Improve access to electricity	1 No.	Installation of a Transformer	1.5M	2018-2022
Kwa Muriithi Mundia electrification project	Thegu River Ward	Improve access to electricity	1 No.	Installation of a transformer	2M	2018-2022
Njoguini/Kimbo Electricity Project	Naromoru/ Kiamathaga Ward	Improve access to electricity	3 No. transformer	Installation of a transformer	2M	2018-2022
Madoya electrification project	Kabaru Ward	Improve access to electricity	1 No. transformer	Installation of a transformer	2M	2018-2022
Michathaini electrification project	Mahiga Ward	Improve access to electricity	1 No. transformer	Installation of a transformer	2M	2018-2022
Kimumu electrification project	Mahiga Ward	Improve access to electricity	1 No. transformer	Installation of a transformer	2M	2018-2022
Wamagana Iithe Tarmac	Wamagana Ward	Reduce road accidents	2 Bumps	Installation of bumps	3M	2018-2022
Independent Church AIPCA Road	Mweiga Ward	To improve access and open up new areas	1 No. Culvert	Installation of Culvert	1M	2018-2022
Kiaraho Muchemi Road	Aguthi/Gaaki Ward	To improve access and open up new areas	1.2Km	Installation of Culvert, Grading and Graveling	1.8M	2018-2022
Kiaraho/ Karuaho Marungiro/Ngongoro Road	Aguthi/Gaaki Ward	To improve access and open up new areas	1.2Km	Installation of Culvert, Grading and Graveling	1.8M	2018-2022
Nduga Road	Iriaini Ward (Othaya)	To improve access and open up new areas	2km	Installation of culverts	1M	2018-2022
Kanjikeru culverts	Magutu Ward	To improve access and open up new areas	One culvert	Installation of culverts	1M	2018-2022
Gaikuyu – Magutu Road culverts	Magutu Ward	To improve access and open up new areas	One culvert	Installation of culverts	1M	2018-2022
Kiamigwi Primary culverts	Magutu Ward	To improve access and open up new areas	One culvert	Installation of culverts	1M	2018-2022
Kanjikeru culverts	Magutu Ward	To improve access and open up new areas	One culvert	Installation of culverts	1M	2018-2022
Gaikuyu – Magutu Road culverts	Magutu Ward	To improve access and open up new areas	Two culvert	Installation of culverts	1.5M	2018-2022
Kiamigwi Primary culverts	Magutu Ward	To improve access and open up new areas	Two culvert	Installation of culverts	1.5M	2018-2022
Kiaguthu Road	Chinga Ward	To improve access and open up new areas	Two culvert	Installation of Culverts	1.5M	2018-2022
Kariko Catholic Parish Road	Chinga Ward	To improve access and open up new areas	Two culvert	Installation of Culverts	1.5M	2018-2022

Project Name	Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Timeframe
Githima road	Mahiga Ward	To improve access and open up new areas	2 No. culverts	Installation of culverts at Kiriko and Ha Kiundu.	1.5M	2018-2022
Ngonde forest	Thegu River Ward	Protect residents from wild animals	10km	Installation of electric fence along the forest	12M	2018-2022
